ASSHOLE OF THE MONTH

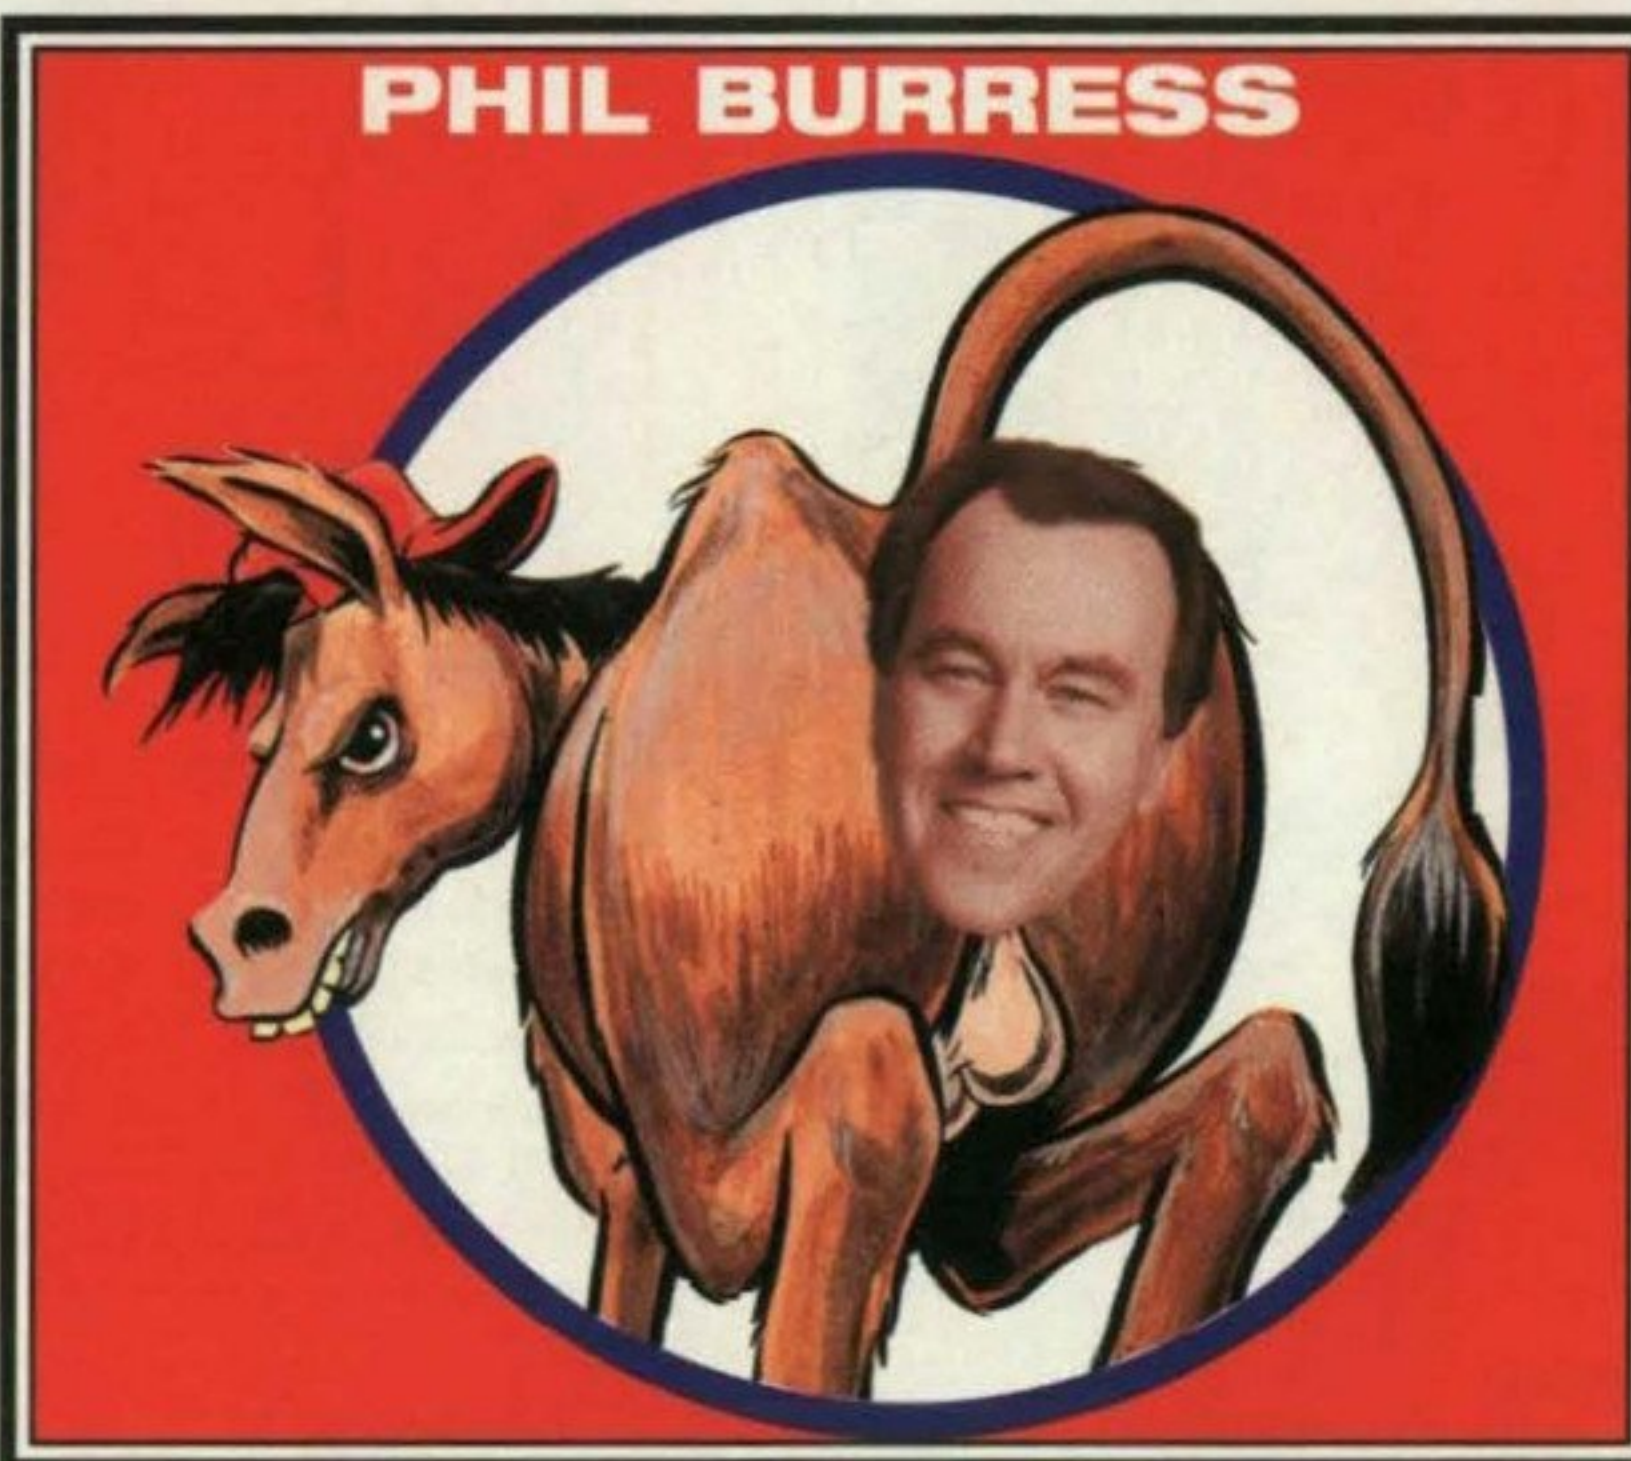

One infected rectum makes an awful stink on its own. When that single, pustulant set of sphincters attempts to shit for an entire population, its olfactory horror increases exponentially. Such a rancid municipal colon is Phil Burress, HUSTLER's Asshole of the Month for September 2000.

Burress heads up Citizens for Community Values (CCV), an Ohio-based organization that ostensibly aims to "promote Judeo-Christian moral values." Burress "promotes" these values much like Mussolini promoted reliable public transportation.

Burress claims that strengthening the family and protecting children's futures are his primary motivators, but the Cincinnati shitter's self-righteousness only tends to flare up when adult Constitutional rights are being exercised. CCV "serves" 17 counties in Ohio, Kentucky and Indiana, mainly by launching attacks on theaters, bookstores and video boutiques that offer mature product. If you're reading this, Burress considers you a "sexually dysfunctional male" in need of his guidance; vendors who sell this publication are a threat to society in need of jail time.

"Right to read? It's a bunch of hogwash," Burress opines. "We have to protect each other from dangerous material."

Phil protects by continually attempting to close down or imprison legitimate video store, bookstore and strip club owners. Foul Phil stages "town meetings" where citizens are encouraged to videotape customers at gentlemen's clubs and jot down the patrons'

license plate numbers.

Deception is another popular CCV tactic. Burress tries to draw a causal relationship between pornography and sex crimes such as child molestation and rape. Valid researchers regard this position as less credible than the single-bullet theory, but Burress's grasp of logic is more slippery than a beer fart.

Phil supported a Cincinnati amendment that essentially sanctioned discrimination targeted at gays and lesbians. "[W]hat a person does in the privacy of his own bedroom should not be the basis for special laws," Phuckface Phil crowed. But Burress's effort to legislate pornography away amounts precisely to an attempt to craft laws around

individual sexual behavior. Then again, the shifty censor characterizes Citizens for Community Values as a "free speech organization."

Burress would have gullible listeners believe that his morality is synonymous with public sentiment. "I think [Larry Flynt] will find there is no market in this city for his magazine," Saint Phil chest-thumped when Larry opened a Cincinnati HUSTLER store in 1997. Burress's moral barometer missed the 30,000 Cincinnatians who shopped at the adult outlet in its first three months of operation.

A local poll placed Burress among the top three people whom "Greater Cincinnati would be a better place without." Jurors have continually acquitted video store own-

ers targeted by the CCV. Such blatant lack of public agreement hasn't stopped Burress's bully tactics.

The would-be morals boss launched a campaign to pressure Butler County, Ohio, prosecutor John Holcomb into prosecuting adult-video stores, although no complaints had been launched against the businesses.

"That's Russia, not America," Holcomb rightfully replied.

Phil wasn't always Assholier than thou; the old bunghole tries to gain credibility by playing up his dalliances as a young ass-wipe. "Twenty years ago, I was seduced into those adult-book stores that littered the Cincinnati landscape," he wept in a *Cincinnati Post* editorial.

According to CCV's research linking porn consumption to child molestation, Phil "My Ass With Cum" Burress's enjoyment of adult reading material should have resulted in a string of sodomized preschoolers. Burress hasn't yet admitted such a history, though his personal commitment to strengthen the family has faltered in two trashed marriages.

The serial husband has finally found a local harpy who agrees with him. Cumbucket number three, Vickie Burress, heads Victims of Pornography. Declaring May "Victims of Pornography Month," Vickie issued a press release in which she whined, "Pornography is not a victimless crime."

Vickie is at least partially right; pornography isn't a crime at all, except in areas where Assholes such as Phil and Vickie succeed in making victims out of XXX consumers whose only crime is being true to their God-given instincts.

Jennifer Lopez: Despite a per-picture fee that's jumped from \$1 million to \$7.5 million in the past three years, Lopez claims that a racist Hollywood isn't giving her a fair shake. "My name puts them off right away," the callipygian actress told *Access Hollywood*. If producers have shied away at all, it's probably because of her

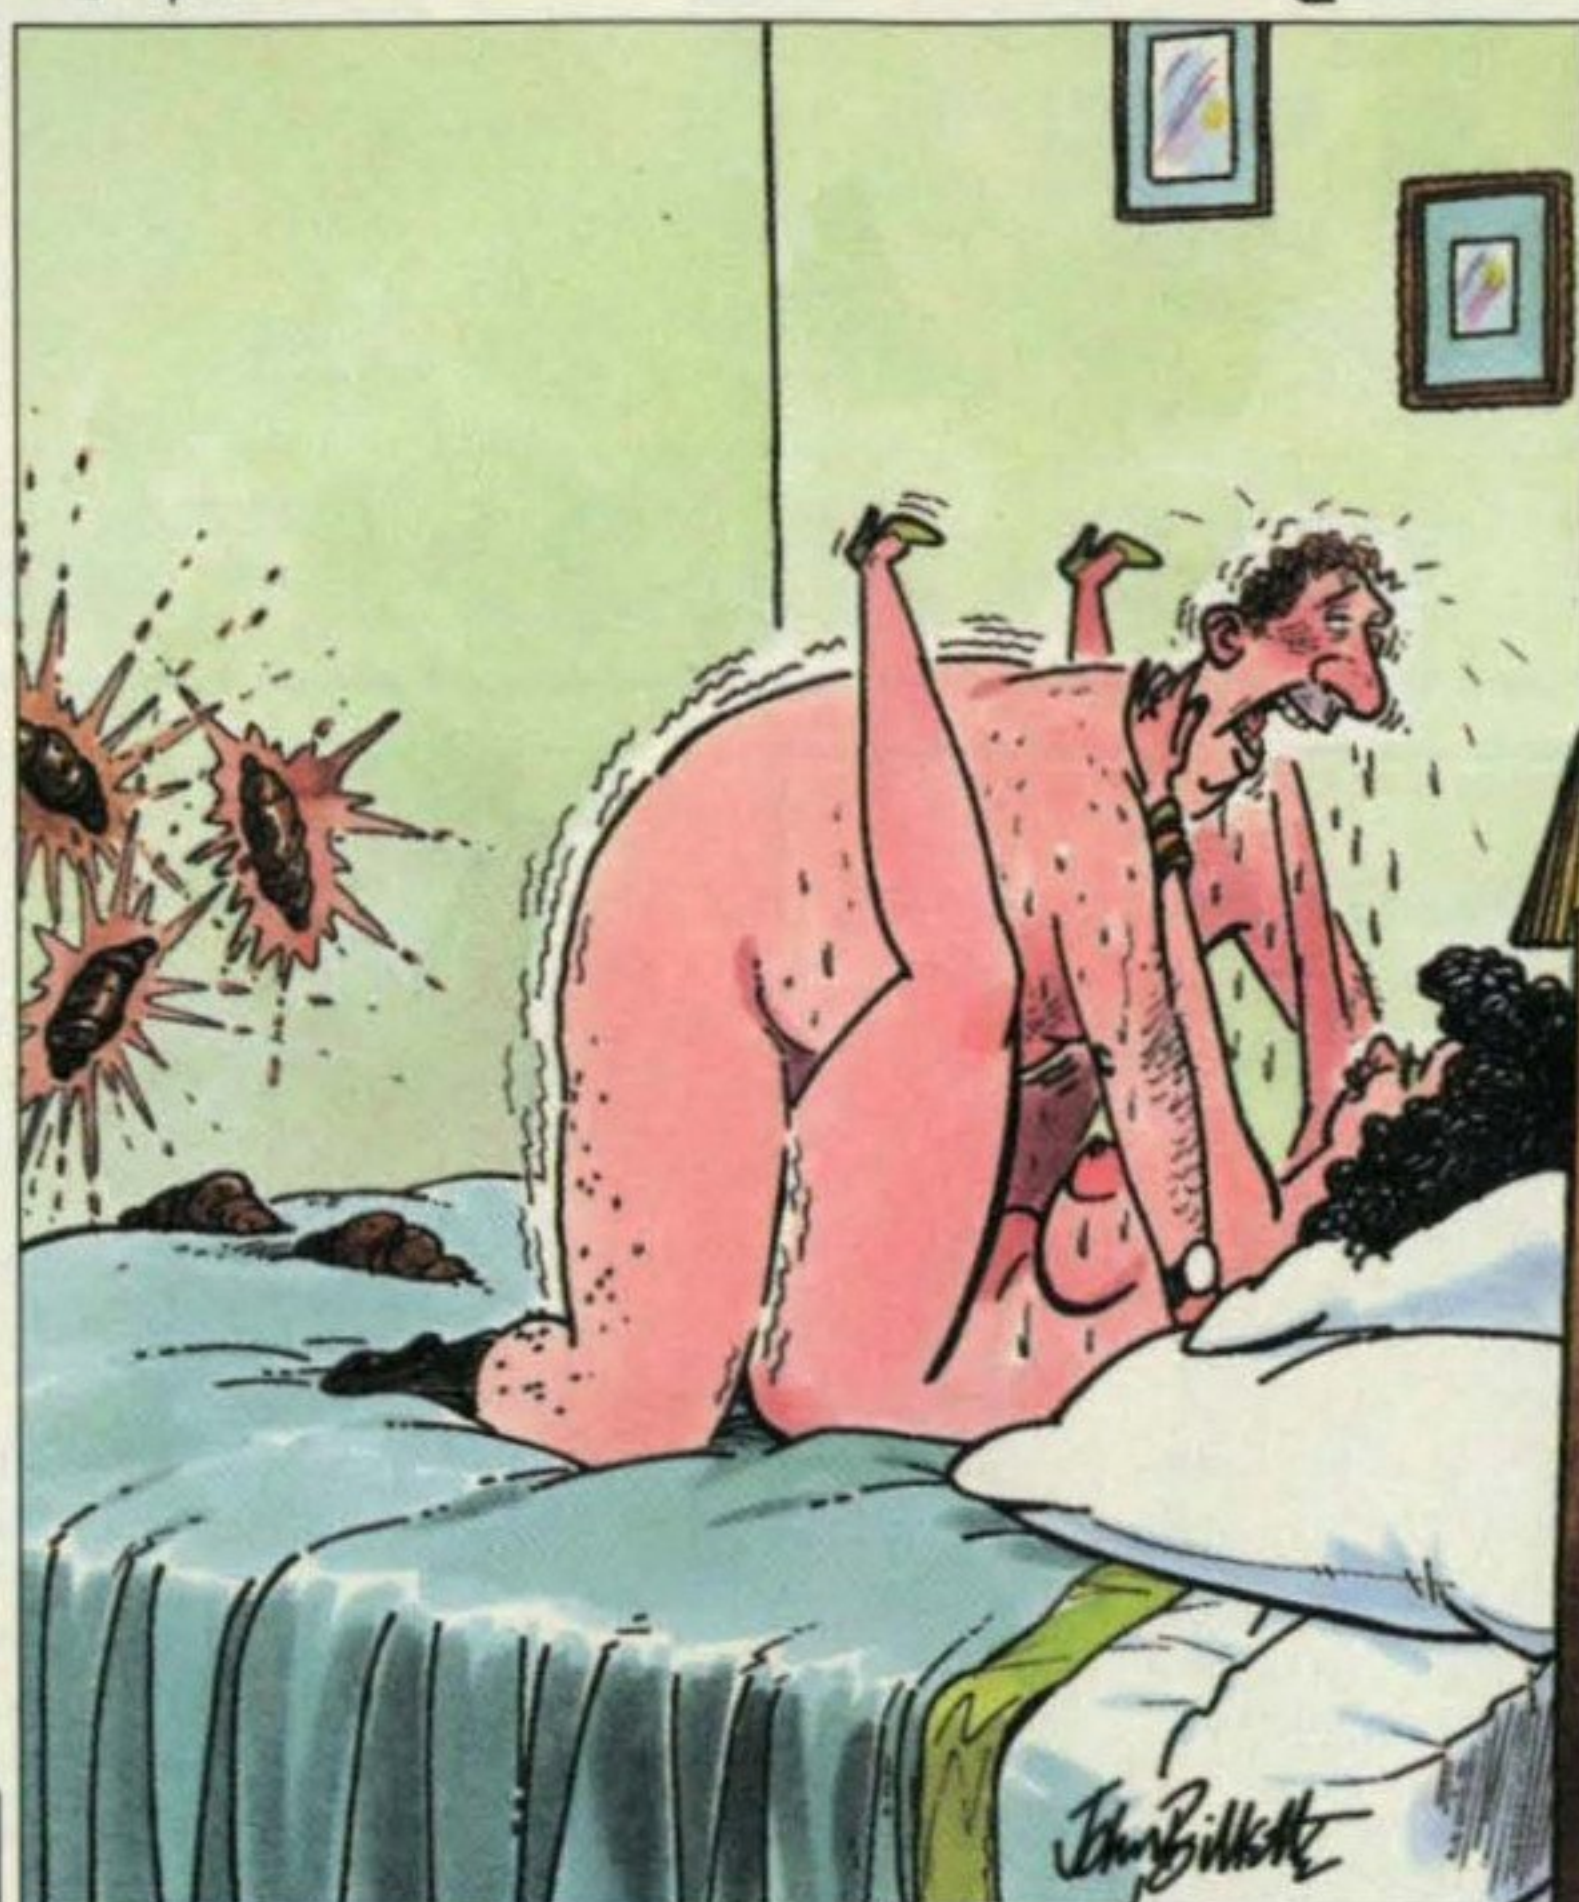

FARTS IN THE WIND

romantic association with indicted hip-hop thug Sean "Puffy" Combs. HUSTLER loves Jennifer's big, bouncy glutes, but hates that the nates are attached to an equally outsized Asshole.

John Stone: Following his yuletide leak of the infamous Klebold and Harris videotape to a *Time*

reporter, the Jefferson County, Colorado, sheriff commemorated the Columbine massacre's first anniversary and further infuriated victims' families by offering footage of the bloody crime scene, complete with musical soundtrack, to the public for \$25 a tape. *Portrait of an Asshole*, anyone?

"MOST TASTELESS CARTOON"

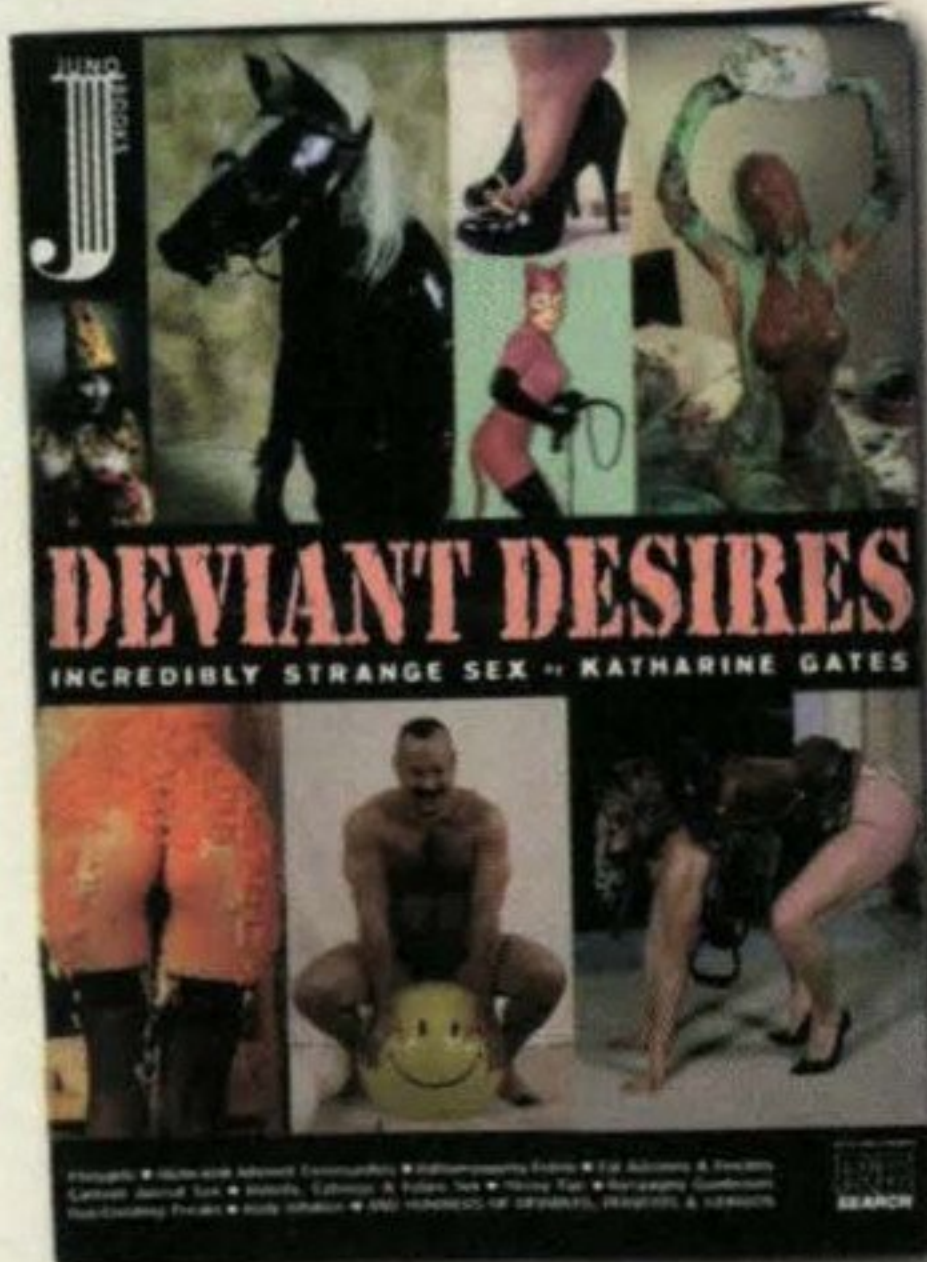

"Trixie, honey—you are still the best laxative money can buy!"

PORN From the PAST

Before underwire bras, bovine girls tried dozens of methods to support their hefty jugs. The "Bopper Butress" was a small wooden scaffold placed under a bosomy lady's fleshy outcroppings. Needless to say, the product flopped.

Gray N., of Steubenville, Ohio, milks \$150 for this photo. Send your pop's shots to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Add an SASE if you want the material returned.

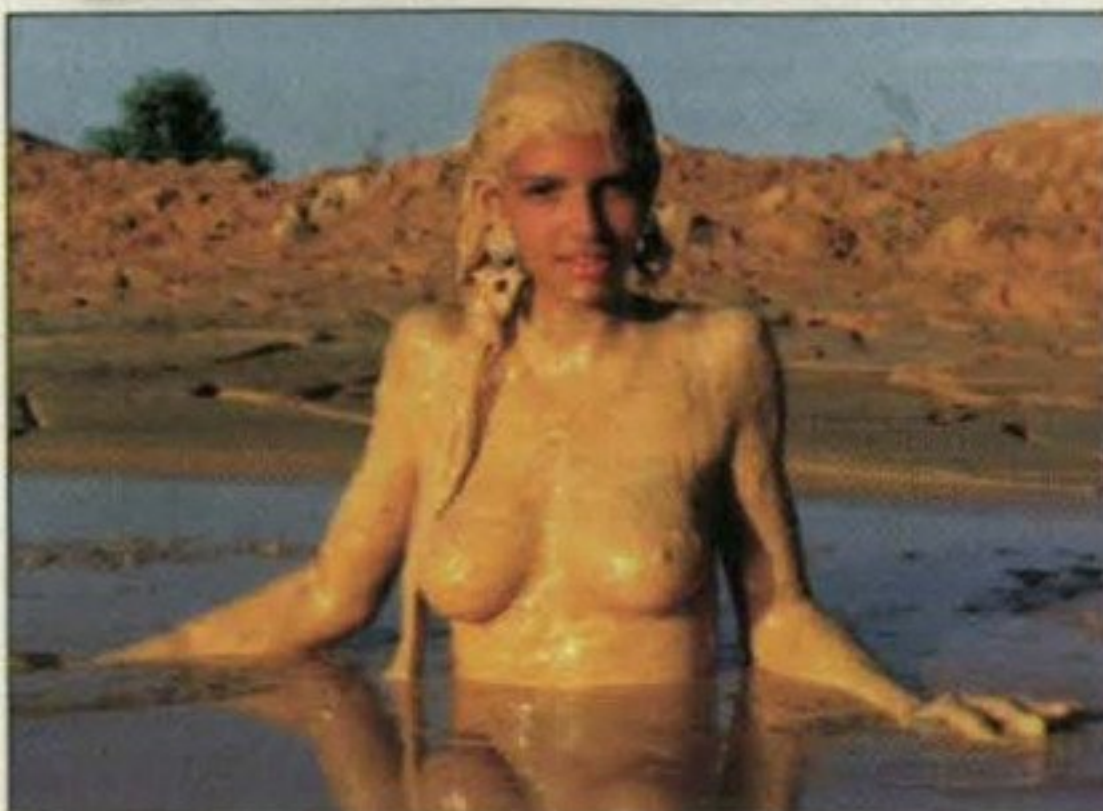

Odd Ballers

Deviant Desires Explores Cheesy Kink Subcultures

As Katharine Gates demonstrates in *Deviant Desires* (Juno Books, 2000), some people are just fucking clowns. Others are fucking girls in pony costumes, popping bugs and nailing balloons. Gates's humorous overview of outer-fringe kink maps a perverse range of topics with interviews, illustrations and resource guides. Weirdos who are into rampaging, 50-foot women, nubile accident victims and shapely chicks covered in baked beans—or those who simply want to laugh at the freaks—will find all their needs fulfilled.

Deviant Desires is widely distributed. For more information, check your local bookstore or visit www.deviantdesires.com.

FRIDGE-NIPPING

The practitioners of this strange erotic art claim that nipple clamps are bush league. Devotees attach themselves to the refrigerator door with two magnets. If the appliance is equipped with an icemaker, a confirmed "fridge-nipper" can come without genital stimulation.

DOLL-SHOE FETISH

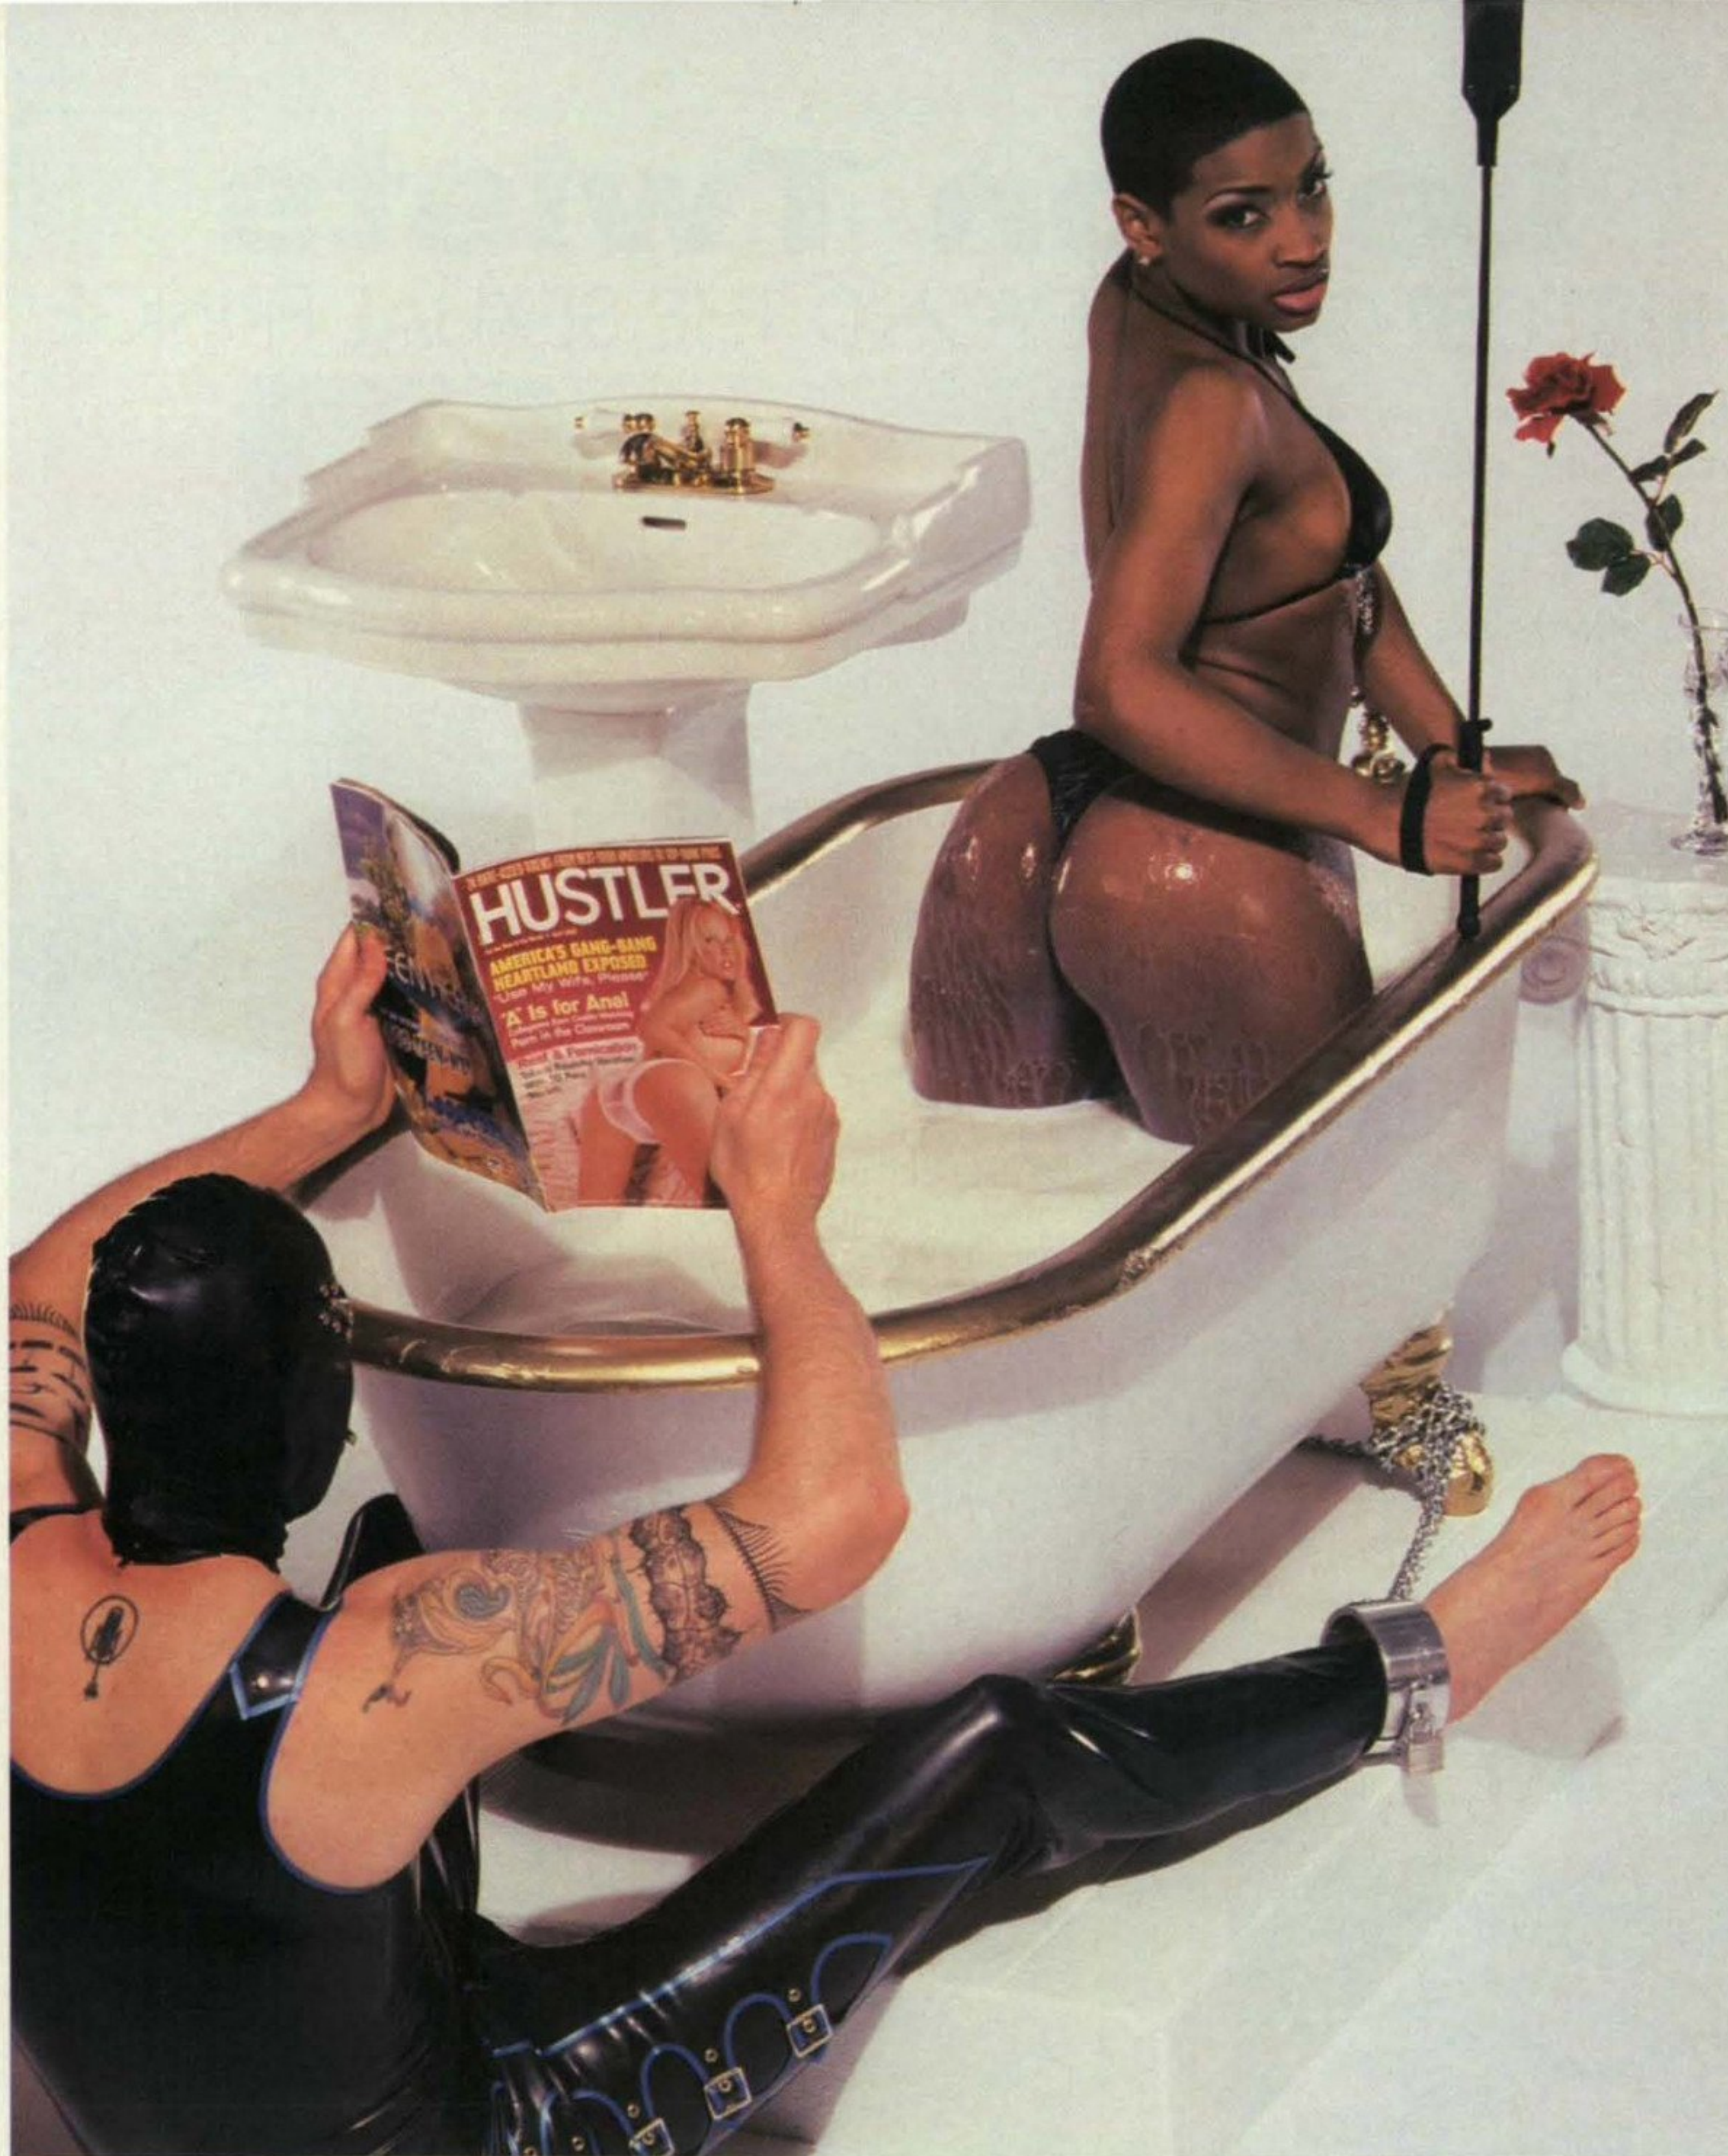

The infamous bitch-who-has-everything-but-a-cunt Barbie doll oozes parasexuality. Used pairs of her tiny pumps fetch up to \$60 at online auctions. "B-shoe men" swear that once their little treasures are lubed and nasally inserted, they can actually detect a whiff of the popular plaything's feet.

N-JOBS

Similar to L fans and J aficionados, N fetishists are aroused by thoughts of the 14th letter. An N-job from a willing partner supposedly brings the recipient to a libidinous high that lasts for days. A schism has developed between lovers of the angular uppercase and those who prefer the rounded lowercase.

WHAT SORT OF DIVA READS HUSTLER?

She's the cream and the crop—a rapper who knows that the 150 million Americans who haven't seen white fluid on a black butt are missing out. With her debut CD, *The Black Widow* (on Epic), Strings delivers unpredictable, venom-tipped rhymes that will fuck you up as much as the sight of her sweet ass in hot milk does. Like the demanding carnal libertarians who read America's Magazine, Strings insists on having things her way. That's what ties this lyrical mistress to HUSTLER. (Source: September 2000 LFP.)

FEED BACK

Clit Inspectors

I know you won't print this, but here goes. W. from Santa Barbara, California, wrote that HUSTLER doesn't show enough of the hooded pearl (*Feedback*, "Bigger Clits," May 2000). Your statistics proved that HUSTLER shows more clit than any other magazine, but I'd still like to offer a suggestion. Tell your photographers to zoom in on those love buttons more often. Super-close shots of aroused nubs glistening with she-jizz could only enhance your amazing magazine.

—L. B.

San Antonio, Texas

Hungry for Twat

HUSTLER is king when it comes to hardcore pictorials. All of your Honeys are attractive, natural-looking and aren't afraid to be nasty. That's why I'm writing to ask for more cunnilingus. Your models really fuck, but too often they don't seem to be really sucking cunt. The tongue should be *in* the cunt or massaging the clit. The lesbo girl pictorial in the April 2000 issue (*Francesca and Regina: On the Clock*) is a perfect example of what I'd like to see more of. One gal has her mouth fully over the other's mound. It's a splendid picture. I suspect that your photographers must be afraid of partially obscuring the pussy, but fuck it—tell them that we don't mind missing some gash if a beautiful girl has her face buried halfway in it.

—A. J.

New York, New York

Hot for Gina

I just received the June 2000 HUSTLER. Man, you guys are the cream of the crop of men's magazines. The pictorial with Gina (*Gina: Sweatbox*) is the absolute best I've seen this year, and I've seen plenty. I popped a boner just looking at her. Her amazing body is nicely tanned, and her sexy eyes drive me wild. I'd love to fuck Gina in the sauna and show her how to work up a real sweat. Thanks, HUSTLER. I salute you for being America's premier men's magazine.

Nutting on Fitness

I'd like to commend you on the route that HUSTLER has been taking in the past several issues. You truly are "America's Hardest Newsstand Publication." In the June 2000 *Bits & Pieces*, I noticed a magazine parody that featured a nude female bodybuilder with a piece of training equipment shoved up her ass ("Sphincter Muscles 'n' Fitness"). How about giving the gym the hard treatment in a full-on

pictorial? A set showing two girls who become so turned on while exercising that they finish their workout on each other would be incredibly hot. A bunch of pictures depicting a trainer pounding a chick on a weight bench would be great too. Just a couple of suggestions. Keep up the good work.

—T. B.

Spokane, Missouri

We agree that the best part about pumping iron is taking a break to watch titties jiggle on the treadmill or pussies bouncing on the aerobics floor. Until our next physical-fitness shoot, check out the May 2000 issue for a hot pictorial, Bunny and Andrew: Futurefuck, featuring a pair of sweaty fuckers breaking in a high-tech sex machine.

A Gag Too Far

You guys are a laugh riot. HUSTLER never fails to crack me up. The June 2000 issue had me rolling on the floor. *HUSTLER Classic Cartoons* totally slew me with the "Suicide Prevention Squad" 'toon. The gag showing a billboard boasting PUSSY—3,000 YARDS with the dudes commenting, "Looks like we've crossed into Nevada," was great as well. I dig your sense of humor, but what's your beef with Jodie Foster? You're always ragging on her. I think she's a great actress, even though she has small tits. Don't take this the wrong way, but

Gina: Sweatbox

FEEDBACK

sometimes you guys go too far when you pick on celebrities. —M. B. McLeansville, North Carolina

HUSTLER doesn't play favorites. In almost every shit-slinging issue, we take aim at someone we actually admire, when their behavior warrants it. Even the coolest celebs can suffer from a swelled ego or diarrhea of the mouth. When public figures, no matter who they are, become too big for their britches, we at *HUSTLER* have made it our duty to pull down their pants and give them a wedgie.

The Wheel Deal

I'm a big fan of *HUSTLER*, and like Larry Flynt, I'm a paraplegic. Unlike Mr. Flynt, I don't have piles of money or own a huge corporation such as LFP. Like many wheelchair-bound guys, I can hardly ever score pussy. *HUSTLER* and Larry Flynt should do a service to the handicapped community by running an article or column about sex with paraplegics and quadraplegics. We love pussy just as much as our upright counterparts—I'm sure Larry can attest to that. Most publications are gun-shy when

it comes to discussing sex that's outside of the mainstream, but *HUSTLER*'s a rebel in the industry and isn't too chickenshit to tell it like it is. Larry, help your chair-bound brothers out by letting all the dissatisfied ladies in the world know that there's an army of men poised to roll up on them and eat their pussies until the cows come home. —D. B. Gastonia, North Carolina

We hear you, D. B. *HUSTLER* is all about spreading the pink, and we're disappointed to hear that some of you aren't tasting your share. You'll be happy to hear that the wheels are already in motion for an article on humping Ironsides-style; look out for it in the January 2001 *HUSTLER*. In the meantime, keep your chin up, axles greased and tongue limber.

Hardened Soldiers

I'm writing on behalf of the 30 other soldiers in my platoon. We are presently deployed to Bosnia, and as you very well know, we cannot buy your magazine here due to the Decency Act passed a few years ago. Needless to say, we are far from home, hard up and therefore desperately in need of *HUSTLER*. Is there any way you can help us out?

Thanks for the magazine and keep up the great work. —S. K. via Internet

Once again, the U.S. government drops the ball when it comes to supporting our troops. The fact that some knucklehead in Congress has deprived hardworking U.S. soldiers the pleasure of *HUSTLER* is the most indecent thing we've heard all year. Every *HUSTLER* reader can help in this regard. Let your politicians know that you back our boys one hundred percent. It's the military brass's job to determine where the troops go; let the grunts decide what magazine goes in their footlockers. Luckily, lonesome military personnel can still subscribe to *HUSTLER* by calling (323) 651-2348.

Don't Stop the Flow

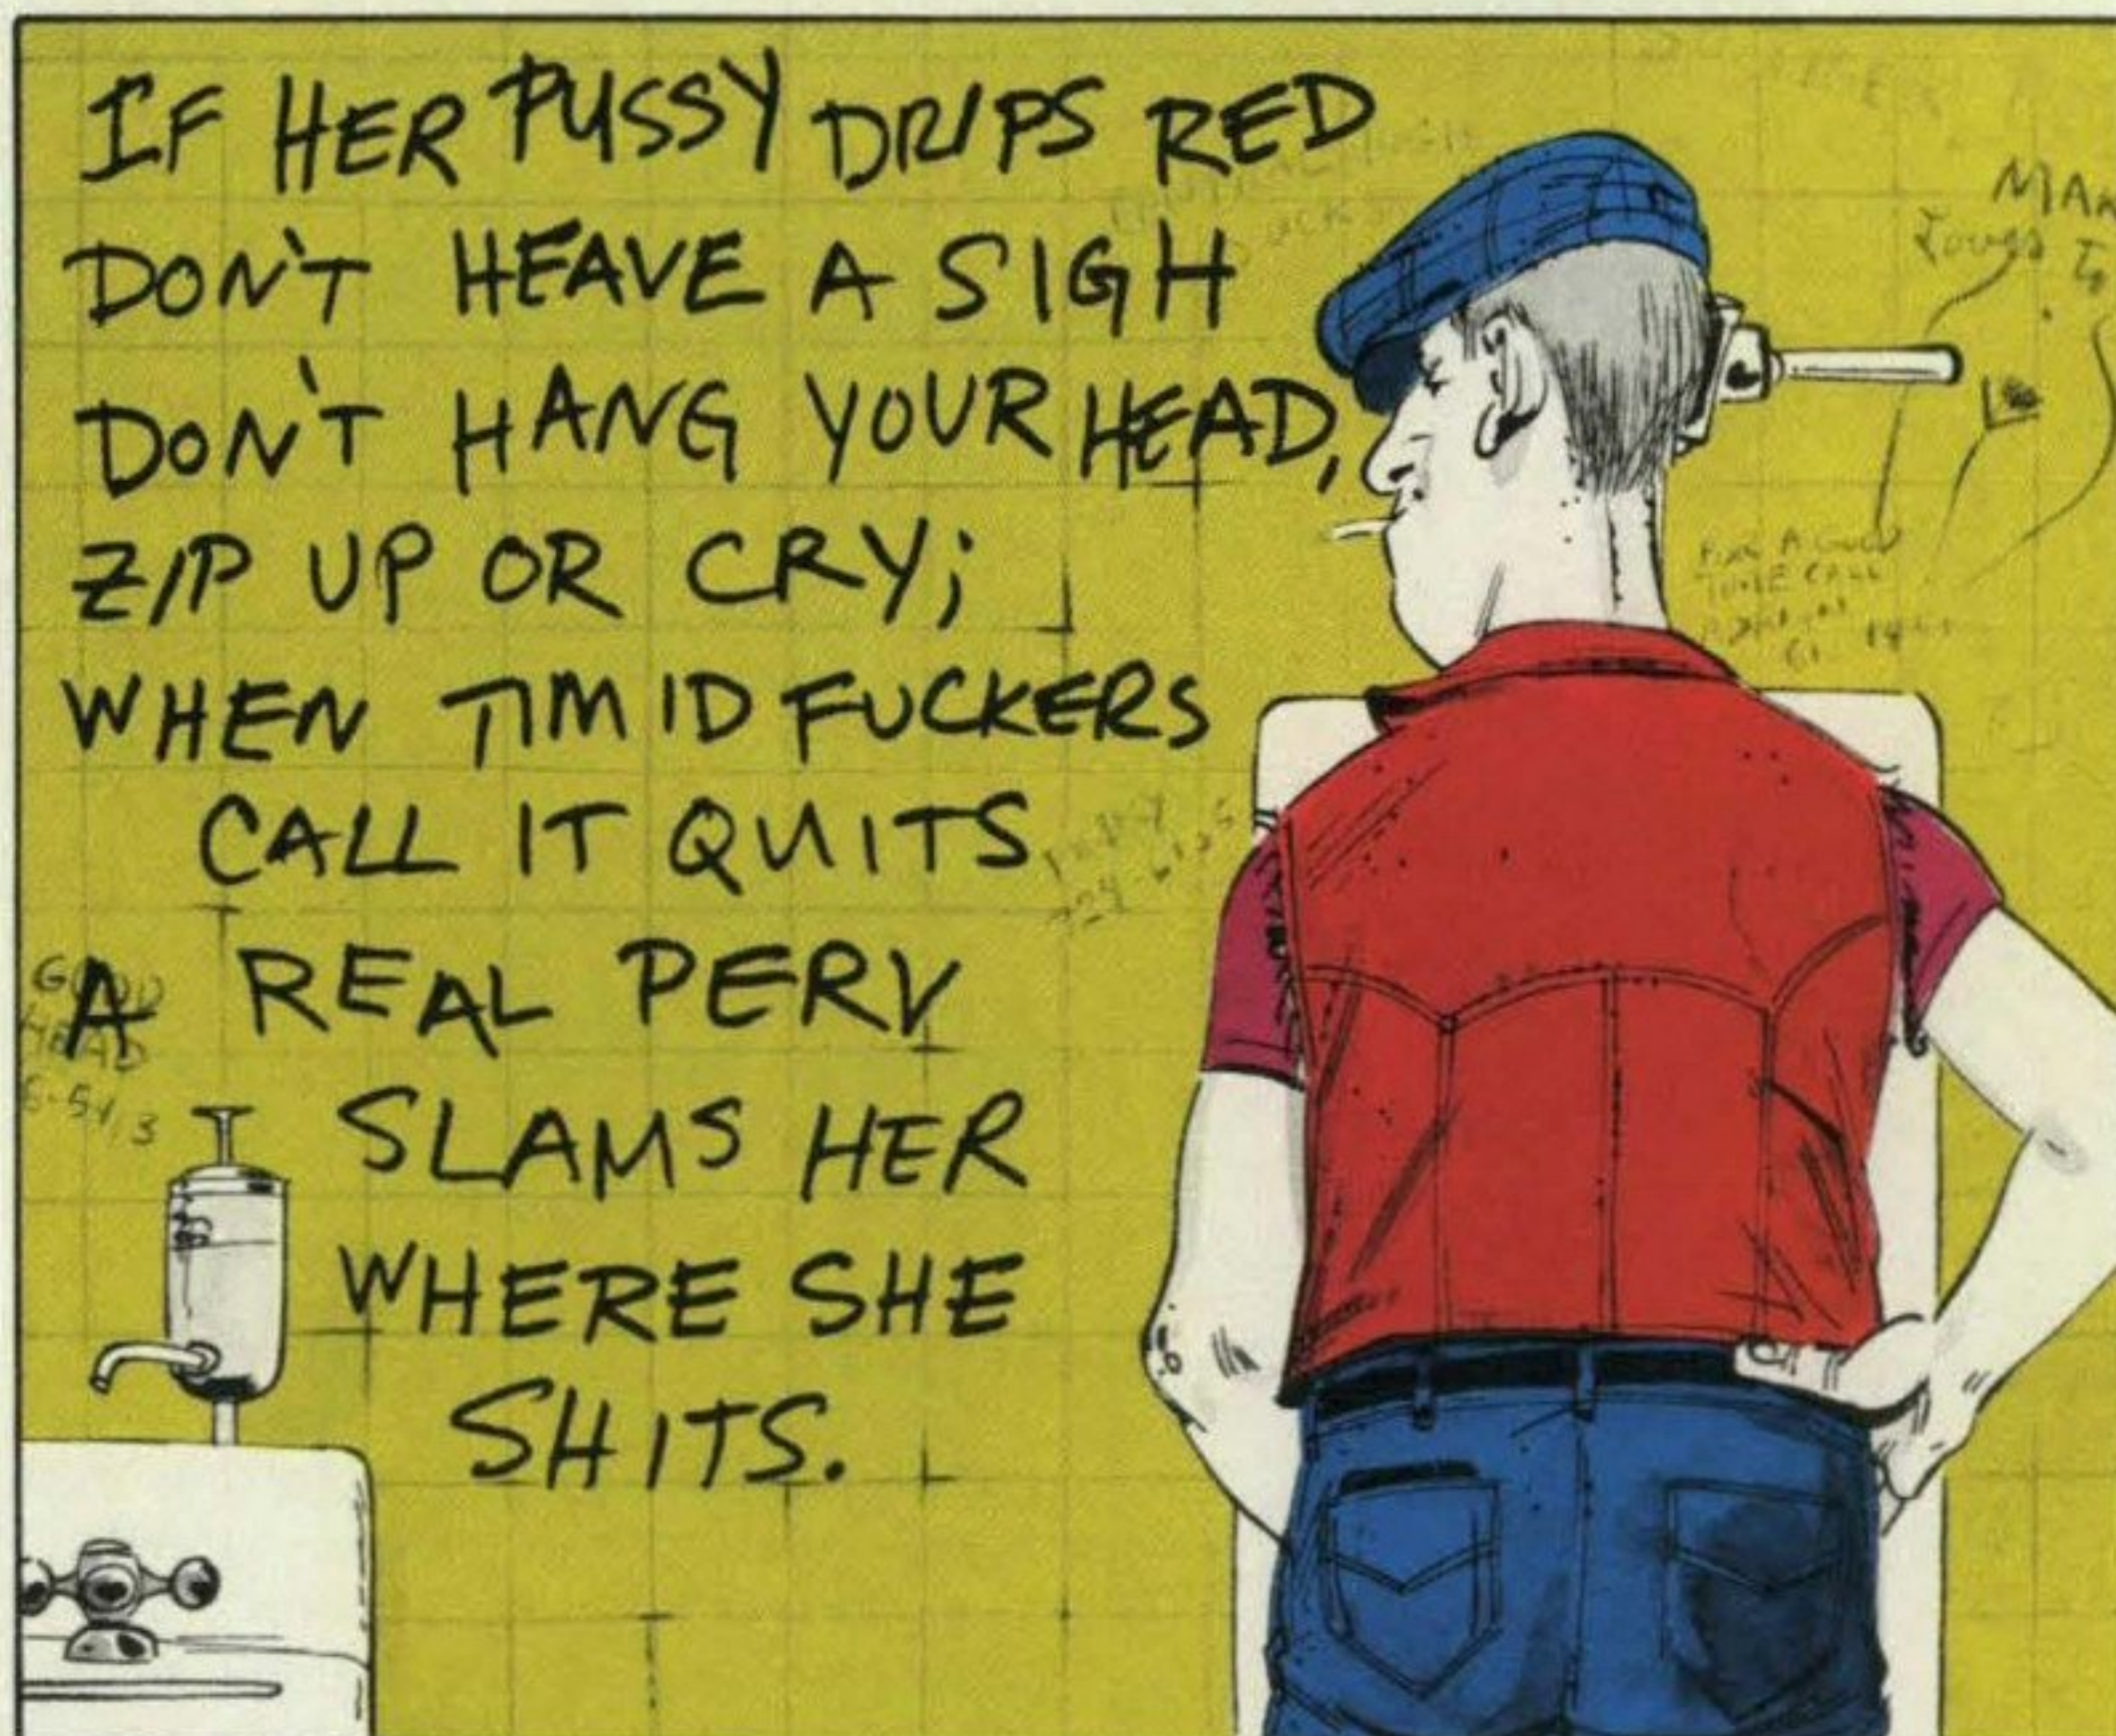

I'm a regular reader of *HUSTLER* and *HUSTLER*'S BARELY LEGAL. I've noticed a slight decline in the amount of piss photos in *HUSTLER*, and frankly, I'm concerned. I don't know what I'd do if *HUSTLER* stopped showering readers with tinkle. As a matter of fact, here are some recommendations for future pee pictures. Show a pretty young lady wet her cotton panties so the readers can see the moist bloom of urine soaking her undies. The ultimate shot would be a close-up of a girl jerking a hard cock while hosing the prick down with her perfectly shaved twat. Please make sure that the girls of BARELY LEGAL continue to shoot the gold as well. Teach them young; men like to see pee. —R. T. Waldorf, Maryland

China Gold

Just like the one and only *HUSTLER*, your new magazine, *HUSTLER*'S ASIAN FEVER, is another winner. My only complaint is regarding all the lovely, petite Asian women who try to Americanize themselves with godawful breast implants. Silicone jugs are bad enough on Caucasian women, but on tiny Asians they're grotesque. A good example is the porn star Asia Carrera, whose chest looks like skin stretched over two softballs. Asian women are naturally small-breasted. That's why we who love natural women from the Far East always buy ASIAN FEVER. Here's hoping that you and your models stay real. Also, how about adding an Asian version of *Beaver Hunt*? —G. L. P. Boston, Massachusetts

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

LOVES DARK MEAT

I live in one of the most extremely red-neck, Bible-thumping regions of the country. I especially love seeing black ladies grace HUSTLER's pages because women of color are basically all that I date. When my friends ask who I'm seeing, I'm dying to tell them, "the hottest little black Barbie doll in town," but I'm afraid of the ribbing I'd receive. I'm tired of letting my peers believe that I'm just not gettin' any. How can I convince the wise-ass crackers around me that the darker the berry, the sweeter the juice?

—A. S.
Tallahassee, Florida

Maybe you need to change the group of people you're hanging out with. If your current "peers" are a bunch of rednecks with whom you can't share the love of your life (or at least, the love of the moment), then they aren't truly your friends. Before you consider packing your bags and moving, understand that bigotry doesn't only exist in Bible-thumping, red-neck sections of America. Racism exists in even the most progressive metropolitan cities. Regardless of geographical region, the only way to combat a prejudice is to confront it. Tell your buddies the truth individually—not as a group—and allow the chips to fall where they may. Invite your girl to meet them, but definitely let her know what she may be in for first. If your pals give you a bunch of shit, flush them down the toilet and make some new ones.

HAIRY ARMPIT LADIES

Why do porn videos and magazines make the girls shave off their underarm

hair? Worse, why is this very sexy body part neglected in XXX videos? I've seen porn chicks peeing, fisting and jerking off dudes with their feet, but I've never seen a naturally hairy lady offer her sweet, sweaty, fuzzy armpit for her partner to hump.

—A. D.
Los Angeles, California

Mainstream videos cater to mainstream tastes, i.e., makeup, high heels, trimmed bush, and shaved legs and armpits. There's a fetish for everything, and of course, there is a niche market for all-natural, hairy ladies. Homegrown Video and Bizarre Video are but two companies that cater to esoteric tastes. Dig around a little, and you're bound to find yourself prick-deep in armpit hair in no time.

STRAIT-LACED BITCH

All my wife wants to do is make love. Frankly, I think lovey-dovey, vanilla sex is overrated. There was one week when my ol' lady put up with some heavy, kinky nipple play and ass torture, but now all we do is fuck like missionaries. I'm bored as fuck. We need to start swinging, but I know my bitch won't go

for that without some heavy-duty persuasion. Is there anything I can do to make my wife try more inventive sex tricks?

—J. G.
via Internet

First of all, your problem has nothing to do with your wife's sexual hang-ups and has everything to do with you. You sound less than sensitive. Maybe your wife retreated back into her sexual shell because you're a complete asshole! Role playing and kinky sexual endeavors have to be fun, sexy and hot for her as well. It sounds to me like you are an extremely selfish lover and are not interested in how your bedroom exploits feel for her. Perhaps your wife doesn't want to take sex with you beyond the missionary position because she wants to finish fucking you as soon as possible. Back up and take a good, hard look at yourself. Would you want to fuck you? I certainly wouldn't.

SWEET TOOTH

I've eaten my share of fur pie and know one thing for sure: I love the sugary taste of twat. The more excited my girl becomes, the sweeter her honeypot tastes,

Dear Slut

Even if your favorite anus is attached to a monogamous partner, rimming can still spread E. coli, cholera and other infections. Wash away any dingleberries before you put your tongue in her ass.

especially if I stop midscrew for a snack. When she comes in my mouth, her nectar tastes best of all. Is it just my imagination, or does pussy really taste sweeter as it lubricates?

—E. R.
via Internet

I can't offer you a chemical breakdown of girl jizz, though the saying "the juicier the pot, the sweeter the honey" must come from somewhere. Since the person that you are administering the tongue lashing to is someone you obviously care about, your brain may have found a way to make her snizz taste sweeter. Personally, I wouldn't try too hard to analyze your taste for pussy. My theory is, if it tastes good, looks good and feels good, eat it.

TENDER NETHERS

I consider pleasing my boyfriend to be a top priority in life. When he asked me to shave my muff, I happily obliged, but hair is growing back in places it never used to be, and I've developed ugly bumps. I never had to shave my bikini area before, and now it's a necessity. What's the deal? All the porn actresses seem to have nicely shaven twats. What's their secret?

—J.
Orlando, Florida

The first thing you should realize is that once you start to shave, hair's going to grow back rough, which makes continued shaving a necessity. Hot, soapy showers open your pores, allowing a closer shave. Always use a new razor, and never go against the grain. Pull your skin taut, lift your leg and shave from back to front, pulling your labia tight so you can shave in one smooth swipe. Stay away from any kinds of lotions, potions or astringents. Let your body dry naturally, and stick to cotton panties—nylon or polyester mixes will irritate your skin. You might consider wearing a skirt with no panties for a day or two so that your bare pussy can breathe easily; I've heard from some habitually pantiless women that banishing underwear from their wardrobe has reduced unwanted rashes considerably. If my formula for shearing your pubes doesn't work, you may consider looking into electrolysis, a process I also suggest for men with hairy backs.

BALLOONING BUTTON

Recently, I broke out some old pornos to check out one of my faves, Vanessa Del Rio. I noticed that in her older movies, she had a normal-sized clit but seemed to develop a "whopper" like Holly Ryder's as time went on. Did Vanessa have a cli-

toral implant, or is there some sort of exercise that girls use to pump their clits up from pea-sized to thumb-sized? —J. G.
Gilbertsville, Kentucky

As far as I know, the lovely Vanessa has always been well-endowed. In all my travels, I've never heard of a love buzzer exercise. No amount of fucking would cause a clit to grow either; the theory that the more sex, the more partners, the looser the twat also applies to the love nub. As with all body parts, natural growth may occur, but those kinds of spurts are usually relegated to adolescence and old age. The answer may be as simple as this: During the past several years, Vanessa's clitty has remained the same while your TV screen has put on a couple of inches.

SALAD TOSS-UP

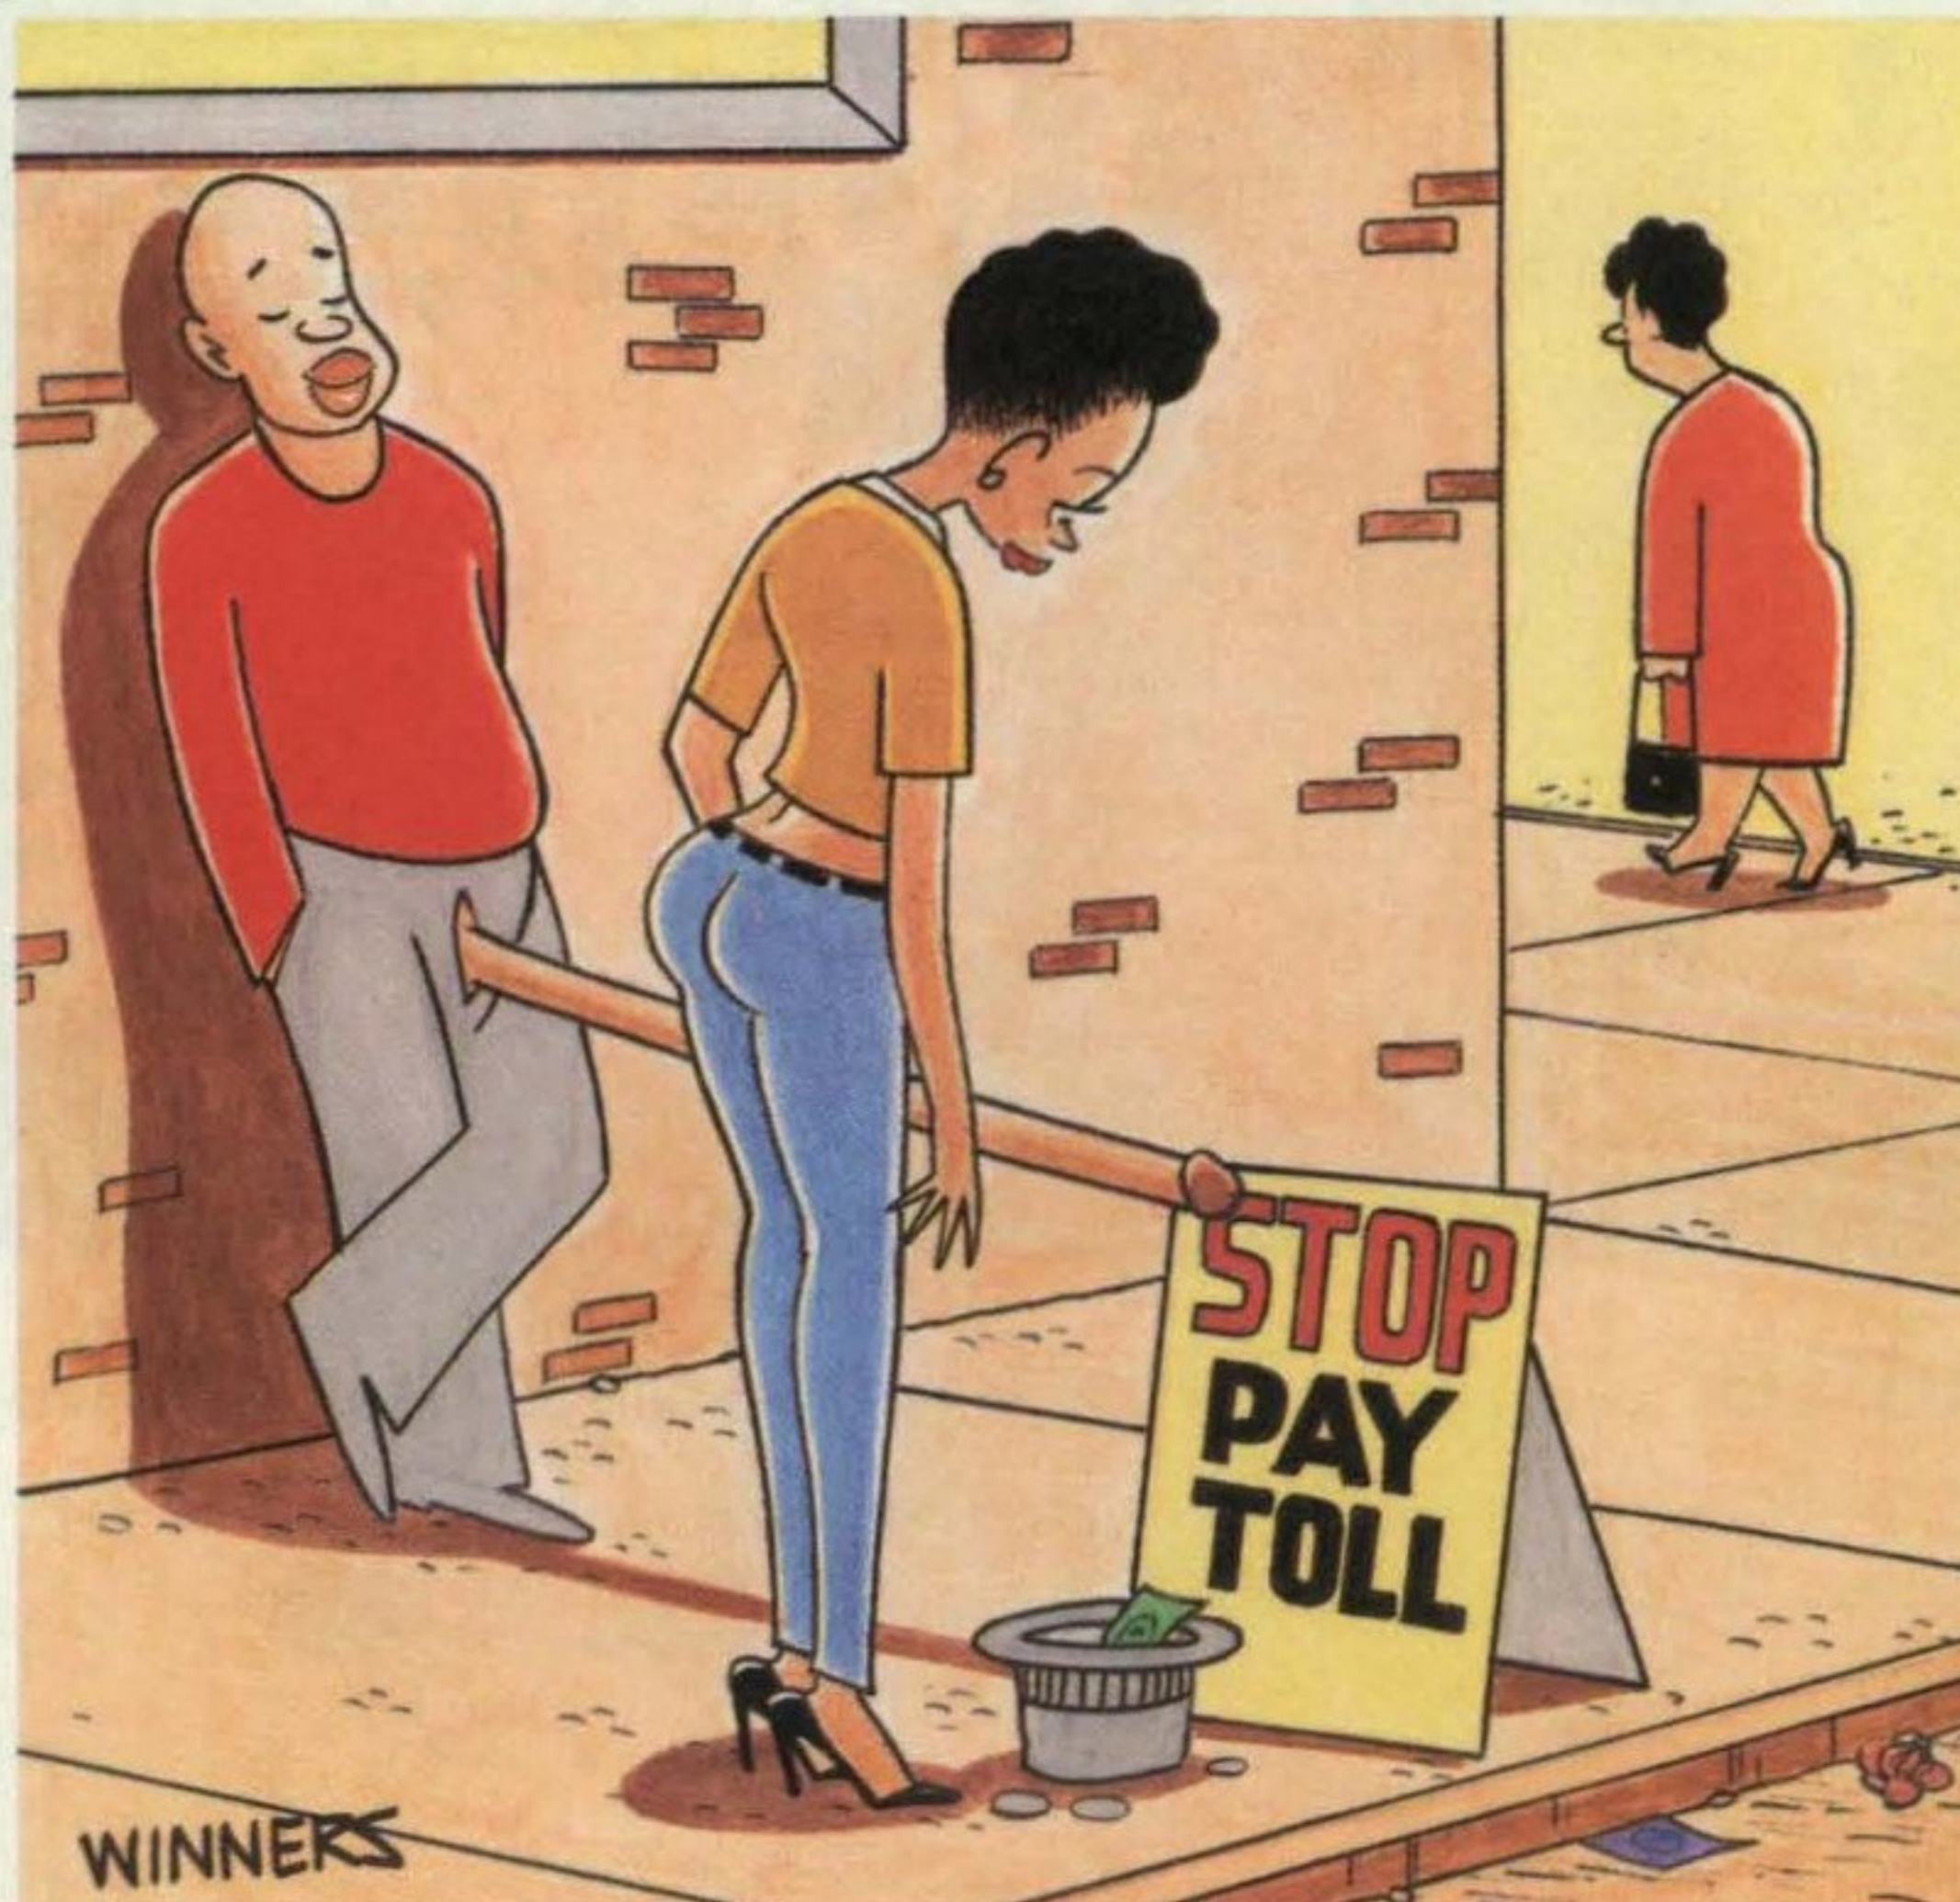

Every day when I come home from work, I snag the cherry-flavored lube, pour it all over my wife's perky little pooper and slurp every drop from her winker. Sucking my wife's ass is one of my favorite pastimes. Recently, I caught my honey on the john in the middle of a crunch. I picked her up and licked her browneye clean. She loves the feeling of a good rimjob but worries that I'm a nasty pervert. My wife even went so far as to suggest that I see a shrink. Is my love of ass a serious problem, psychologically, hygienically or otherwise?

—K. B.
via Internet

I would certainly worry about the hygienic aspect of rimming. Ingesting fecal matter puts you at high risk for bacterial, parasitic and viral infections. Even if your favorite anus is attached to a monogamous partner, the presence of shit can still spread E. coli, cholera, Giardia and many other infections. Keep the physical portion of your butt obsession healthy by washing away any dingleberries before you put your tongue in her ass. If your behavior is truly freaking out your wife and putting a strain on your relationship, I would suggest visiting a sex therapist or talking together with a marriage counselor to get to the bottom of your habit.

ALEX AND PAULETTE SEX IN THE STICKS

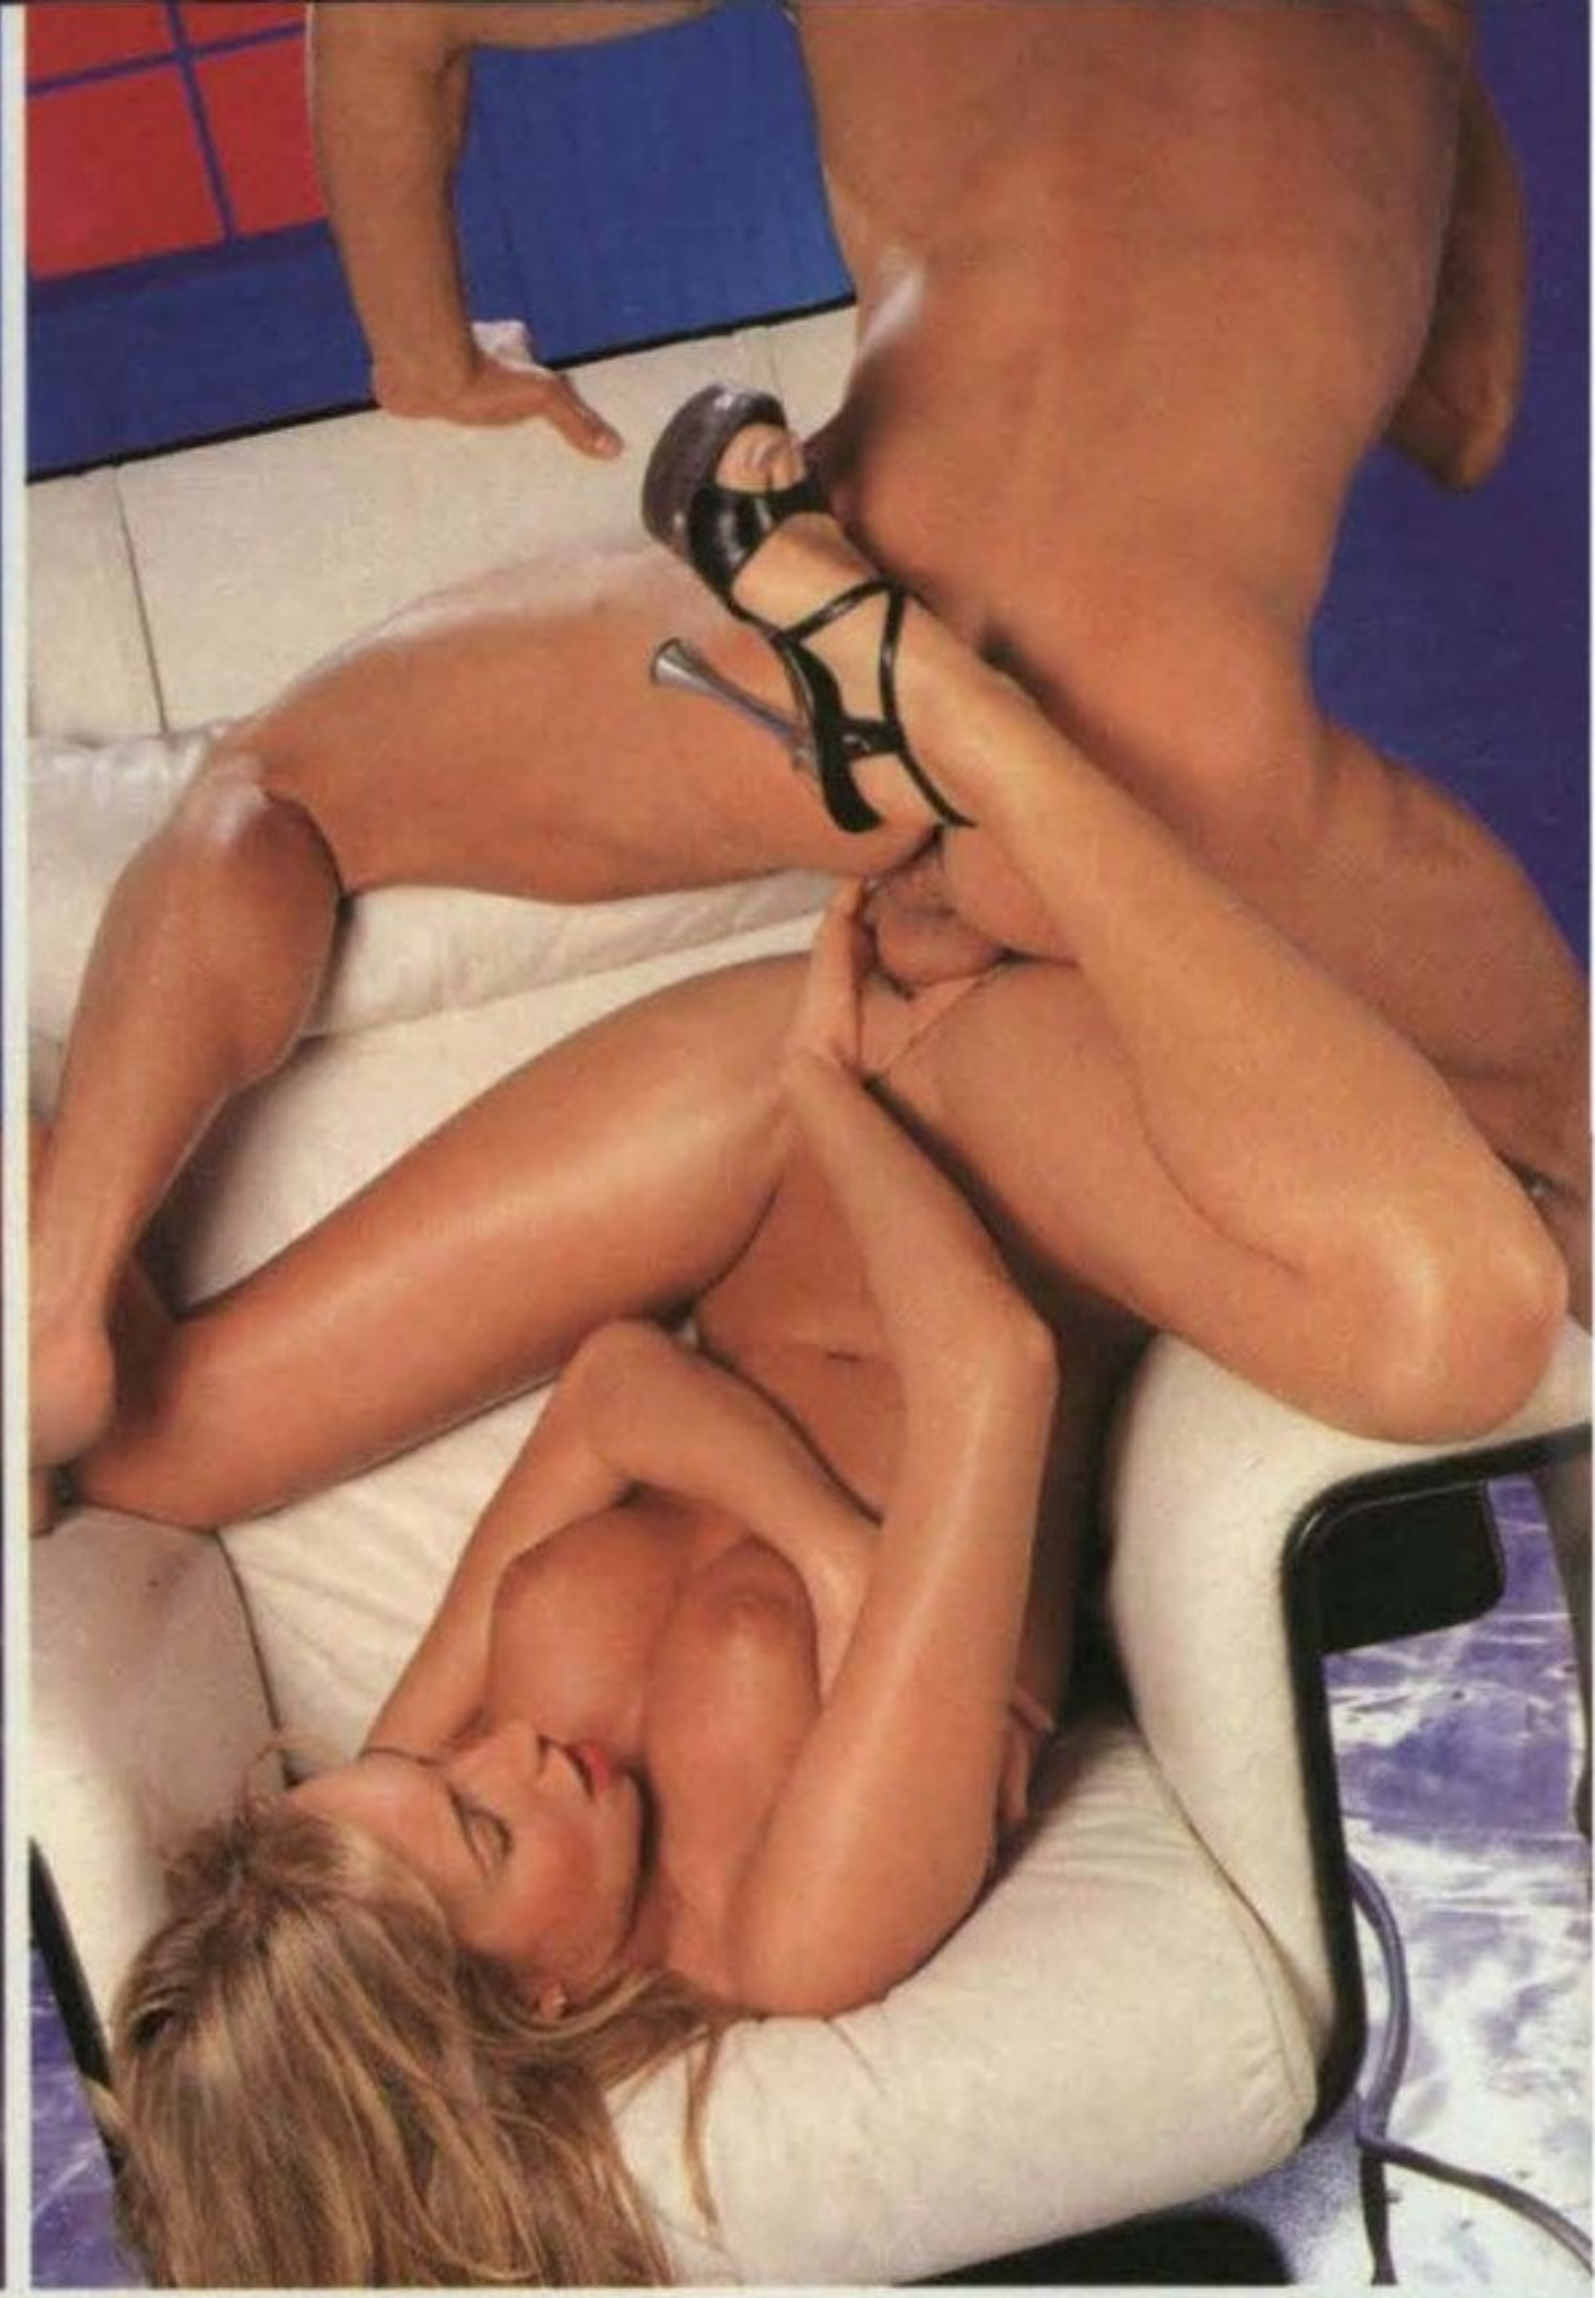

PHOTOGRAPHY BY MATTI KLATT

“We’re supposed to be enjoying the great outdoors,” giggles Paulette, reacting to Alex’s probing of her dripping cooze on the polished hardwood floor of a countryside chalet. “So far, we haven’t left the bedroom.” Paulette’s milk bags heave with sweat as Alex jackhammers her twat with his veiny prong. “We haven’t even unpacked our skis,” laughs Alex, his hands gliding down Paulette’s slippery peaks. Gripping her man’s pole, Paulette spurs an avalanche of gonad goo. “I think there’s something in the air out here,” she sighs. “It just turns us into a pair of insatiable country fucks.”

Collecting XXX

As I was browsing through the latest HUSTLER, a question came to mind: How can I order back issues of HUSTLER XXX? I love the ultrahard photos but can't find the earlier editions in my hometown. I used to have the address for back issues, but I lost it; could you print it again?

Notes From the Trenches

I was impressed by the article about porn star relationships in the July 2000 issue (*Love Is a Many Plundered Ass Ring: The Romantic Lives of Adult Film Stars*), but I felt that your article focused too much on the glamour and glitz of the adult-video world. I'd like to add some comments since I have some firsthand experience. I'm a stripper traveling the country with a private-dancer service. A couple of years ago, out of wild adventurousness, I did a few porn videos. My first scene felt kinky and exciting. By the third time, I felt like an idiot for letting myself be exploited, and quit the game. During my short-lived XXX career, I learned that there is absolutely nothing "normal" about being a porn performer. Whether you like it or not, porn is an exhibitionist form of prostitution. If you chose to be there and like being there, that's your business. Hard-core performers should realize, though, that their career presents the same difficulties regarding intimacy that any prostitute would face. Every ride has a price. The biz of hard-core sex for money exacts a heavy toll. Why should that come as such a surprise?

—K. B.

New York, New York

Sounds like fucking for cash rubbed you the wrong way. To be fair, stripper relationships aren't exactly normal either. Women who spend their evenings milking

tips in exchange for a flash of flesh must tend to perceive men as drooling, leering ATM machines. And it must be a bummer for a guy to date a chick who's conditioned to expect a fin every time her blouse slips off her shoulder. Sorry that your brief porn career was a bust. Luckily, plenty of hot women don't share your opinion.

Black Love

As a connoisseur of interracial porn, I was especially intrigued by Candy (Beaver Hunt, June 2000) and her desire for a ride on the cocoa banana. I beg HUSTLER to do the right thing and make Candy's dream of fucking and sucking a black

cock come true. Please put the gorgeous blonde in a pictorial. Scratch that—video-tape Candy's first happy meeting with a black man. I'd buy that tape in a heartbeat. I implore you to give me more Candy, or at least send me her address so I can ask her to marry me.

Booby Trap

THREE-QUARTERS
ERECT

Directed by Veronica Hart;
starring Nikita, Vicca, Nina Hartley, Sindee Coxx,
Christi Lake, Dale D'Bone, Joel Lawrence,
Ian Daniels, John Strong and Tony Tedeschi.
Videocassette: VCA Platinum Plus.

Sultry fembots set a *Booby Trap* and wind up snagging a load of fresh gash and snaking cock meat. When government scientists Dale D'Bone and Nina Hartley need to weed out a secret-selling mole, they unleash man-made women Nikita and Vicca. With their rusty English and perfect bodies, this duo is completely believable as a pair of robotic sex dolls, looking and acting like they were made for fucking. D'Bone decides to test his creations, ordering the bangdroids to slurp his schlong. Vicca and Nikita swallow his meat, bobbing with clockwork precision. Dale tells Nikita to lick Vicca's clit; like a good cyber slave, the robotic twat laps the slit with gusto. D'Bone porks Nikita's twat while Nikita fingers herself. Dale samples every hole, sliding his dipstick into Vicca's pert little pooper. Programmed to please, Nikita and Vicca milk D'Bone's rod, then luxuriate under a shower of ball oil, squeezing Dale's dripping prick between their cheeks and wringing it dry. This goofy flick sprinkles a helping of corny jokes à la *Airplane!* amid the pussy-stroking action. Thanks to this mix, *Booby Trap* spurs more groans than *E. coli*. Luckily, most of them are groans of pleasure.

Houston's Online Labiaplasty

After years of dissatisfaction with her oversized pussy lips, gang-bang bombshell Houston opted to crop the troublesome flaps with a \$3,000 labiaplasty operation on Saturday, April 15. Keeping with her trend of capturing every one of her outrageous stunts on tape, Houston invited a camera crew along when she

went under the knife. The proceedings were broadcast on Kara's Adult Playground (karasxxx.com). Plans for a video release are still up in the air.

Asked why she wanted a new twat, Houston noted that her dangling lips often became swollen and irritated during sex. The overgrown beef flaps' tendency to droop out of her bikini when she danced onstage also helped Houston in the decision—as did, no doubt, a labe-snagging zipper incident that nearly derailed her record-breaking Houston 500 gang-bang last year. Before her life in the adult world, Houston perceived her genitals as “normal,” but once she started seeing other pussies, she realized that “smaller labia look prettier.”

In Houston's case, the process was twofold. Stage one included trimming her large labia minora. The second step was to fatten up her anemic outer lips to create a plumper, “camel-toe” effect by injecting fat from other parts of her anatomy into both sides of her mound. Mining cellulite from Houston's inner knees, underarms and back waist, the good doctor managed to scrape up a twat's worth of filler.

“It was pretty raw,” admitted Houston protégé Kevin Blatt of the Web cast, “but overall very informative for women who are interested in this type of thing.”

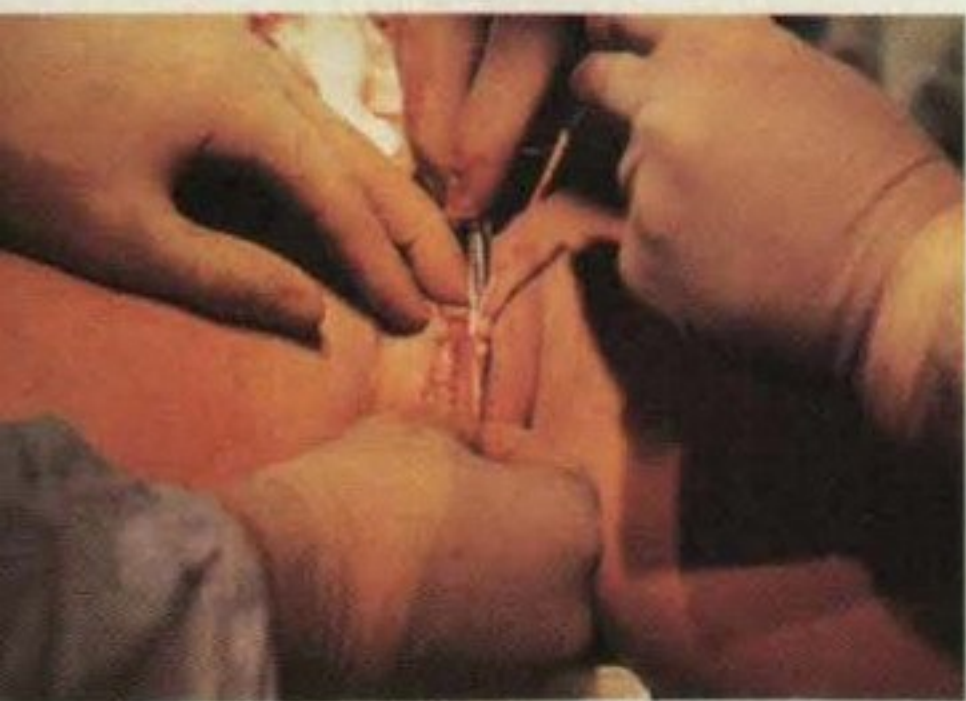

Doctors warned Houston not to use her new quim for the six-week healing period. Until then, Houston will shake her moneymaker on the dance circuit. When the time comes to test-drive her tighter, more streamlined cooze, it probably won't be in a gang-bang. “I'll let Brad break it in,” Houston quipped, referring to the fanboy-turned-beau who she accompanied to a much-publicized senior prom last year.

Pornological #4

THREE-QUARTERS ERECT

Directed by Camera Guy; starring Bobbie, Charlene Aspen, Mariah, Envy, Kaylynn, Jezaree, Nacho Vidal, Dale D'Bone, Vince Vouyer, Eric Everhard and Robbie. Videocassette: Odyssey Group Video.

Pornological #4 pairs television parody with twat-rocking action to improbably successful effect. When a porn director, whose sole purpose is generally to lodge a camera in a swordsman's ass crack, delivers a well-executed mixture of comedy and carnality, kudos are in order. Apparently humble helmsman Camera Guy kicks the video off with a hilariously accurate *Six Million Dollar Man* parody, following it up with a steaming genital tango between Nacho and the lovely Mariah. Nacho face-fucks the spunky brunette before chowing on her delectable snatch. Thus replenished, Nacho flips and fucks Mariah in every position imaginable, then repeats the carnal feat. During a pause between bangs, Vidal admires Mariah's puckering bunghole and finally fires a load of spum at the object of his affection. Nut balm slathers Mariah's winking pooper and drips down her clam. Successfully skewering well-known shows and soon-to-be-famous pussy, *Pornological #4* is a sure-fire shot for jaded strokers.

Down the Hatch #2

FULLY ERECT

Directed by Mike John; starring Daniella Rush, Alana, Bronze, Ginger Lixx, Mirage, Kurious, Eric Everhard, Vince Vouyer, Mr. Marcus, Jon Dough, Lexington Steele and Mike John. Videocassette: Diabolic.

Six cum-starved tramps swallow 30 pop-shots in *Down the Hatch #2*. The rules of this jizz-gargling vid are simple: absolutely no spunk dodging allowed—not that these girls need to be told what to do with a batch of ball grease. “Yay, I get to swallow cum today!” cheers spunky, blond Alana before happily slurping

down seven ball blasts. A trio of cocks ream Alana's slender body from every angle. One at a time, the blonde stokes man meat until it squirts hot payload onto her tongue. When every last drop of protein has been wrung out, Alana quaffs the batch like a tequila shot, then licks up any stray globules that splattered her tits or face. With round one over, Alana works up the three studs until they come again. Subsequent splooge-drunk floozies follow suit. Multiple joints spray seed down the throats of the comely young lasses. Later, each girl returns for additional blowjobs and sex scenes, adding welcome unpredictability to this gonzo guzzler. Expertly shot and executed, *Down the Hatch #2* proves that nice girls suck, swallow and always ask for seconds.

Empath

HALF ERECT

Directed by Bud Lee; starring Tina Tyler, Adajja, Brooke Hunter, C. J. Bennett, Devon Wolf, Alec Metro, Anthony Crane and Jack Hammer. Videocassette: Metro.

As the *Empath*, Tina Tyler knows that everyone wants the same thing: a good fuck. Tyler helps blueballed loners who yearn to screw but don't have the moxie to seal the deal. In the flick, Tyler's gift is her ability to make people drop their inhibitions. In real life, Tyler's greatest asset is her rare mix of slutty attitude and smarts. “Maybe you need the right kind of woman—one that's intelligent, attractive and sexually perverse,” Tina purrs as she works her mojo on Anthony Crane. The raven-haired beauty wraps her lips around Crane's bone before sliding her labes over his pony and galloping furiously. Crane pile-drives Tyler's weeping gash, then sprays her chest with jizz. Later, Tyler helps bartender Adajja realize her true calling—that of a pussy-crazed carpet-muncher. Though Tina always sizzles, this vid's harsh lighting and poor direction make Tyler and her costars look greasy and exhausted. Shoddy production and by-the-numbers boning give *Empath* the sloppy, rushed feeling of a forgettable quickie.

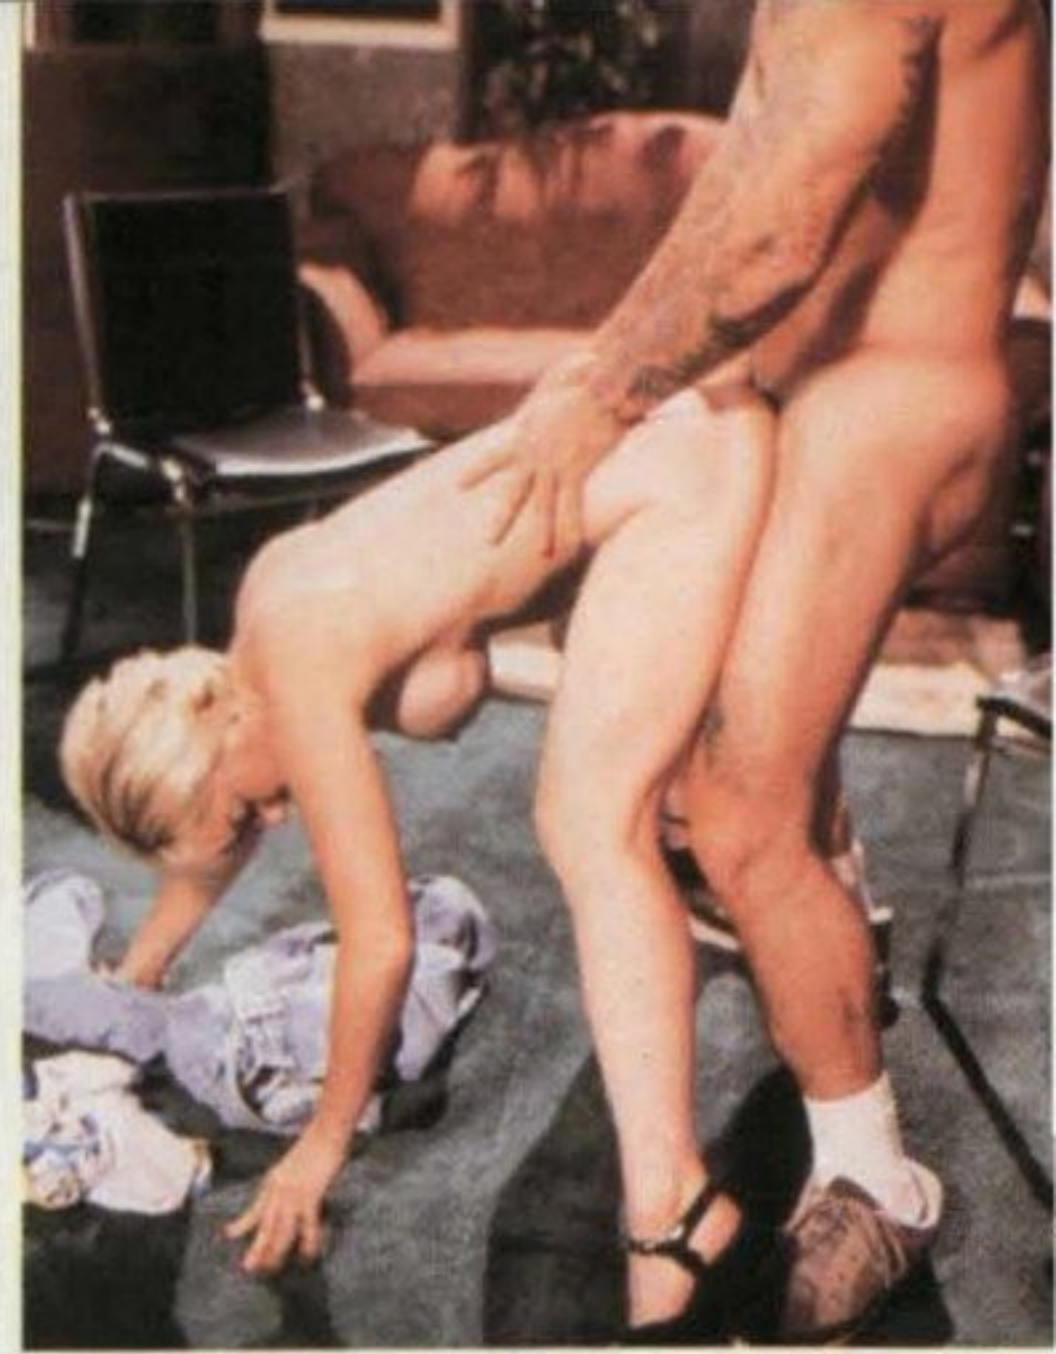

—N. V.

PORNOLGICAL #4:
Aspen fucks Everhard cross-eyed.

DOWN THE HATCH #2: Mirage dines below the belt.

EMPATH: Searching for a contact lens, Bennett finds her inner whore instead.

Cumback Pussy #26

HALF
ERECT

Directed by Dion Giarrusso;
starring Jill Kelly, Sabrina Johnson,
Elle, Jasmin St. Claire, Annabel Chong,
Kianna Bradley, Jeannie Rivers, Alex Sanders,
T. T. Boy, Earl Slate and Julian.
Videocassette: Elegant Angel.

Gang-bang angels vent pent-up aggression on an inflatable fuck doll in *Cumback Pussy #26*. When confronted with the air-filled effigy of their onetime director and mentor John T. Bone, former rivals Annabel Chong and Jasmin St. Claire unite to assault the plastic prick. "Let's be reasonable," the latex man begs via an offscreen faux Brit accent. Annabel and Jasmin offer no quarter, triple-penetrating his rubber rectum. "You're a washed-up producer," Chong spits. Jasmin fucks the pseudocock, rambling about bad business, bounced checks and Bone's need for Viagra. More of a rant than a fuck scene, the deranged duo's display of outrage and frustration is a real head scratcher. Little effort is given to stimulate boners during this bizarre girl-on-girl-on-balloon scene. Fortunately, cooler heads prevail when focused, self-actualized fuckers such as Jill Kelly and Sabrina Johnson hit the scene for some no-nonsense knocking of the boots. Thank God that the rest of the girls in *Cumback Pussy #26* are as good at milking balls as Annabel and Jasmin are at busting them.

Hook Ups

ONE-QUARTER
ERECT

Directed by Mark Stone;
starring Vylet, Anastasia Romanov,
Selena Del Rey, Delaney Daniels, Mia Smiles,
Lauren Legends, Kaylynn, Vivian Valentine,
Julian St. Jox, John Strong, Trey
Hunter, Brick Majors and Evan Stone.
Videocassette: Vivid Video.

When Vivid asks ten stars who they want to screw, arranges for the *Hook Ups*, then films the pairings, the results are less than stellar. Learning *why* a stud or starlet wants to bone a particular person has the potential to be intriguing, enlightening and incredibly hot. Sadly, the dirt-dull interviews that set up the scenes make each shag as limp and generic as the last. "It's about time," Julian St. Jox moans before introducing Vylet to his flagging soft-on. Vylet slurps Julian's snake but is unable to stiffen his serpent. Julian's rod slithers into Vylet's quim anyway, cork-screwing her tuna trove limply. St. Jox labors with his tool, desperately spanking his unresponsive spout while Vylet waits patiently for a dose of Julian's ball batter. After a seeming eternity of frantic jerking, Julian finally spurts an anemic smattering of whaz on Vylet's cheek. Vivian Valentine serves up the only scene that really smolders. When the spunky anal queen takes on Evan Stone and Brick Majors, there's no denying that Valentine belongs at the top of every swordsman's must-screw list. When sex pros pick their partners, the results should be explosive; too bad most of the bangs in *Hook Ups* are duds.

—N. V.

VHS Passes the Torch to DVD

Everyone knows that porn freaks are among the first consumers to adopt any new technology. The boom of Internet smut attests to the modern-day mook's desire for more efficient means of filth delivery. Following this trajectory, instant-satisfaction-providing Digital Video Discs (DVDs) are the most rapidly growing market for dirty movies, seemingly poised to usurp the soon-to-be-obsolete videocassette.

At press time, six million DVD players have been sold, and hardware-sales figures are nearing 500,000 units per month. Now that DVD has proven itself to have more longevity than Beta or Laser Disc, many adult-video companies are joining the fray and presenting their best smut on the new format. VCA, Metro, Elegant Angel, Wicked, Private, Legend and many other labels are scrambling for a chunk of the viewer's digital dollar.

In coming months, a flood of boner-busting releases promises to convert the tape head to a full-fledged digital wanker. Vivid, the forerunner in DVD smut with a whopping 400 titles already available, ups the ante by adding even more features to

their discs. Puzzles and games augment *Dyanna Lauren's Interactive Body Parts*, a disc that allows the whacker to select a girl, choose which way he wants to see her fuck, then watch the action from whatever angle he chooses. Upcoming plans for the line include a first-person, interactive orgy and the inclusion of a bonus disc featuring four extra hours of pre-views. Metro video has also begun shooting their features with DVD in mind, snagging plenty of extra behind-the-scenes footage, interviews and angles to juice up their future releases. Notable on Metro's roster is a double-disc *Nothing to Hide* set that boasts never-before-seen screws. HUSTLER's long-awaited DVD debut comes in the form of the best-selling legal-teen epic BARELY LEGAL, with full-on digital versions of HUSTLER XXX to follow close behind. With new titles increasing as steadily as DVD-player prices are dropping, the digital raunch revolution will definitely be televised.

Essentially Dee

ONE-QUARTER
ERECT

Directed by Mark Stone; starring Dee, Juli Ashton, Shayla LaVeaux, Keri Windsor, Lola, Rayne, Bolivia Samsonite, May, Ginny, Rob, Jack, Mark Anthony and Julian St. Jox.

Videocassette: Wicked Pictures.

Essentially Dee clobbers the unsuspecting stroker like a hockey stick to the face. The video starts promisingly as a quartet of quivering cooze gathers for snatch-lapping fun. Keri Windsor has a mind-blowing meltdown as she straddles a humming Sybian (essentially a dildo hooked up to an outboard motor). Then it's off to Budapest, Hungary, for "gonzo" scenes of Eurosluts demonstrating their pud-sucking and fucking skills on doughy Eurotrash goons. This standard fare completely arouses until Dee decides to let real-life husband Rob drill some foreign-born gash. When Dee grows uncomfortable with the proceedings and leaves the room, her hubby happily continues humping away. The entire post-bang confrontation is taped for the alleged benefit of the viewer. Every anguished silence, suppressed tear and awkward attempt at discussion sucks the life out of one's blood bone. Does Joe Porn-Viewer really want to be reminded of the agonizing mistrust and pain of true-life relationships? Are couples aching to witness the sight of a relationship imploding? Fuck, no; *Essentially Dee* is essentially worthless. —Clive Thurstwood

Fleshtones

ONE-QUARTER
ERECT

Directed by Michael Raven; starring Linda Thoren, Jessica Drake, Jennifer Raven, April, Evan Stone, Lexington Steele, Earl Slate, Vince Vouyer, Tony Eveready and Brick Majors. Videocassette: Sin City.

Fleshtones's box cover claims that its contents were filmed in DTX Eurovision and recorded in DTX Surround Sound. Curiously, the tape inside looks and sounds more like a crappy Rush video circa 1982. No matter how hard its creators try to dress up this sorry quintet of fuck vignettes, this production's only bragging point is

the sight of Lexington Steele's gargantuan blacksnake slipping into Linda Thoren's flexible fuck tunnel. Bottle-blond Thoren handles the colossal prong admirably and heroically tries to mash what she can down her throat. No time is wasted on dialogue or plot contrivances, but all of the subsequent gash probings are completely routine. Eurovision seems to mean that Vince Vouyer fucks April in a lime-green jail cell. Linda Thoren reappears to lie on a motorcycle and take a fucking from two sweaty oafs. Tony Eveready brandishes a billy club while he stuffs Jennifer Raven's box. The goofily ominous soundtrack only worsens matters for disappointed jerkoffs. For all of its colorful posturing, *Fleshtones* won't be making any palms rosy. —C. T.

California Cocksuckers #14

HALF
ERECT

Directed by Devon Sapphire; starring Allysins Chaynes, Shay Sweet, Amanda Rein, Dayton Raynes, Nikki Anderson, Mia Smiles, Vivi Anne, Sabrina Johnson, Kristen and Gia. Videocassette: Sinister.

California Cocksuckers #14, the latest tribute to the magic of knob polishing, offers a mixed bag of tonsil-tickling tramps plying their wares. The first dong-stuffed trap belongs to Allysins Chaynes, whose charisma is as dead as the Seattle music scene her *nom de fuck* pays homage to. Giving more attention to the camera than to the man root sprouting in her face, she sets low expectations for the ensuing adventures. Luckily, beef batons bounce back in the next scene, during which prick-hungry pixie Shay Sweet gags and gurgles her way to a nut-butter basting. Amanda Rein drools sheets of sputum on an eager pogo stick, but her subject delivers one of the weakest cumshots ever captured. This inconsistency sets the tone for the entire tape; for every strength, there is a contrary weakness. Despite a strong stable of sluts, including Euro-nymph Nikki Anderson, the rote quality of the blowjobs and distractingly loud offscreen noise make *California Cocksuckers #14* somewhat sucky. —C. T.

ESSENTIALLY DEE:
Lola, licked.

FLESHTONES: *Majors and

The Watcher #6

Directed by Robby D;
starring Kenya, Kitten, Layla Jade,
Chocolate, Shaena Steele, Alexis, Dyn-A-Mite,
Bobby Vitale, Steve Taylor, Eric Everhard,
Joel Lawrence and Vince Vouyer.
Videocassette: Vivid Raw.

Oddly, the orgy-hosting health club of *The Watcher #6* has blinds hanging on the *outside* of its windows. That's so "the watcher" can pry open the blinds with two fingers as he uses a camcorder to capture the scenes of sweaty carnality going on inside. There, cockney cooze Layla Jade has her pooter fucked into a gaping maw by Steve Taylor while a rapt Shaena Steele watches. Later, glandular greaseball Bobby Vitale fucks a lost-looking Kenya and nearly rips his own dick off while stroking to a sloppy facial finish. Eric Everhard joins Vitale for a locker-room session with the petite Alexis and her crudely inflated casabas. They thoroughly plug every orifice on the little slut and go in for a nasty double-anal where Vitale is definitely rubbing up against Everhard with too much enthusiasm. For those who make it past Robby D's embarrassing directorial flourishes and a couple of forgettable scenes, *The Watcher #6* provides some sights worth seeing. —C. T.

THE WATCHER #6: *Aiming high isn't always a virtue; note how this woodsman misses an easy target.*

A Holes #2

ONE-QUARTER ERECT

Directed by Jeffrey Wolf; starring Brigitte Kerkove, Zoe, Inari Vachs, Sabrina Johnson, Silvia Saint, J. J. Michaels, Simon Templar, Pat Clifford et al. Videocassette: X-Traordinary Pictures.

Well on its way to being Fully or at least Three-Quarters Erect, *A Holes #2* is ass-raped by the dreaded production snafu. Instead of finishing off with helpings of raven-haired Sabrina Johnson or golden-tressed cooze Silvia Saint, a production fuckup results in the innocent stroker being assaulted by dated footage of Rodney Moore routing some pudgy, limey skag's bung. Adding insult to injury, early '80s footage of what looks like Sheila E.'s mutant cousin being pounded by a roadie for Prince follows. That said, the work of Brigitte Kerkove merits fist-pumping recognition as she follows up a double vage probe with a pair of dongs in her shitter. After a nice double-teaming tryst featuring Zoe, Inari Vachs makes one of her patented crotch-stiffening cameos. This flaxen-haired fawn is one of the hottest performers around. Even a porn stud who talks like a peeved Charles Nelson Reilly can't detract from her artistry while she gags gallons of sputum onto his raging bone. Were it not for the aforementioned disaster, *A Holes #2* could have been A-number-one. —C. T.

FILTH PARADE: Shauna and Zarina's variation on the baton-twirling routine.

Filth Parade

ONE-QUARTER ERECT

Directed by Slain Wayne; starring Bethany, Gia Regency, Vanessa Blue, Zarina, Shauna Edwards, Luciano, Mark Woods and Brandon Iron. Videocassette: Armageddon Entertainment.

Sadly, *Filth Parade* is completely devoid of an all-slut marching band strutting down Main Street. Instead, as the folks at Armageddon promise, this title features four scenes of nasty, gaping "filth pigs" doing what they do best. Not all of the filth pigs prove to be repulsive hags. Following a tool-softening fiasco

featuring tattooed skank Bethany, Vanessa Blue makes viewer interest rise. Hungrily sampling Luciano's blood sausage, Blue slips his scrotum pole deep in her clean-shaven, chocolate snatch and rides him, her inflated fun sacks thrashing away. The stroker's resolve sinks again when fossilized cooze Zarina gnaws on some anonymous goober's pud. The tape finishes up with a catfight coupling of Shauna Edwards and the distractingly stupid Zarina. Not even this energetic girl-on-girl toy fest can stop the cold rain that falls on *Filth Parade*. —C. T.

DICK CHICK

The pervert psychoanalyst Sigmund Freud hatched the notion of penis envy—something about women feeling inadequate and resentful when they realize that they don't have cocks. I remember a teacher in my high-school Western Civilization class mentioning the silly theory. Everyone snickered, including me. At the time, I thought it was pretty fucking funny. Later, I lost my virginity and realized that Freud's theory wasn't so hilarious in that it applied to me. In 12th grade, clumsily coupling with Reid Powell under the gym bleachers, the sudden shock of penetration incited an unsettling revelation: I don't want a dong ramming my hole—I want to fuck others with my own meaty schlong.

Deeply disturbed by my alarming realization, I dumped Reid Powell mere hours after he busted my cherry and spent the rest of my senior year brooding. I quit the drill team and shunned the prom. I couldn't figure out if I was a dyke or a man trapped in a hot, 18-year-old girl's body. Before realizing that I coveted a cock of my own, I would spend hours stretched out on my bed, fantasizing about big, firm dicks sliding in and out of my tender young snapper. I'd diddle my wet little clam, longing to suck a whopping log and feel it tickle my tonsils. After my epiphany, I didn't even want to masturbate, knowing the act involved sinking fingers into my dark and abysmal little pouch instead of wielding a slab of my very own throbbing sausage. Sullen and embittered, I pierced my nose and cut

my flowing locks punk short. Shunned by all, I grew increasingly hopeless and considered offing myself. Ms. Nuby, the school guidance counselor, sensed a problem and hounded me. She cornered me in the hallways to voice her concerns about my sudden transformation, urging me to "have a talk" with her. I finally agreed out of exasperation, hoping it would get her off my fucking back.

I skulked into the bitch's office at 5:30, flopped into a leatherette chair and glowered. There was a poster with an ugly chimpanzee swinging from a branch urging the reader to "Hang in There!" and rows of books with titles like *What Color Is Your Parachute?* I was grossed out. *What a bleeding heart*, I scoffed inwardly. *I'll tell her every one of my lurid thoughts. She'll shit her fucking britches.*

"Bernadette," Ms. Nuby began with a deep breath, "I can see that you have, of late, been troubled. Can you talk about this with me?"

"I want a dick," I announced with sadistic glee. "It's penis envy. I don't want a dick to fuck me; I want my own dick to fuck others with."

Ms. Nuby's eyebrows twitched. She nodded and gestured for me to keep talking.

"I guess I'm a lesbo," I continued. "The thought of cornholing stinky man assholes with my mighty shaft isn't all that appealing. I suppose I'd rather slide my dink up a cozy, slippery snatch. Either way, it's stupid to talk about it. I don't have a penis, and this twat I'm saddled with is useless. I'm like a eunuch; I feel dead between my legs."

Ms. Nuby's gaze was surprisingly steady. I felt inexplicably horny. Ms. Nuby wasn't unnerved by my confession; she wanted more of it. An involuntary tingle spread through my groin.

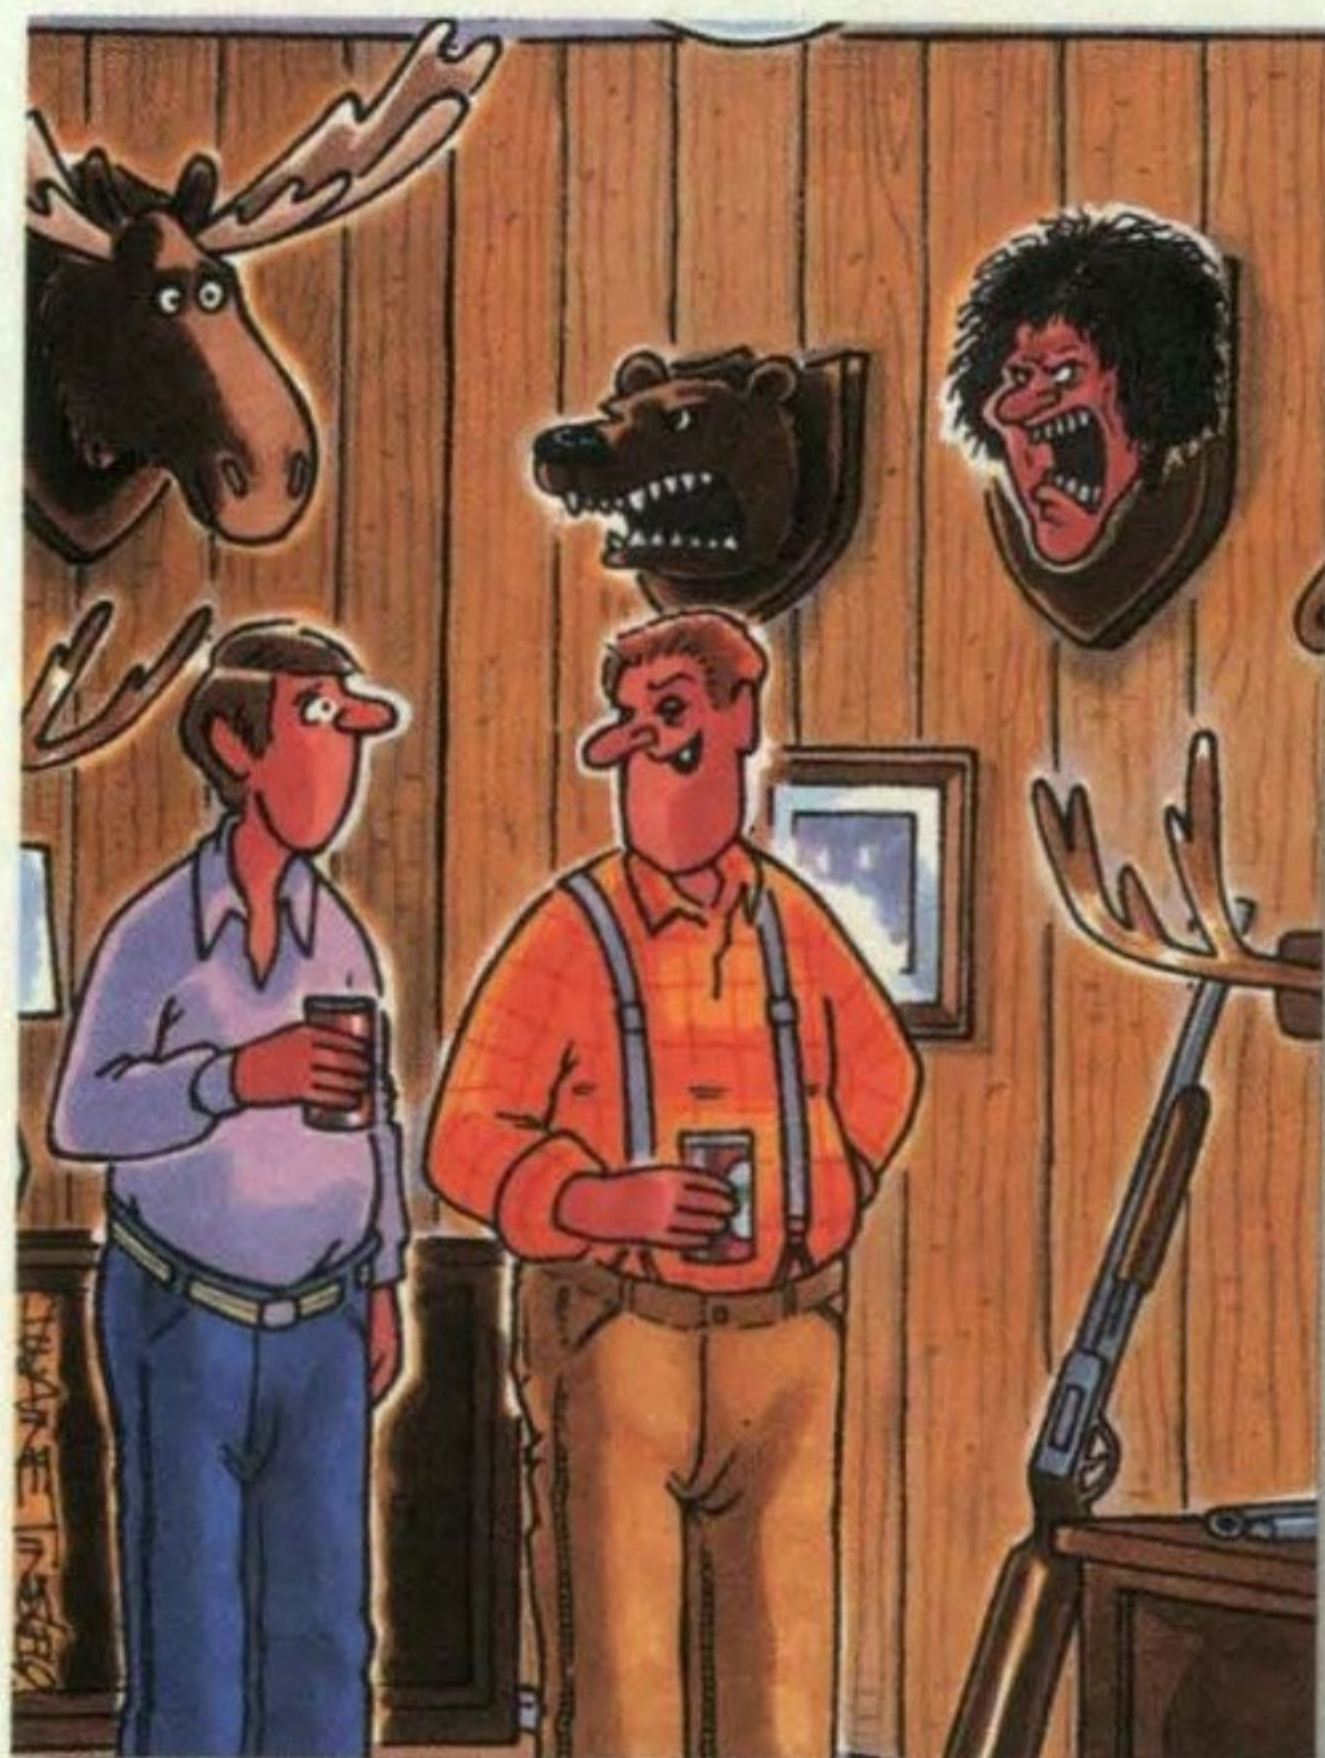

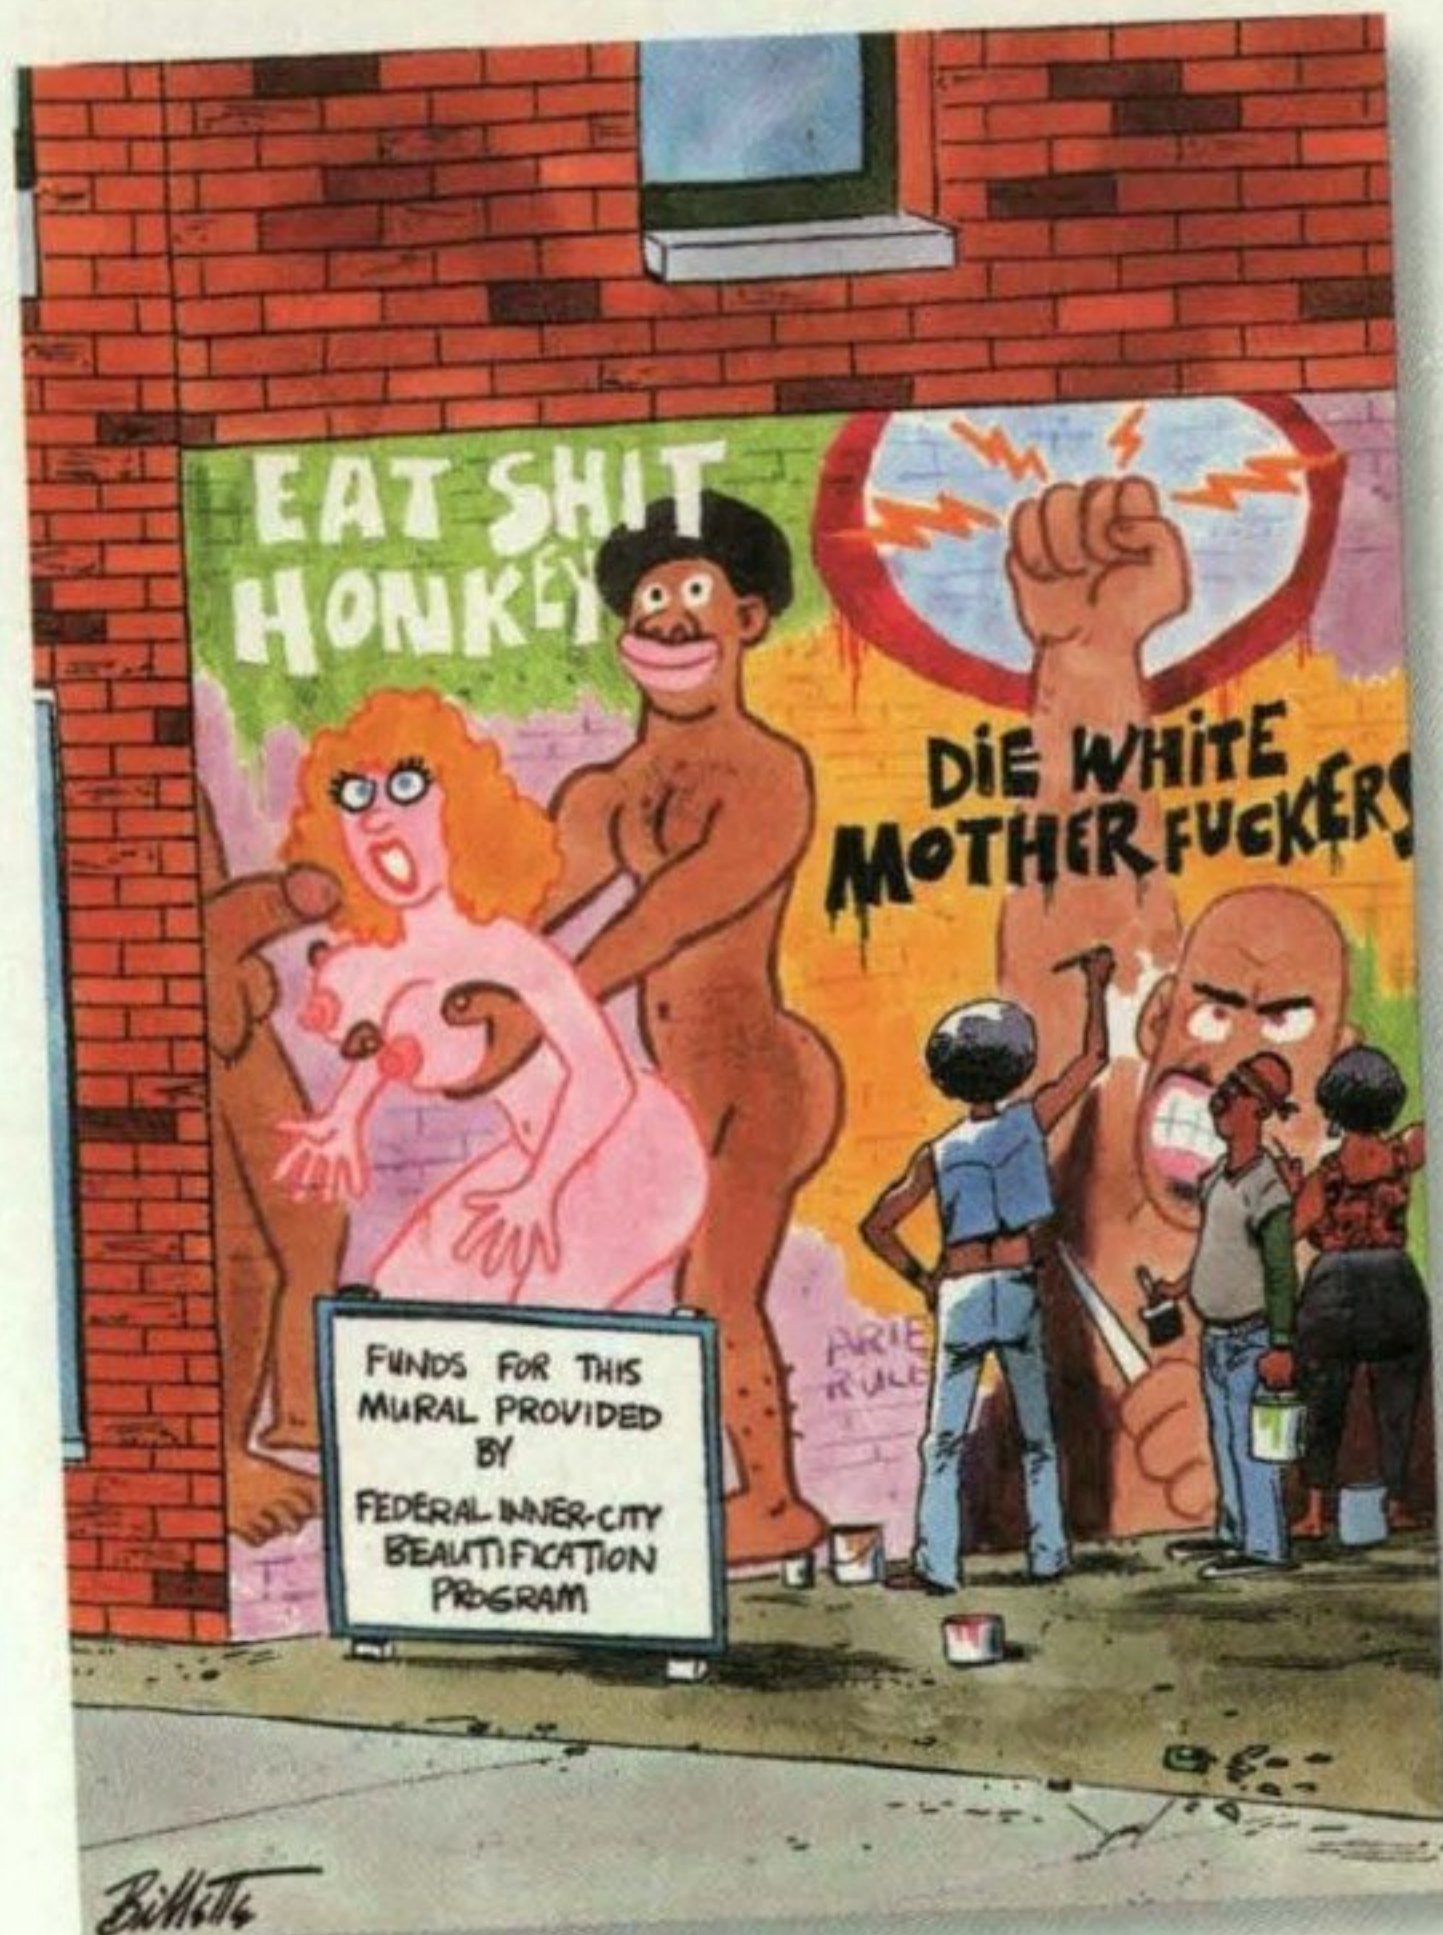

"So you've decided you want to have intercourse with women, as the penetrating partner," the counselor said. The words rolled from her tongue like butter-scotch candies. "Why the sudden change? Have you had intercourse with a man before?"

Ms. Nuby's voice was breathy, and I couldn't see her hands under the desk. My skin prickled as my insides warmed and sank.

Hot Letters

I jabbed a finger into her pie and stirred its juicy, piping-hot filling. Clenching my new friend's pillowy butt cheeks, I reared back and thrust hard into her hole.

"Yeah, fucking Reid Powell stuck his pickle in me, and that was it. I fucking hated it," I explained. "The only thing I learned is that I want it the other way around."

Ms. Nuby inhaled sharply. She shuddered; her face flushed. *Holy shit*, I thought, *my advisor is playing with herself*. Her facial muscles relaxed for a moment as she opened a desk drawer and pulled out a big-ass strap-on.

"Have you ever seen one of these?" Ms. Nuby inquired.

I nodded; the warmth in my gut extended to my clit. A trickle of girl goo dampened my panties and awakened my dormant desire. Ms. Nuby stood up and walked toward me, brandishing the vulcanized phallus like a rifle.

"I know it isn't a real penis, but if you visualize it as an extension of your own body, you might find the prosthetic to be a fulfilling surrogate," Ms. Nuby offered.

The eager therapist hovered over me, wagging the dong in my face. I impatiently yanked the dildo from her grasp and examined it. Its girth was cool and rubbery in my hands. My cooter gushed again. Ms. Nuby asked me if I'd like to try it on. I nodded and unsteadily rose to my feet.

"Let me help," Ms. Nuby purred, unbuckling my studded belt. My oversized Dickies dropped to the floor. Ms. Nuby peeled my undies from my soggy crotch and fastened the big prick around my waist with trembling hands.

"I feel so potent," I remarked, stroking my new appendage.

"Would you like to try it out on me?" Ms. Nuby asked in quivering tones.

By way of reply, I pushed her against the desk and lifted her khaki skirt over her waist. I tore the crotch out of Ms. Nuby's stockings and yanked her panties down with one brusque tug. I jabbed a finger into her pie and stirred its juicy, piping-hot filling. Clenching my new friend's pillowy butt cheeks, I reared back and thrust hard into her hole. Ms. Nuby was right—with a little concentration, the plastic slab really did feel like my own flesh and blood. I lifted Ms. Nuby by the ass and pumped feverishly. Her body shook and flailed against my newfound manhood. I pulled the buttons from her blouse with my teeth and chomped on her rosy nipples.

"You're my pretty little bitch," I growled, planting Ms. Nuby's rump on the desk and tossing her legs up so the ankles rested on my shoulders. "Fucking cunt, you like it when I fuck you like a whore with my big fucking cock."

Ms. Nuby quivered and spoke in tongues like the devil was in her. I buried the entire length of my shaft in her tunnel

and bit her calves.

"Gon' come, gon' cooomme," the counselor wailed, her hips twitching and grinding into my prong.

The frantic motion of Ms. Nuby's muscles rippled through the dildo and bloomed in my vage. My labia tightened and swelled as if they were a pair of big, hairy balls. A fierce orgasm hurled my body forward, crushing Ms. Nuby flat against her desk. My dong twitched inside her like it was shooting spunk. Weak with postcoital exhaustion, I lifted myself up on wobbly arms and collapsed back into the leatherette chair, my latex love gun popping from Ms. Nuby's snatch with a *thwok*.

"That wasn't such a waste of time after all," I told the panting, limp body draped over the desk. "Now I can quit feeling so pissed off all the time. I'll just buy a strap-on and find a girlfriend."

I pulled my pants on and left the ravished counselor to recover on her desktop. The therapeutic session did me a world of good. Shortly after the enlightening self-realization, I found myself a beautiful, young virgin named Fawn. Fawn's not a virgin anymore—I fuck her tight, tiny snapper until she screams herself hoarse. Ms. Nuby wants desperately to continue seeing me, but I've taken all I need from her. Thank you, Ms. Nuby, for guiding me to discover

and embrace the fucker I am.

PANTY MAN

The phrase "panty-sniffer" evokes the image of a loser pervert condemned to a lonely life, abusing himself with stolen swatches of soiled silk. I resent this stereotype, for I am a proud panty-sniffer. I've been a huffer since third grade, when Holly Graffeo left her backpack behind a patch of shrubs on the school playground. I discovered Holly's satchel and the tiny undergarments within, filthy from girls' softball practice. That moment defined the rest of my life, though I quickly matured and came to desire the skivvies of age-appropriate women. The stained undergarments of a ripe female between the ages of 18 and 25 are most preferable. I've found that this age group is highly fertile and produces the most pungent and intoxicating drippings.

Collecting musky-sweet britches is my life's mission. I've literally made a career of hoarding beautiful women's undies. I work in housekeeping at an expensive hotel called the Prestige. As a laundry attendant, I've collected countless treasures. A generous number of high-quality ladies' knickers are "accidentally" gathered up with the dirty linens, and I have the great fortune of

I buried my nose in the cotton-lined crotch and inhaled deeply. Lady dipped a digit in her clean-shaven flue and chuckled mirthfully. My prick pitched a tent in my pants.

pocketing each discarded garment. More often than not, the crotches are stained and redolent with secretions, which allows the dainties to glide gently and effortlessly up and down the length of my cock. But my pleasures are not limited to surreptitious laundry-room jackoff sessions. I recently made the acquaintance of a guest who was more than happy to join me in my onanistic adventures with the help of her very own snatch-spiced skivvies.

Her name was Lady. She was a bored trophy wife whose husband was in town on business and brought her along as arm candy to the cocktail parties. She was wandering aimlessly around the ground floor when she peeked into the laundry room and caught me sneaking a whiff of one careless guest's lacy, pink underthings. I glanced up to see a bouncy brunette grinning and giggling at me. She let herself in. Petrified, I stood motionless, clutching the incriminating undies to my face with a frozen hand.

"S'okay," squeaked the doll-faced intruder, "you gotta keep yourself entertained somehow. My name's Lady."

Lady offered me her impeccably manicured hand, which I took gingerly with my free mitt. I was still afraid she might be looking to bust me for fondling strangers' panties.

"Relax," Lady urged, plucking the panties from my grasp and examining them. "These are cute. So you're like a total pervert, huh?"

Dumbstruck, I shrugged. My unexpected guest laughed and snorted, then lifted her skirt and displayed a lovely pair of white satin britches.

"See, I'm a pervert too," she assured me, removing the silky undies and handing them to me. "Here you go. Sniff away."

I lifted the bloomers to my nose with a nervous hand and took a tentative whiff. The scent was absolutely delicious, a subtle bouquet of black pepper and sea air. I was impressed but not yet able to let my guard down entirely. I halfheartedly offered Lady her drawers back.

"Go on, I gave them to you to play with," Lady rebuffed. "Sniff 'em again, and I'll stick my finger in my pussy."

I couldn't much argue with that. I buried my nose in the cotton-lined crotch and inhaled deeply. Lady dipped a digit in her clean-shaven flue and chuckled mirthfully. My prick pitched a tent in my pants. I draped the panties over my boner so they hung like a flag.

"Whip it out!" Lady exclaimed, vigorously frigging her clam.

My sense of ease increasing, I unzipped my slacks and allowed my

throbbing dong to spring forth. Lady gasped at my generous endowment; her masturbatory strokes intensified.

"Jack off with my undies! I know you want to; go on and jerk it!" Lady cried.

I complied. Her sleek panties made every nerve of my ding-dong tingle. Lady was a lot of fun, like a cheerleader. She encouraged me with each yank I dealt my peter. Fisting my mister in the presence of such a comely lass was incredibly exciting; my peter was rapidly approaching the point of combustion. I whacked my wang and watched as Lady jilled herself silly. Rivulets of girl goo dribbled between her knuckles and down her wrists.

"Awww, fuck!" trilled Lady, four fair fingers hidden deep within her kitty. "Drop a nasty man wad in my pretty dainties! Soil my pristine britches!"

Lady's satiny unmentionables slid along my prong with silken ease. My scrotum seized up and bucked, ready to blow. My peter reared back and puked thick chunks of ball curd into Lady's finery. As I spread my nut butter, Lady came, yelping and howling like an overstimulated schnauzer.

Red-faced and dewy, Lady grabbed her spuzz-soaked britches from me. With a shimmy of her round booty, she donned the nasty pants.

"Now I'll walk around all day with your

dick drool in my drawers," bragged Lady.

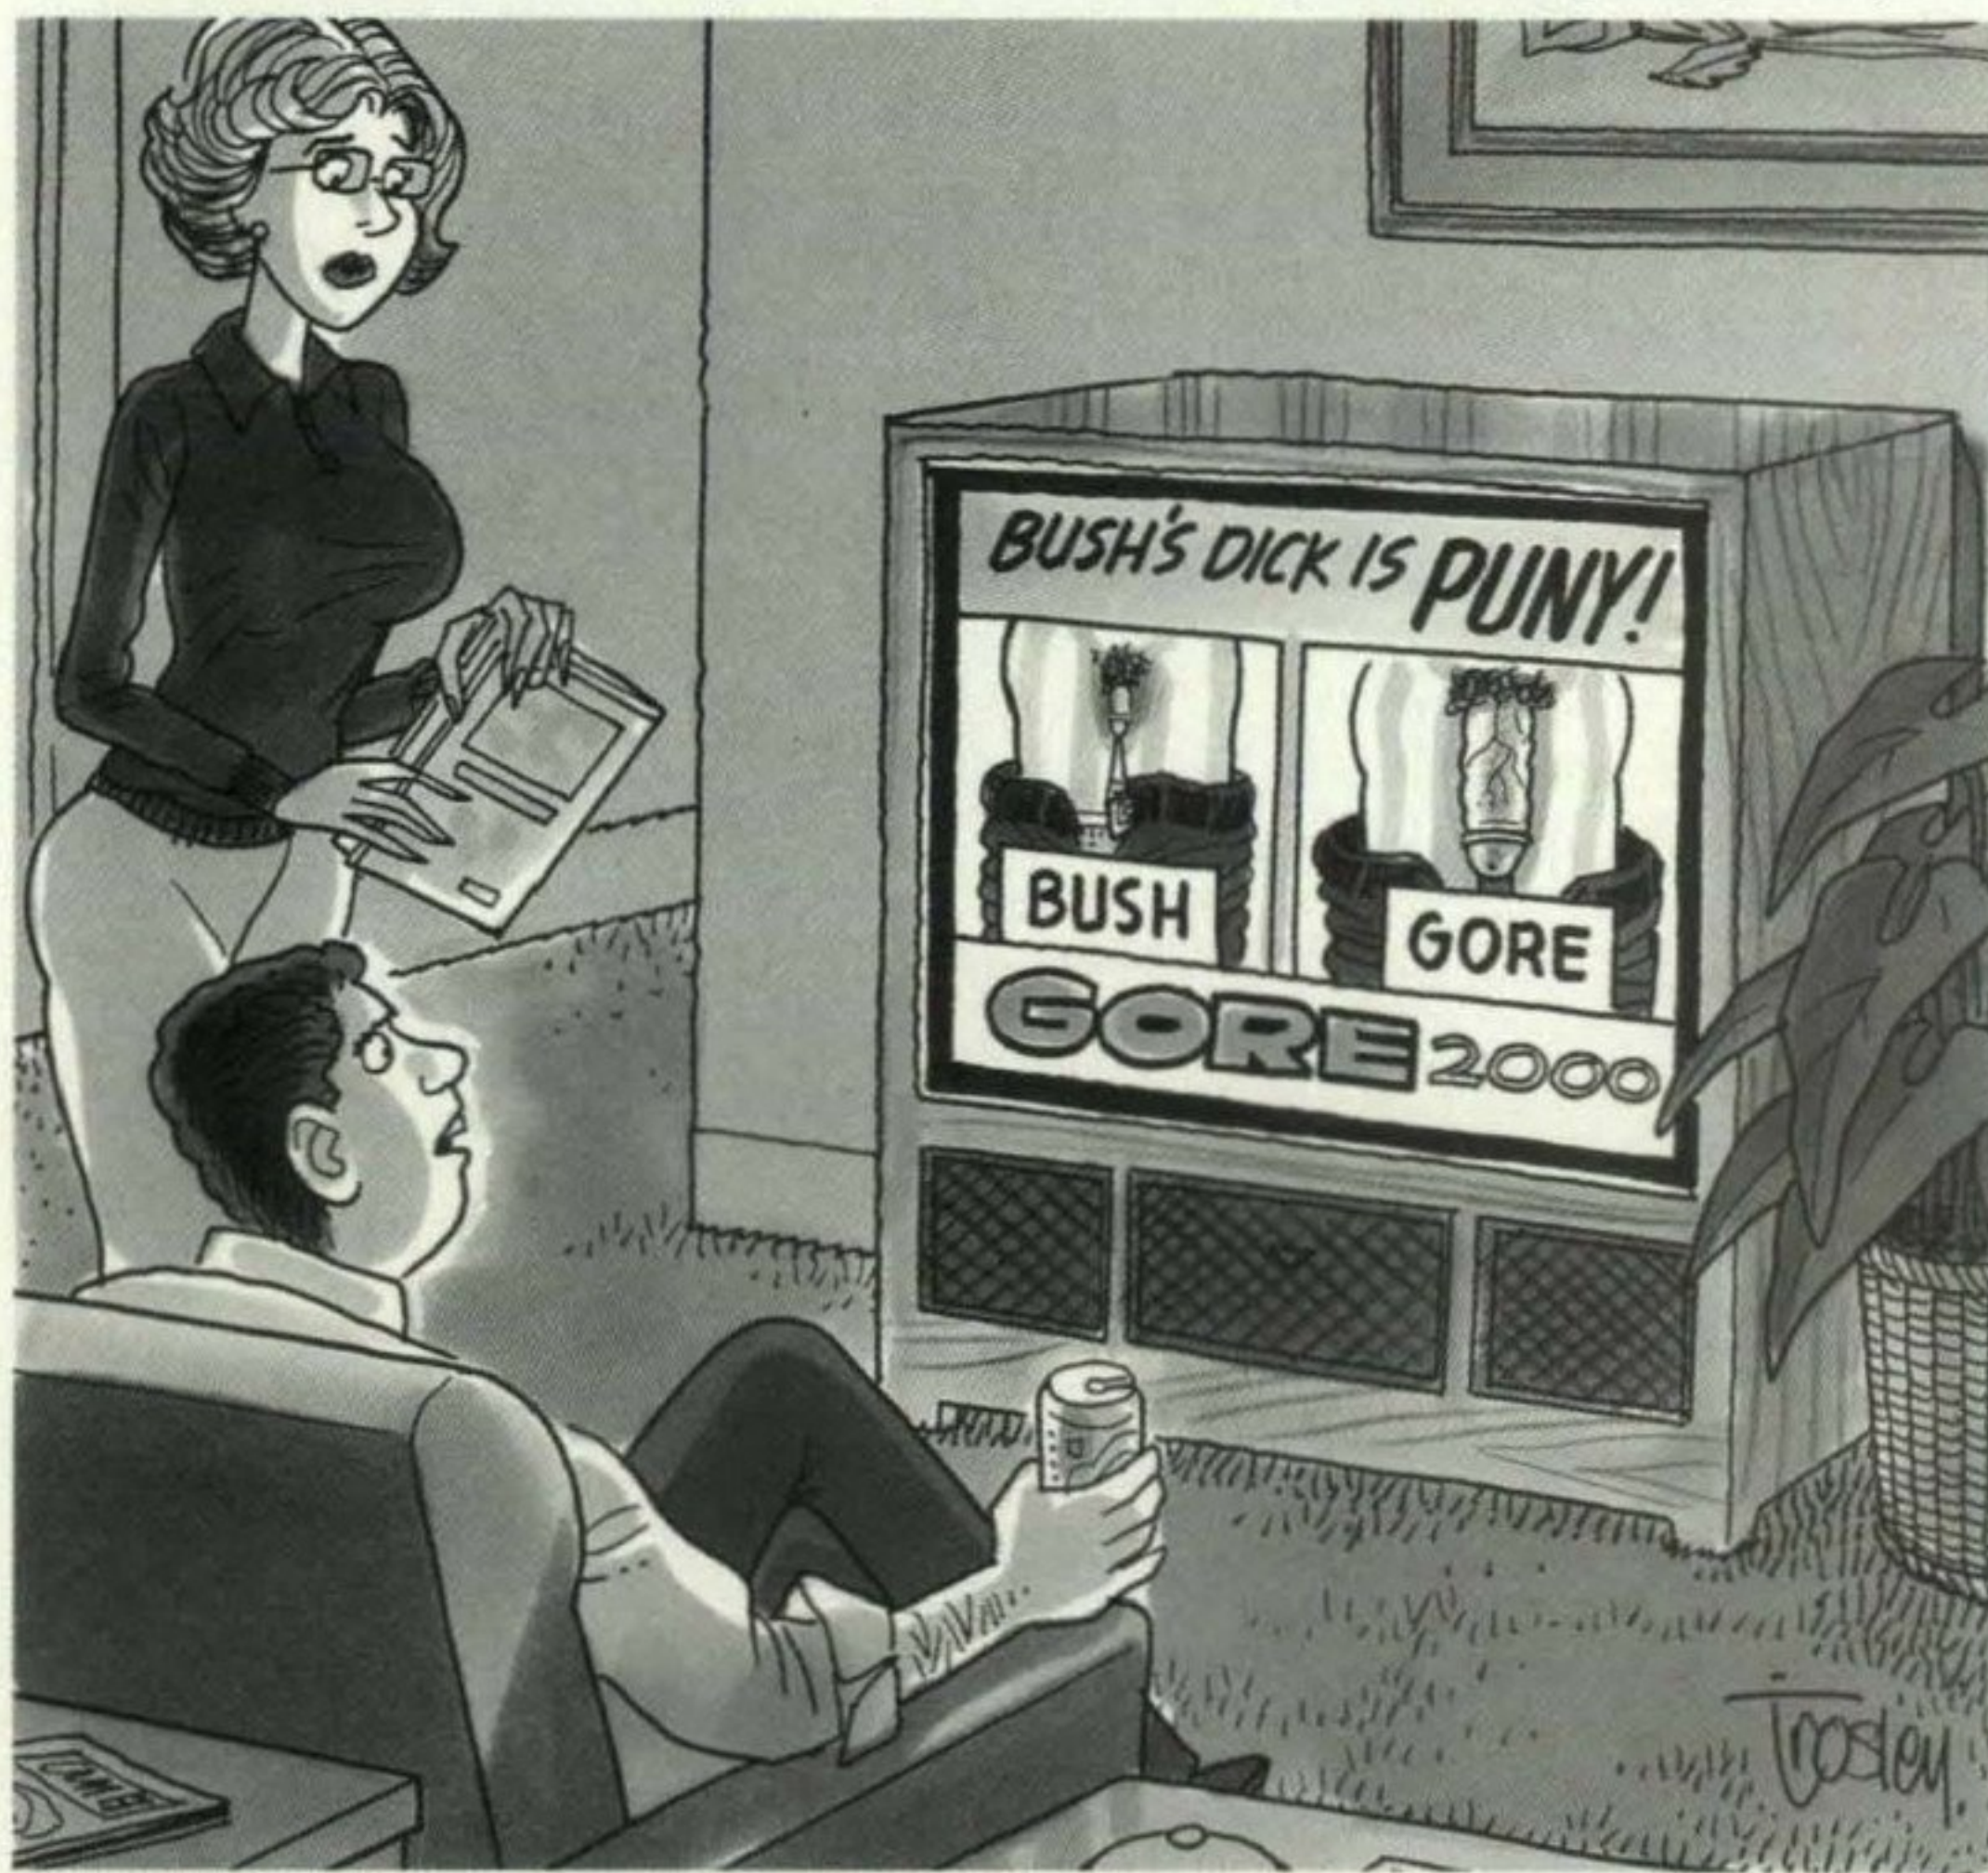

I was too dizzy to respond or to stop her before she dashed out the door and disappeared as quickly as she'd arrived. What a wonderful time we had. I was a little vexed that I wasn't able to keep the tarnished bloomers for myself, but the loss is worth it when I imagine Lady prancing around with my gunk drying to a crust against her hairless labes.

FUCKING UGLY

There's nothing wrong with loving—or at least fucking—ugly girls. Homely honeys can bust a man's nut as good as any hot mama, if not better. Bowzers try harder and are far more accommodating than their pretty, spoiled counterparts. A kind and generous hunk of lumpy love named Glenys showed me the joy of bumping uglies with uglies. Before Glenys, I chased the beautiful babes with foolish ardor. If and when I was granted the privilege of sticking my dick in one of the fly bitches, I wound up smack on my ass, blueballed and broke. Good-looking women are just plain mean. Glenys might not be easy on the eyes, but she sure as shit rocks my cock.

I was recovering from a terrible spell when Glenys came along. I'd spent my last

dime on a cunning snake named Karisma, a dead ringer for Pamela Anderson with a heart of pure evil. I bought Karisma every extravagant trinket her icy heart desired and still never managed to lure the bitch goddess into bed.

After Karisma dumped me, I was penniless. Starving, I scraped some change together and dragged my ass to the corner store. Glenys works there. She *tsked* as I fished for the money for my deviled ham and Saltines.

"You short?" asked Glenys as I dug through my pockets in a futile attempt to find more change. I sheepishly admitted that I didn't have the cash.

"Well, you can't just starve to death," Glenys asserted, slapping her beefy thigh for emphasis. "My shift ends soon. I'll cook dinner for you."

I feebly protested, but Glenys was insistent, and I was damned hungry. I hung around until the hard-faced cashier finished working. She drove me to her house and whipped up a feast.

"That was awfully nice of you, Glenys," I huffed through a thinly veiled belch after supper. "I don't think a woman's cooked for me since I lived with Mama."

"That's because you run around with the wrong kind. I saw that blonde dragging you by the balls. Ladies like that may

be gorgeous, but they don't know how to treat a man. I'm not much to look at, but I'd take damn good care of you."

Glenys isn't much to look at, all right; she's built like a bear and has a face like Melissa Etheridge. Her words were sweet though, and all that good food had lulled me into a highly relaxed and docile state.

"Maybe if I sucked your peter," Glenys mused, shuffling toward me. A warm and understanding smile softened her ugly mug. "That'll soothe you, I think. Go on and make yourself comfortable on the sofa."

I wasn't about to turn down a blowjob, even from a troll-faced hag. That tease Karisma had left me with semen backing up into my eyeballs. I settled onto the couch and closed my eyes, listening to the sound of my zipper descending. A warm, moist sensation engulfed my schwang. My tool twitched, awash in the pulsing heat of Glenys's mouth. That dog gave great head, and with my eyes shut, she could've been Carmen fucking Electra. The knob-gobbling was so flawless, I was inspired to fill up Glenys's other end.

"Why don't you turn around, and I'll stick it in your cooter," I suggested, gently covering my homely friend's face with my palm and steering her ass toward me.

Eager to please, Glenys settled on her haunches and awaited my pecker's arrival. I

studied her behind for a moment. It wasn't a bad ass (albeit a bit wide); it was actually sort of nice and round. Unfortunately, it was covered with little pimples, as if she were suffering from diaper rash. A conundrum emerged: I couldn't bear to look at the bumps, yet I had to keep my eyes open to see what I was doing. I needed some way to hide my lady friend's less-than-appealing assets. What if Glenys turned her head toward me and I caught a glimpse of her face during the act? Such an event would doubtless throw off my rhythm. I glanced at the sofa and noticed the quilt draped on it.

"I have this thing—a fetish, I guess—about blankets," I lied, wrapping the quilt around Glenys. Only her surprisingly beautiful pussy was exposed. Gazing upon that fine flue stiffened my dick to a near-painful degree. I bucked my hips forward; my wang disappeared into the depths of wet pussydom. It was a tight fit; Glenys's viselike cooch tugged my goober with eye-popping strength. The disembodied, patchwork-swaddled pussy worked my cock like a real pro. My nut sack rumbled with excitement, already yearning to pop.

"This is the best," I hollered, clutching the billowy mass and bracing myself for ejaculation. "It's a fucking glory hole!"

Muffled sounds emanated from beneath the quilt. Maybe Glenys was already coming, because suddenly that coochie was flailing like it was in the throes of an epileptic seizure. I gripped the blanket to keep from being hurtled across the room.

"Watch out, little pony, I'm exploding!" I yelped. I pulled out of Glenys's snapper. A copious wad of gunk smacked loud and hard against my gorgonian partner's swollen pink slit. I howled with relief. Giddy, I pounded Glenys's ensheathed buns like bongos.

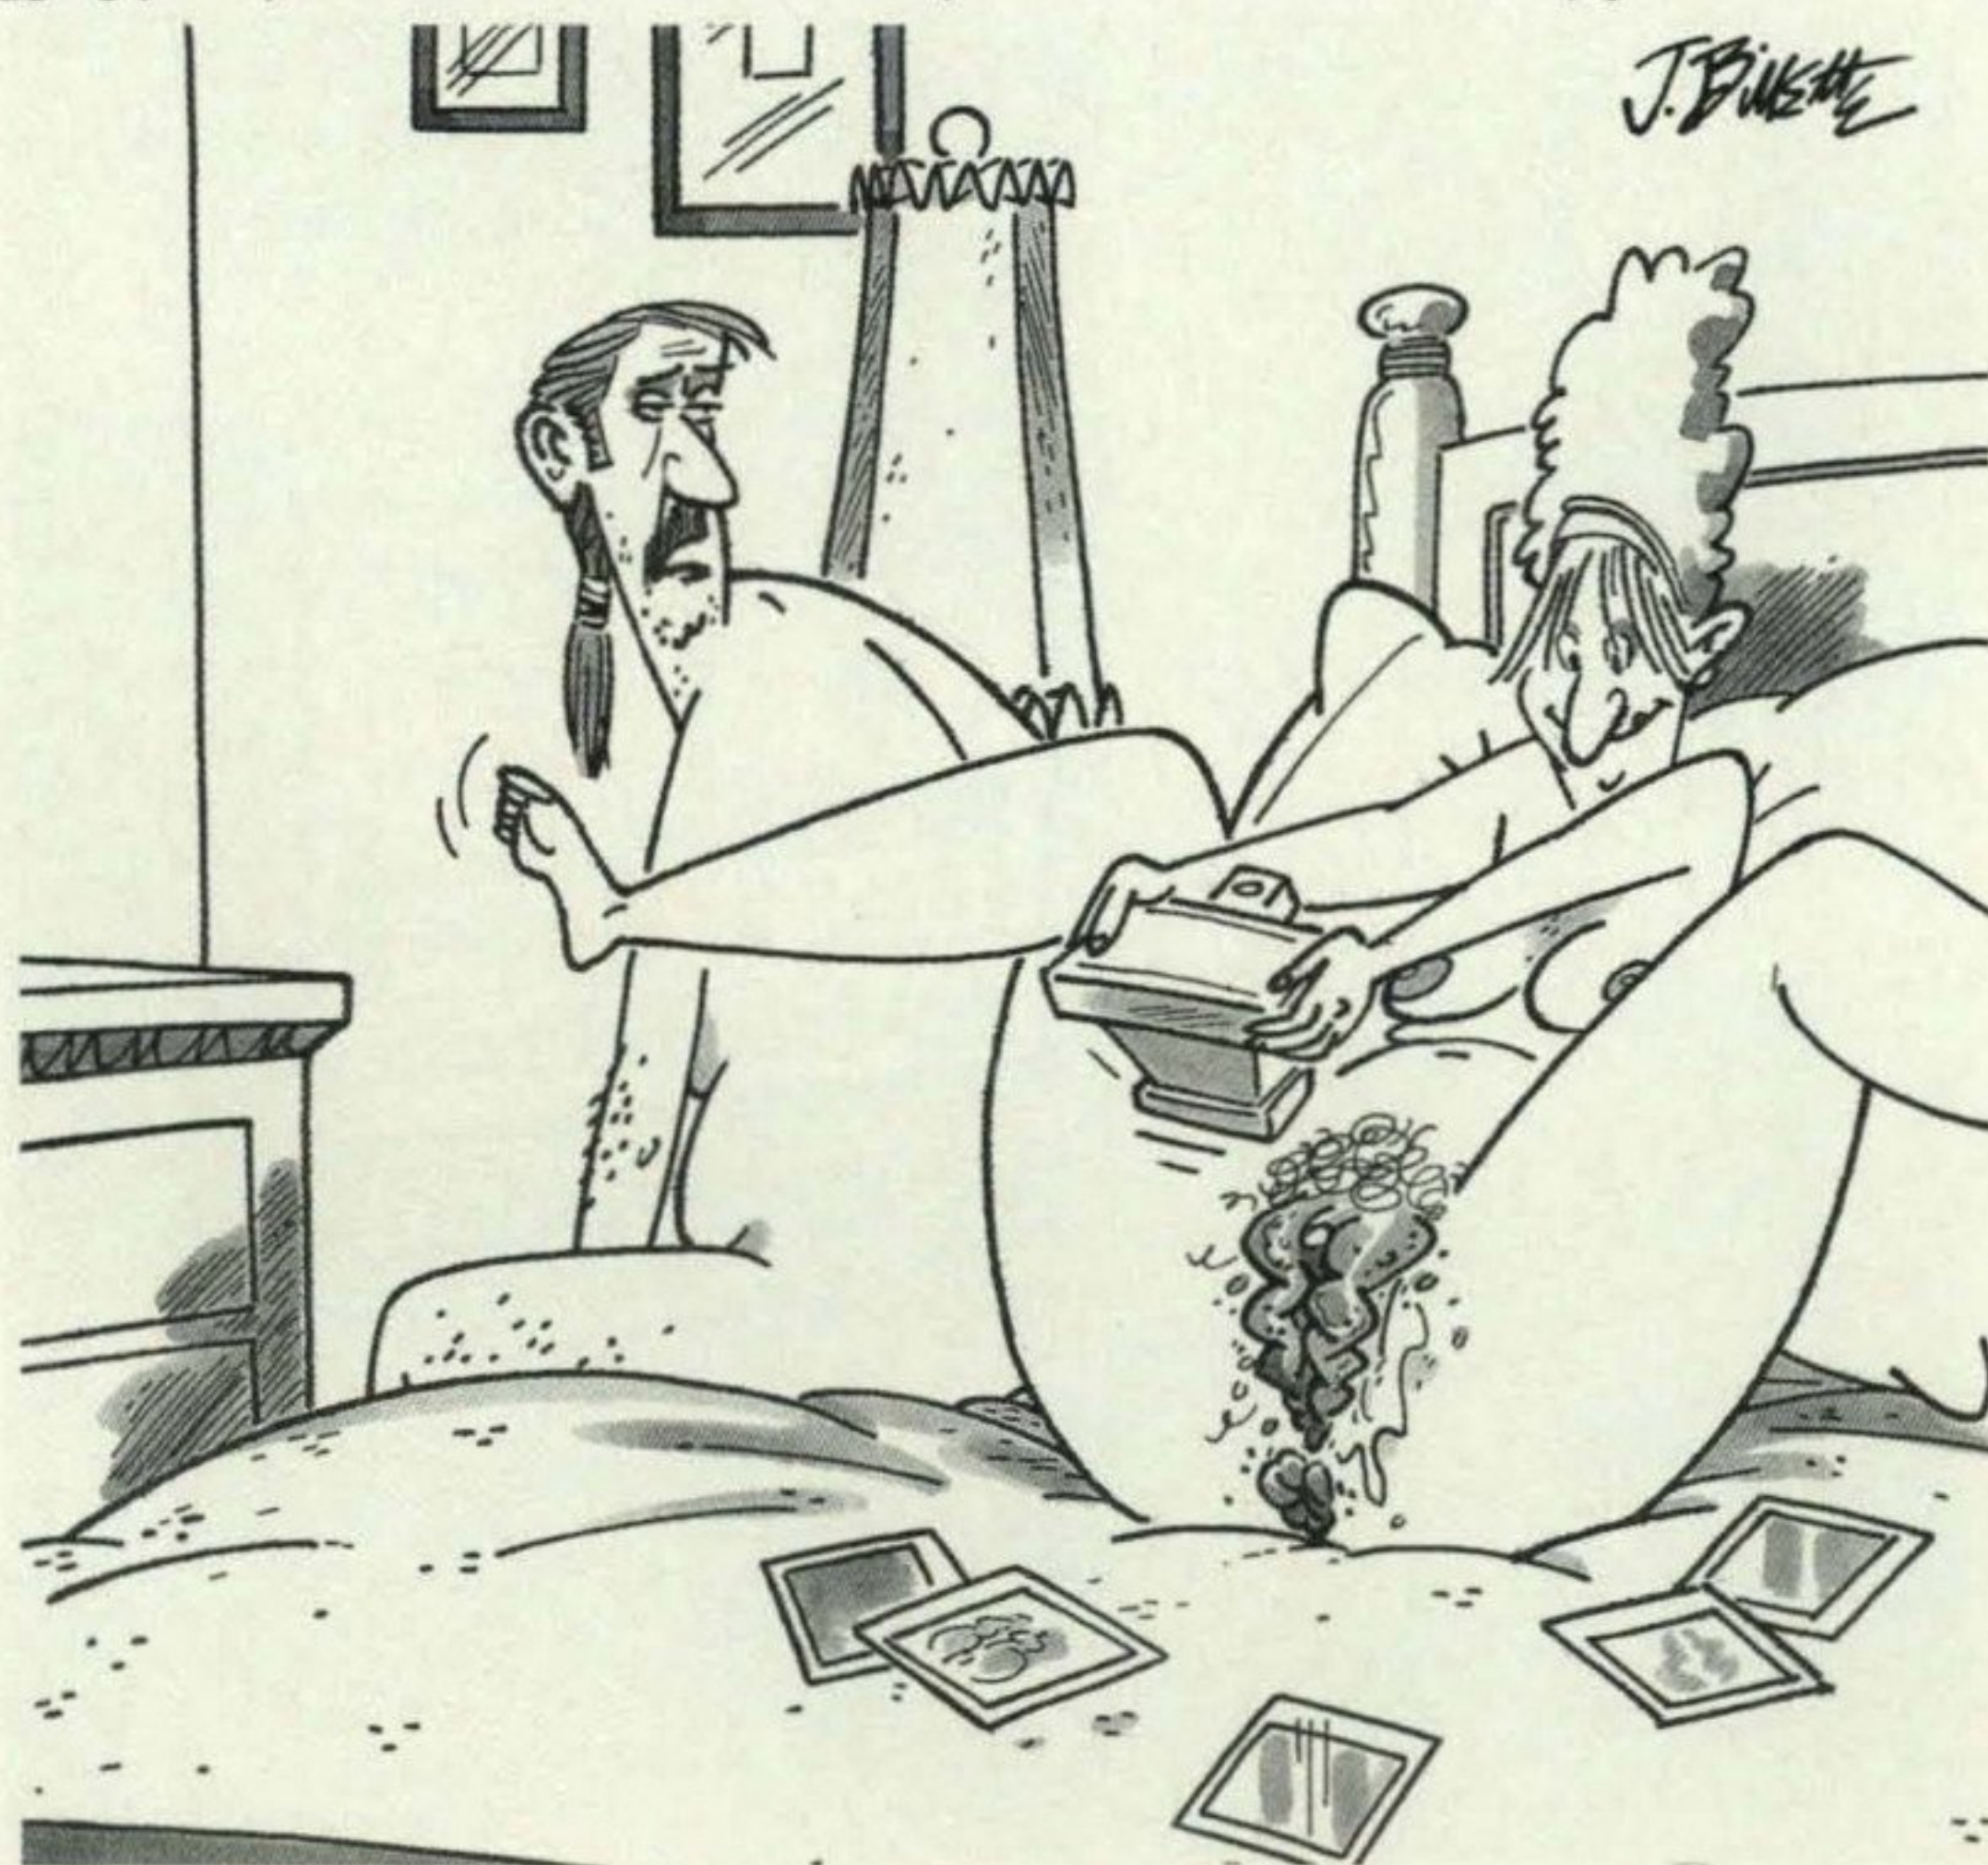

"Did you like that okay?" Glenys panted, peeking out from under the shroud.

"I can't remember when I've had so much fun," I enthused.

Glenys blushed, flattered. She's since become my best girl. She never complains that I prefer to hide her mass every time we hump. Last week, I found a cardboard refrigerator box to conceal her in. I cut out a circle for my willy and enjoyed a raucous fucking. Lately, Glenys has taken to sucking my dick under the kitchen table while I eat. I'm not one for clichés, but sometimes a dog really is a man's best friend.

PROFESSIONAL FAT
BITCH RIDERS CIRCUIT

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

THE WIDE WIDE WORLD OF FAT FUCKIN' FANNIES

BY KEITH BEARDEN * ILLUSTRATION BY HAWK KRALL

It's Saturday night in Manhattan, and cabs and limos clog the curb outside of China Chalet, a Chinese restaurant in the downtown financial district. Black men wearing silk shirts and gold chains, along with stockbrokers still dressed in suit and tie, stand expectantly behind a red-velvet rope. Inside, revelers chug down overpriced drinks, trying to jack up their mating nerve. On the dance floor, young men encircle a tall, scantily clad blonde who gyrates her hips hypnotically. This disco could be Anyclub, USA, if not for the fact that the dance-floor hottie in question weighs in at a seam-shredding 400 pounds.

The scores of men and women who pack China Chalet tonight are here for the same reason—every Saturday night, the nondescript egg foo yung joint becomes Goddesses, a club where lard-loving men indulge their fascination with female fat.

"Me and my roommate go other places to dance or drink," says Jessica, whose roly-poly physique is the big butt of jokes outside the walls of the club. "But we come here to meet guys."

"It's definitely a meat market," says Goddesses regular Helen, a thirtysomething accountant who drapes her frame in stylish duds. "The difference between here and other bars is that you know when a man walks in that door that he doesn't have a problem with you being fat. Also, being here, you know they're not here to sleep with you and then humiliate you. That's a problem lots of us have gone through."

At Goddesses and other clubs like it across the country (Abundant Beauties, Big Shutz & Co. and Hipsters, to name a few), corn-fed females parade their mountainous girth in skimpy lingerie and pour ice water over their EE-cup breasts in wet T-shirt contests, all to the roaring approval of a horny male crowd.

"Some of these guys just see you as a sex object," says Erica, a deluxe-sized phone operator from Brooklyn. "But it's just like any other bar scene—you have to talk to guys to get

to know them first, unless you just wanna get laid, of course."

Either way, heft-friendly enclaves such as Goddesses represent an ever-expanding sexual universe of fat admirers (FAs) and big beautiful women (BBW).

* * *

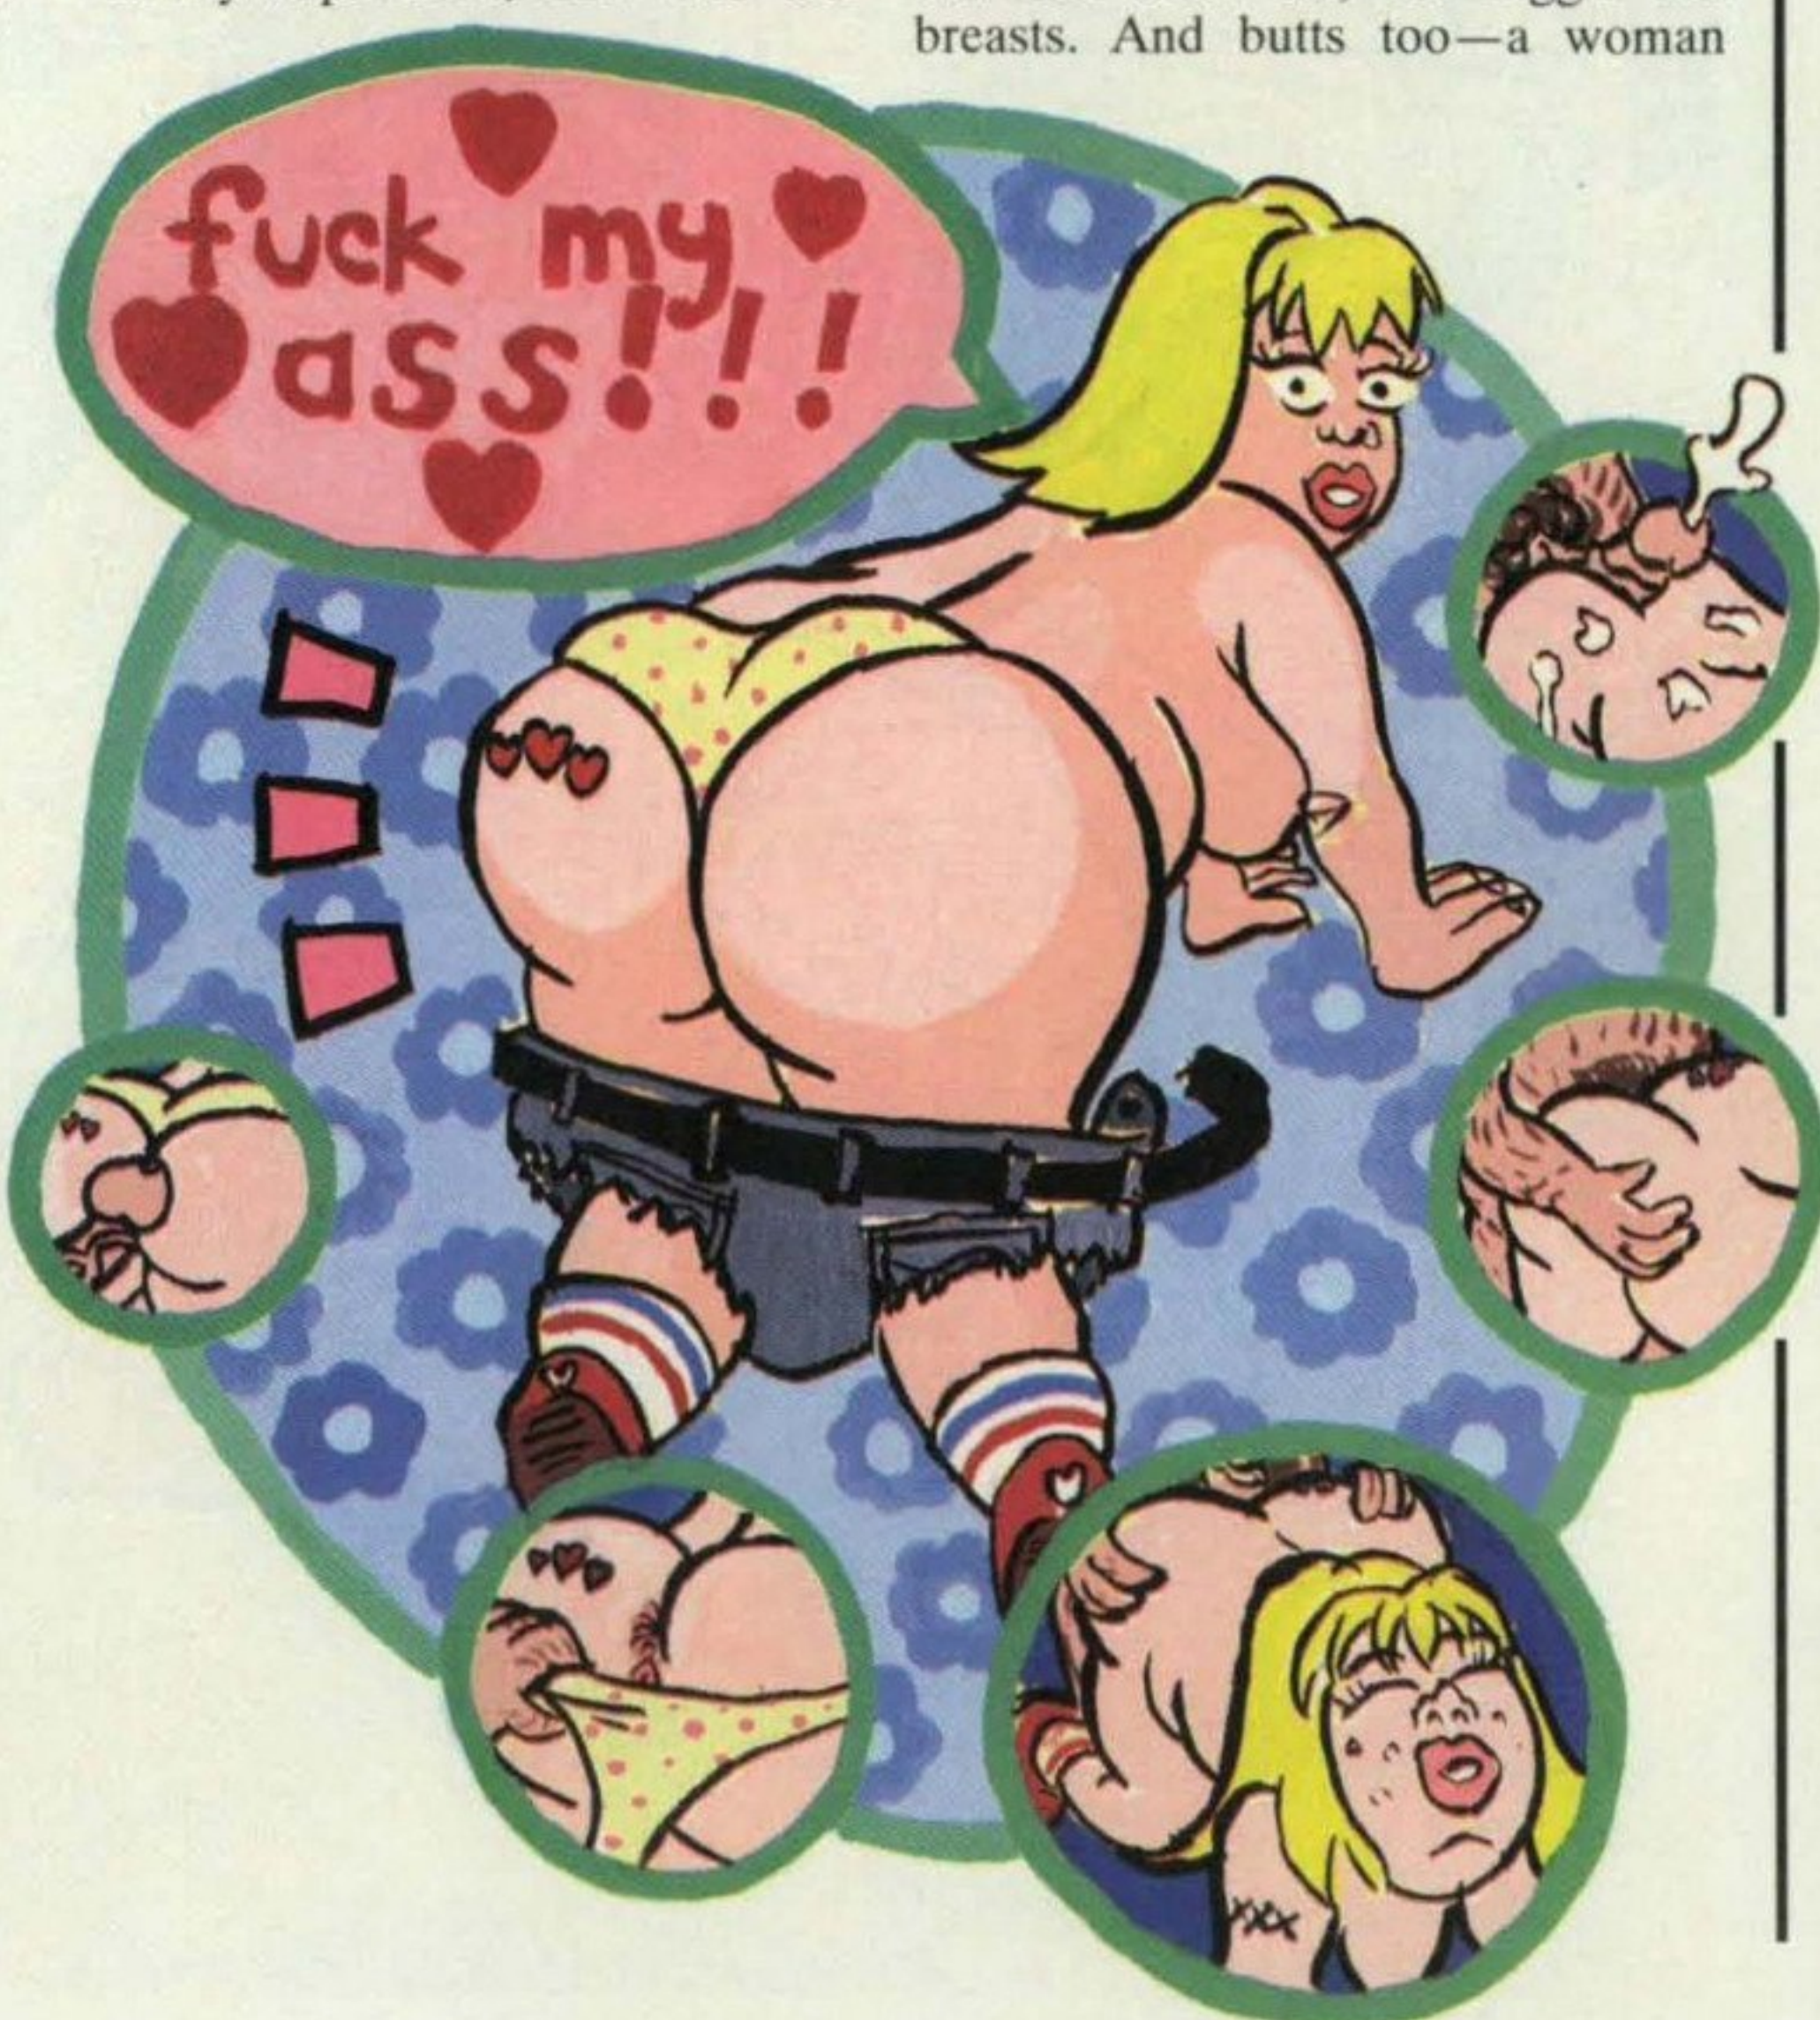

In today's chub-phobic times, when Ricki Lake and Jerry Springer target swag-bellied women for humiliation on too-fat-to-be-sexy programs, and personal ads demand that respondents be HWP (height/weight proportionate), lusting after obese women ranks alongside she-male, hermaphrodite and midget fetishism on the deviancy scale. Nonetheless, many seemingly healthy, red-blooded males willingly veer off the standard sexual radar screen for a life in the fat lane.

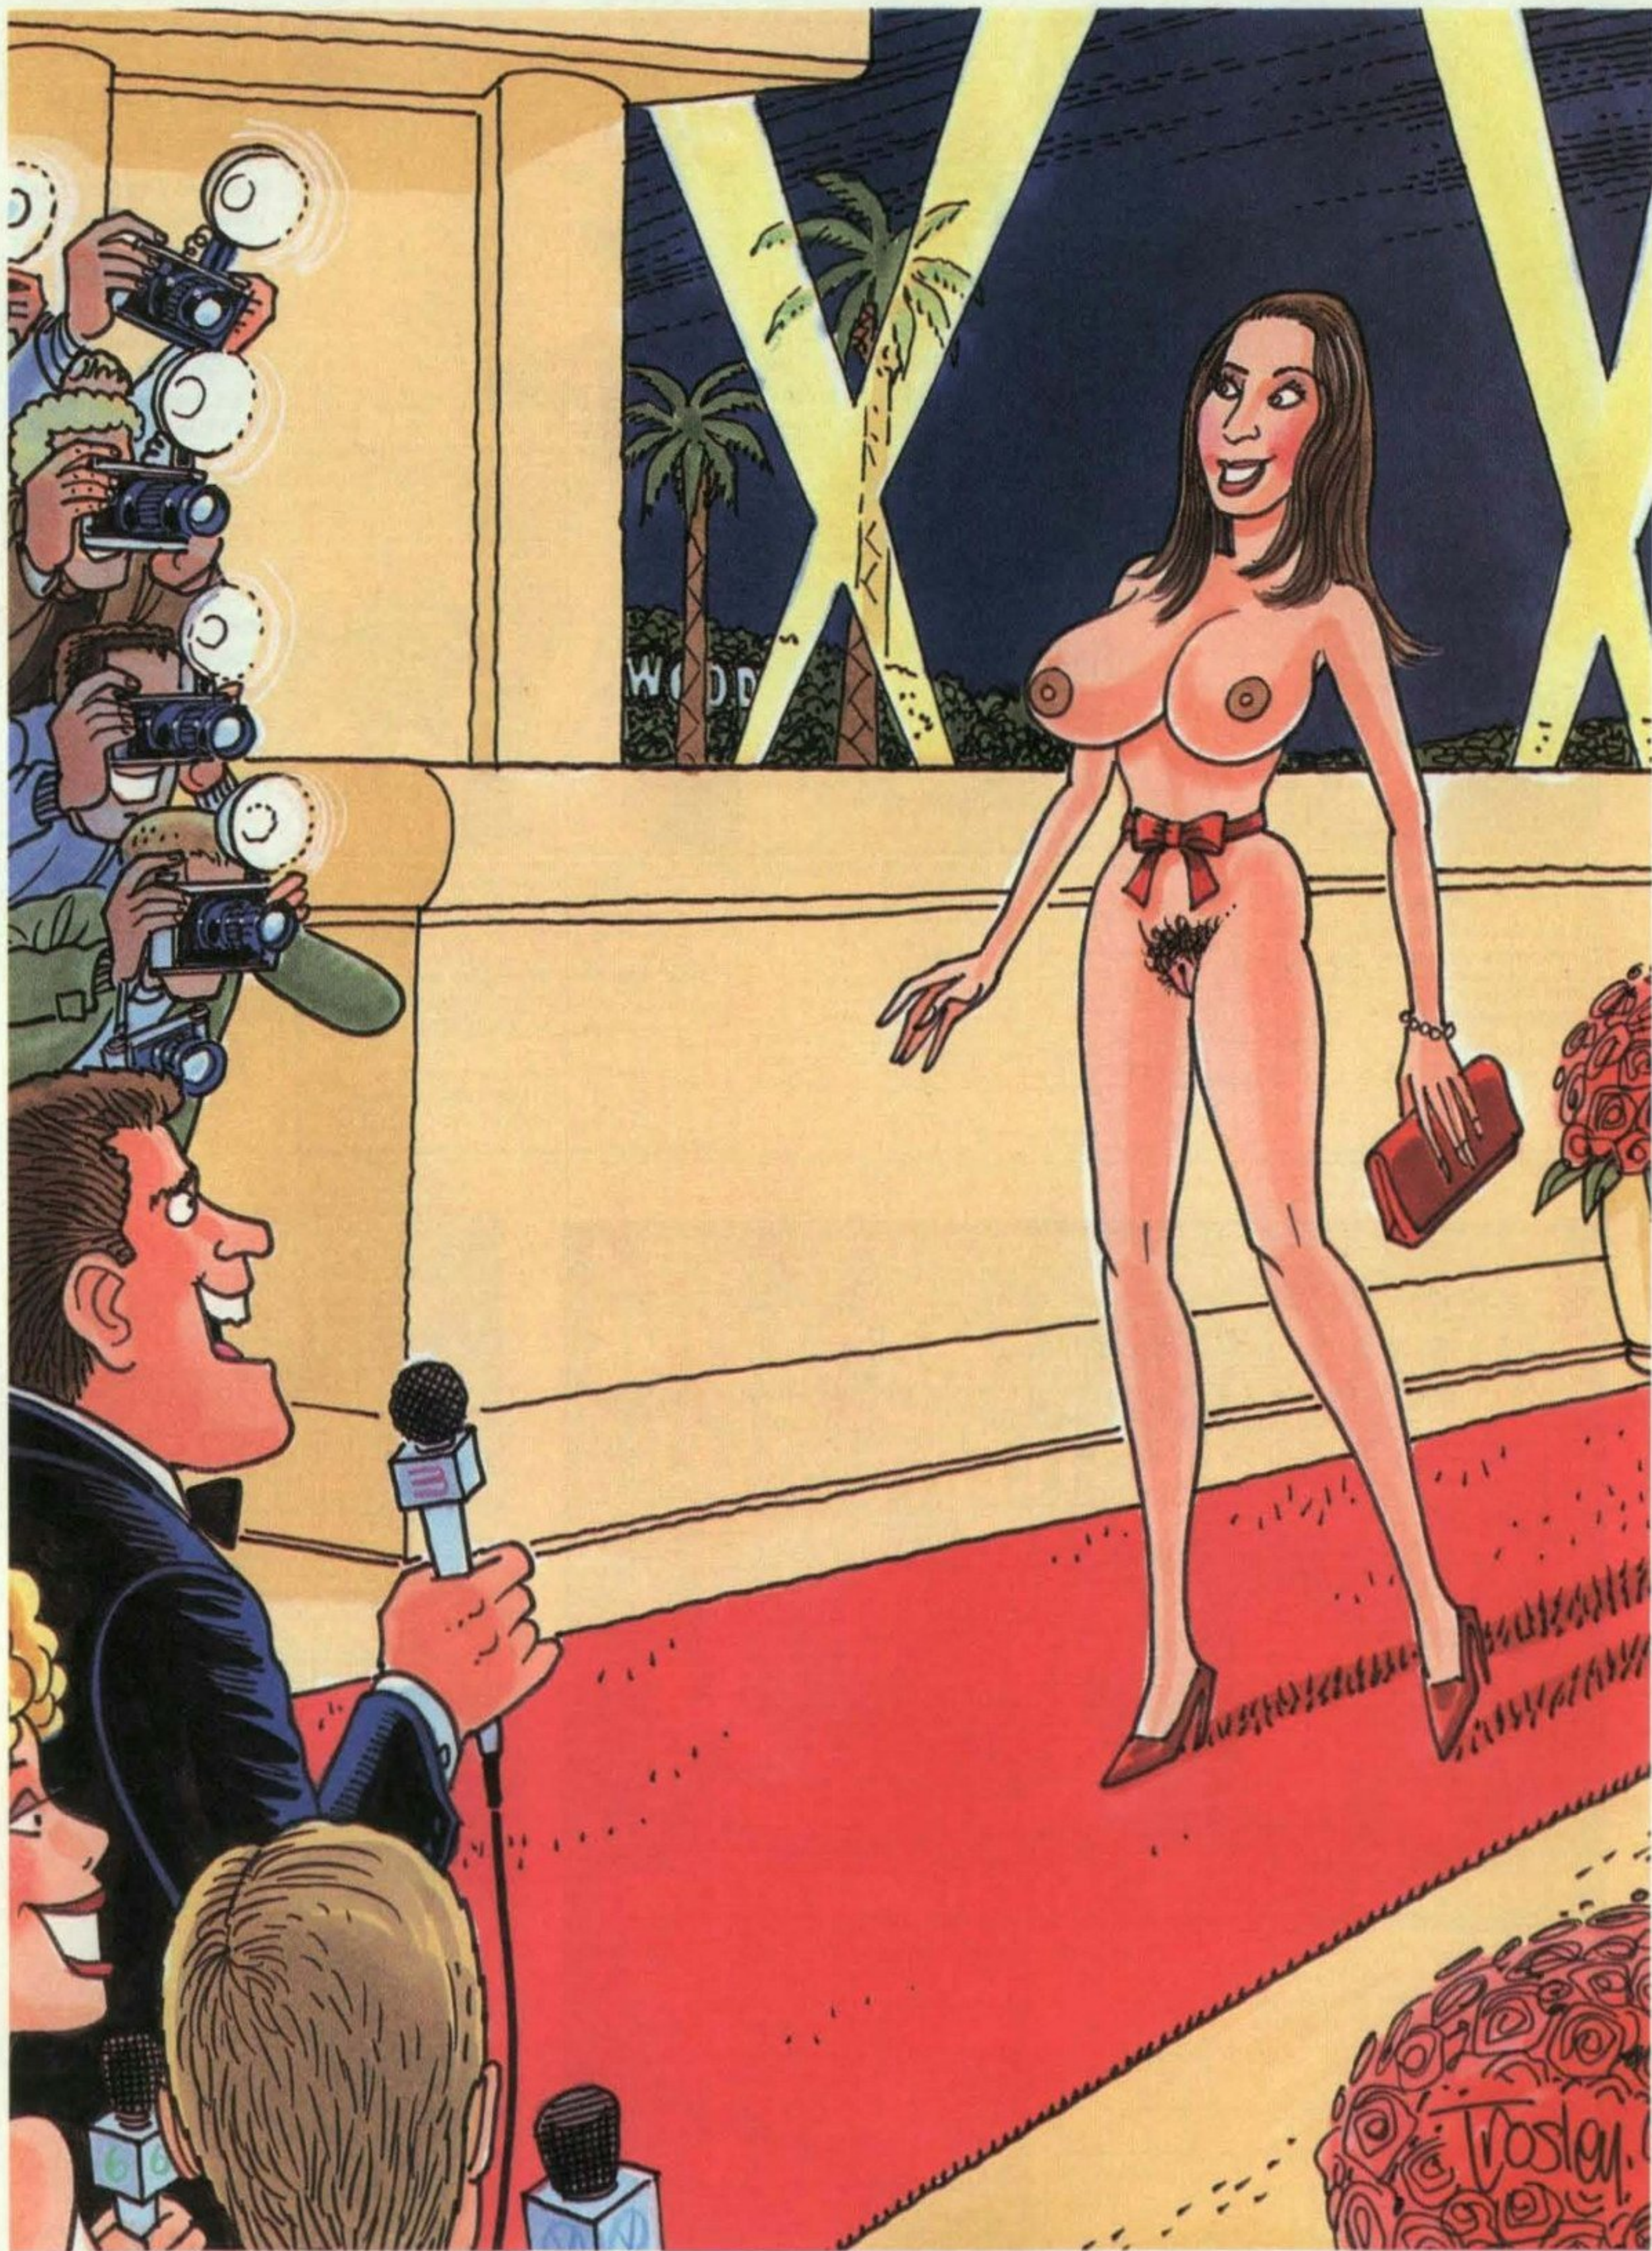

"In my experience, men who are

sexually attracted to fat women feel their desires early on," says pleasantly plump model and fashion designer Sandie Sabo. "My husband knew as soon as he hit puberty. And even before then, he was fascinated with large women. As a kid, he would follow fat ladies around in the grocery store. It's not something you choose to be or not to be—it's hardwired in their brains."

"Once you get into it, you'll never go back to skinnies," says Jose, a data processor in the Bronx. "The size, the softness...fat girls are hot."

"It's more of what you like," says self-proclaimed fat broad Hanne Blank, author of *Big Big Love: A Sourcebook on Sex for People of Size and Those Who Love Them*. "If you're a breast man, breasts are 90% fat. The more fat, the bigger the breasts. And butts too—a woman

Sex Play

"Lots of couples use food and feeding as foreplay. But there are some men in the movement who want to feed women until they are immobile and some women who want to be fed until they are immobile."

who works out on the Stairmaster 16 hours a week is not gonna have much in the way of a booty."

In a country where women who stray past Ally McBealian emaciation want to hide away in a dark closet, the massive mamas of Goddesses and other chub-clubs practically burst with self-confidence. Perhaps these fleshy females understand just how wide-ranging the FA movement is.

Magazines such as *Plumpers*, *Big Butt* and *Belly* celebrate girls of great girth, and more than 1,000 BBW-themed Web sites serve the needs of fat admirers on the Internet.

"I would say about 10% of all men favor BBWs," estimates Sandie Sabo, "with perhaps another 10% on the fence."

Lending credence to Sabo's claims, the XXX-video industry cranks out countless fat flicks, such as *Fat Piggy's Pizza Pussy Party*, that feature lingering slow-motion shots of cascading female blubber the way standard porn fare fixates on sculpted nates and buoyant titties.

In some American cities, there are fat-fantasy phone sex lines and even tubby-girl escort services. In spite of the growing acceptance of female rotundity, some lovers of the large hide behind a fat curtain.

"A lot of guys are in the closet," says Helen, a regular at Goddesses. "They love big girls but can't admit it. It takes years for them to fess up to it. Especially young guys. They're worried how it'll look to their friends."

Digging fat chicks may seem freaky to more conventional fuckers, but most of the heavies in the BBW/FA movement consider a fascination with corpulence to be perfectly normal.

"The majority of self-identified fat admirers I meet tell me that this is a sexual orientation," says Hanne Blank, whose Web column, "Ask the Fat Broad," weighs in on everything from S&M to vaginal fisting. "They don't want it called a preference, much less a fetish."

"To me, fetishes are about accoutrements: whips, chains, high heels, rubber—what have you," says Sandie Sabo. "This is about relationships with living people, not objects."

If Sabo sounds defensive, it may be because oversized people are often sought after by "skinnies" for the sake of degradation.

"This scene is not an issue of the man who can find a fat woman attractive," says Dr. Howard Devore, a clinical psychologist who has encountered numerous blubber lovers in his work as a sex

therapist. "Many of these men fetishize body fat. To them, it's the rolls of flab that they care about and eroticize, not the woman. They will literally fuck the folds of fat."

"Most guys think fat girls are easy," says Helen. "That it's what you take when you can't get the girl you really want. We've all been told fat is second best."

The "FLABulous" Teighlor, star of XXX flicks such as *Much More To Love*, is so obese that she can't walk without the help of a cane. The 500-pounder, whose stupendous figure (63-53-78) inspired a plus-sized blow-up sex doll, would like to see a more fat-tolerant society.

"This is a time when almost every other conceivable form of prejudice is looked down upon by society," Teighlor says. "Because fat people are thought to be lazy, degrading humor is not only allowed but, in many cases, encouraged."

The Southern California Size Acceptance Coalition works to raise awareness of "size discrimination," and the National Association to Advance Fat Acceptance sponsored a Million Pound March, a pride event that was attended by porcine actress Camryn Manheim.

Some fat chicks find themselves the victims of particularly destructive sexual

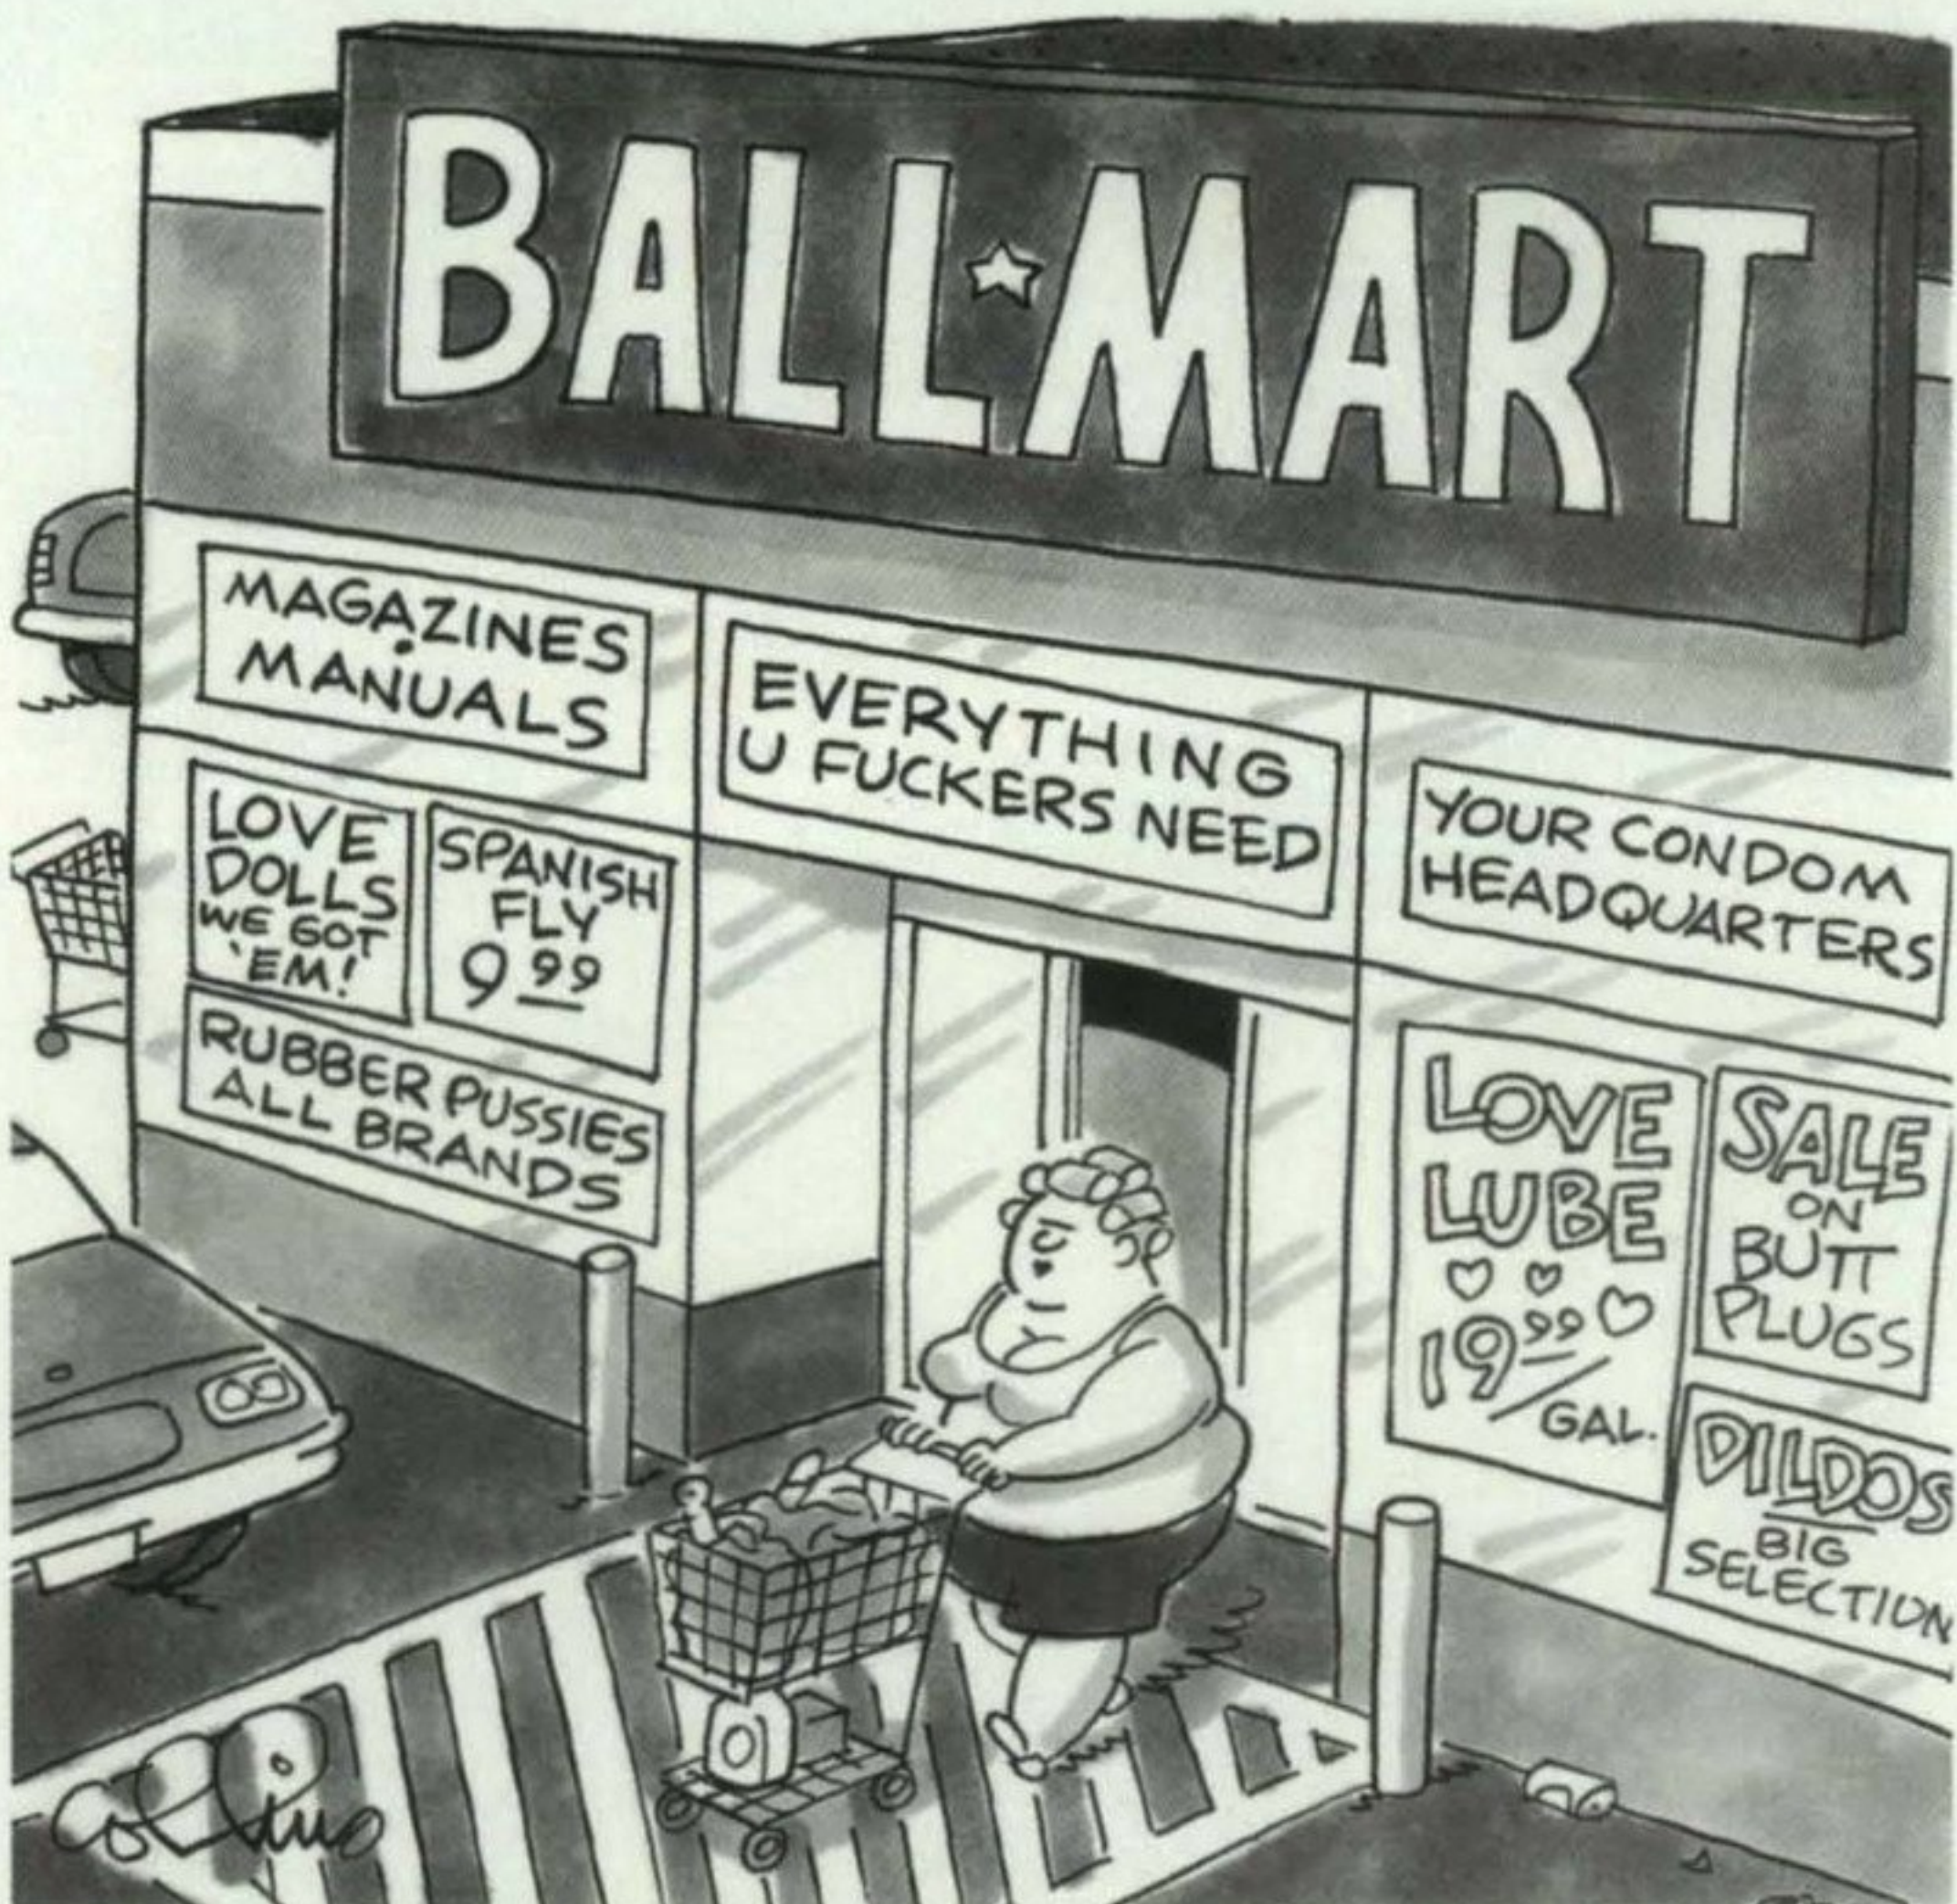

relationships. Extremely obese women who put on even more weight to satisfy their lovers' cellulite cravings are known as feedees, and their partners are feeders.

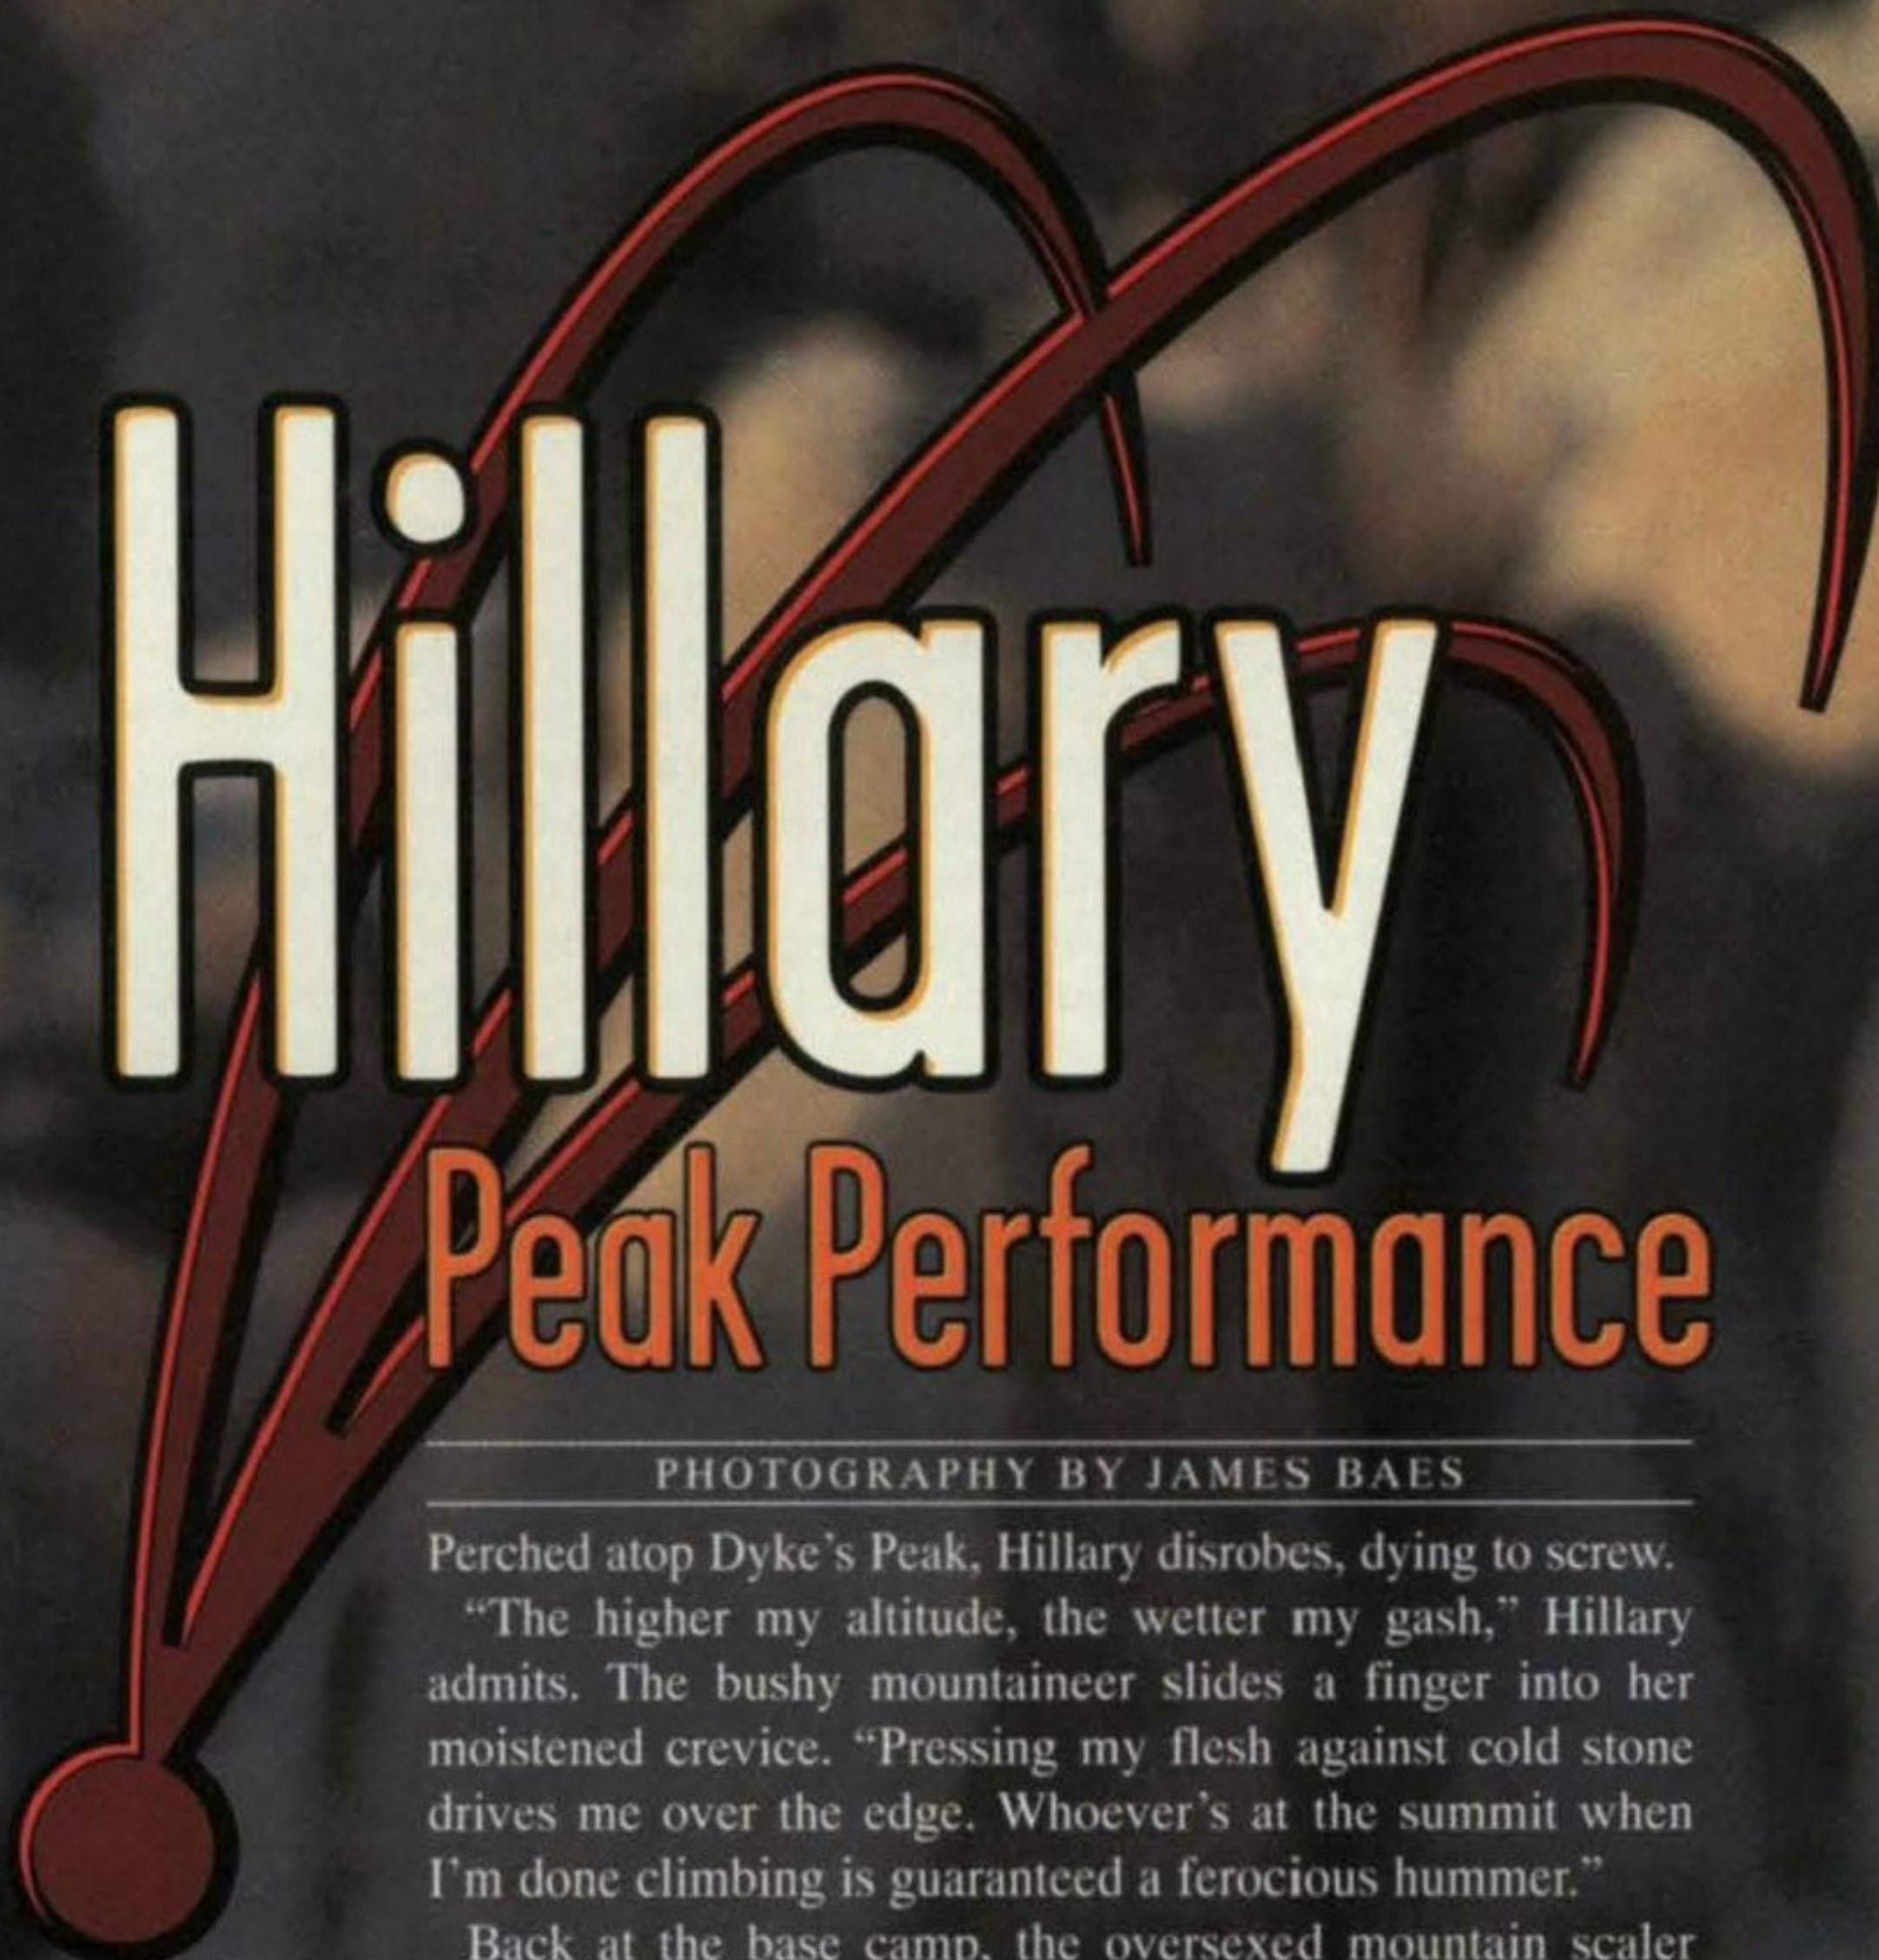

"These men feel it's not okay to be sexual with a woman who weighs any less than, say, 400 pounds," says Dr. William Fitzgerald, a therapist at the Silicon Valley Relationship and Sexuality Center. "It's like a man who doesn't want to have sex with his wife unless she wears a rubber cat suit."

"Lots of FAs are turned on by weight gain, in the same way a man who didn't like fat would be turned on by his wife losing weight," explains Sandie Sabo. "FAs love to see fat jiggle—it gets them hot. Our magazines are full of erotic weight-gain fantasies. And lots of couples use food and feeding as foreplay. But there are some men in the movement who want to feed women until they are immobile and some women who want to be fed until they are immobile."

"I stress that this is a small, fringe minority," Sabo adds. "Every faction of sexuality has its unhealthy extremes, and so do we."

There is no healthy side to obesity, but for jumbo ladies and the men who love them, an ounce of tolerance goes a long way.

"The higher my altitude, the wetter my gash," Hillary admits. The bushy mountaineer slides a finger into her moistened crevice. "Pressing my flesh against cold stone drives me over the edge. Whoever's at the summit when I'm done climbing is guaranteed a ferocious hummer."

Back at the base camp, the oversexed mountain scaler prefers to stay horizontal.

HARDWORKING COLLEGIATE
WHORES GIVE NEW MEANING TO
THE TERM CRAMMING.

In a dimly lit brownstone in Boston's tony Back Bay neighborhood, Jennifer, a natural blonde with a sleek, aerobicized body, awaits her next client. It is 1:30 in the afternoon on a bitter cold New England day. To pass the time, Jennifer cracks open a management textbook and makes notations in the pages with a yellow highlighter.

Jennifer, 21, is a full-time business student at Boston University, where tuition tops \$23,000 a year, not including books; basic living expenses, such as rent and food, tack many thousands more to her total expenditures. Jen takes advantage of financial aid, work-study and scholarship opportunities, but her material needs eclipse the dribbles of income that these resources provide. Even so, Jennifer never expected that when she traveled east from her native Wisconsin she would wind up fucking her way through school as an escort whore. ►

WHORES

Coed Whores

"I usually see about six clients during a shift. My boyfriend doesn't suspect a thing when I meet him in film class around 7 p.m. It's too easy in a way."

Jennifer's career as a part-time hired cunt began when she was perusing the classifieds in a local weekly newspaper and ran across a want ad that intrigued her: "Need Extra Money for Books? Seeking Attractive, Reliable College Women."

"On an impulse, I made the call," Jennifer says. "I had this vision of playing high-class callgirl to wealthy married men on business trips."

The next day, Jennifer was interviewed by a middle-aged madam at one of Boston's oldest escort agencies. "She really liked my look and said I would do very, very well," Jennifer says. "She was right."

By the end of the week, Jennifer was assigned a shift in a studio apartment about two blocks from Boston's financial district. Her clients would be middle-aged professionals—men wearing white, pressed shirts and silk ties—seeking to break the monotony of the workday with an erotic interlude.

"The first time was surreal," Jennifer says. "I had to have sex with this middle-aged stockbroker who could have been best friends with my parents."

A year after she turned her first trick, Jennifer carries herself with an air of worldly sophistication beyond her years.

She works out of a plush apartment and maintains a loyal clientele of white-collar johns who shell out \$275 an hour for the pleasure of her company. After a steamy fuck session, the tricks return to their corporate work spaces slightly disheveled but altogether satisfied. Jennifer hops on the bus and rides back to campus to study for her M.B.A., which she hopes will someday land her a job in the nearby financial district, where most of her clients come from.

The stereotypical prostitute falls into whoredom following a string of bad breaks that usually includes substance-abuse problems and a broken home. Students at respected institutions of higher learning, with youth, intelligence and the opportunity to do better things, have other reasons for pursuing escort work.

Sara, a senior at Emerson College in Boston, says that breaking up with her boyfriend of five years catalyzed her entrée into prostitution. "That was my trauma," she says, though she concedes that cash was also a factor.

"I wanted lots of money to go on mini-vacations and pamper myself," Sara says. "It was also kind of a cheap thrill, an initiation of this normal girl into a whole new world."

"There was mystery in it," Sara adds. "I figured there were lots of college students in Boston, so why not try it? It certainly seemed more feasible than slaving away at some counter serving uptight people coffee at six bucks an hour."

Boston is an academic mecca; there are about 20 colleges and universities in the greater Boston area, including Harvard, MIT, Boston University, Northeastern, Suffolk University and the Berklee College of Music. These paragons of academia produce many of tomorrow's leaders along with some of today's trollops.

"Yeah, the guys like the fact that they're getting a college girl," Jennifer says. "But these guys are on rushed lunch breaks; they want the fantasy for about 20 minutes so they can get artfully blown, get laid and get back to work."

Much of the trade in well-educated female flesh takes place during daylight hours, since most students can't afford to be missing in action after dark because of worried roommates and jealous boyfriends. Daytime trysts are also ideal for working stiffs seeking ejaculatory relief during lunch breaks.

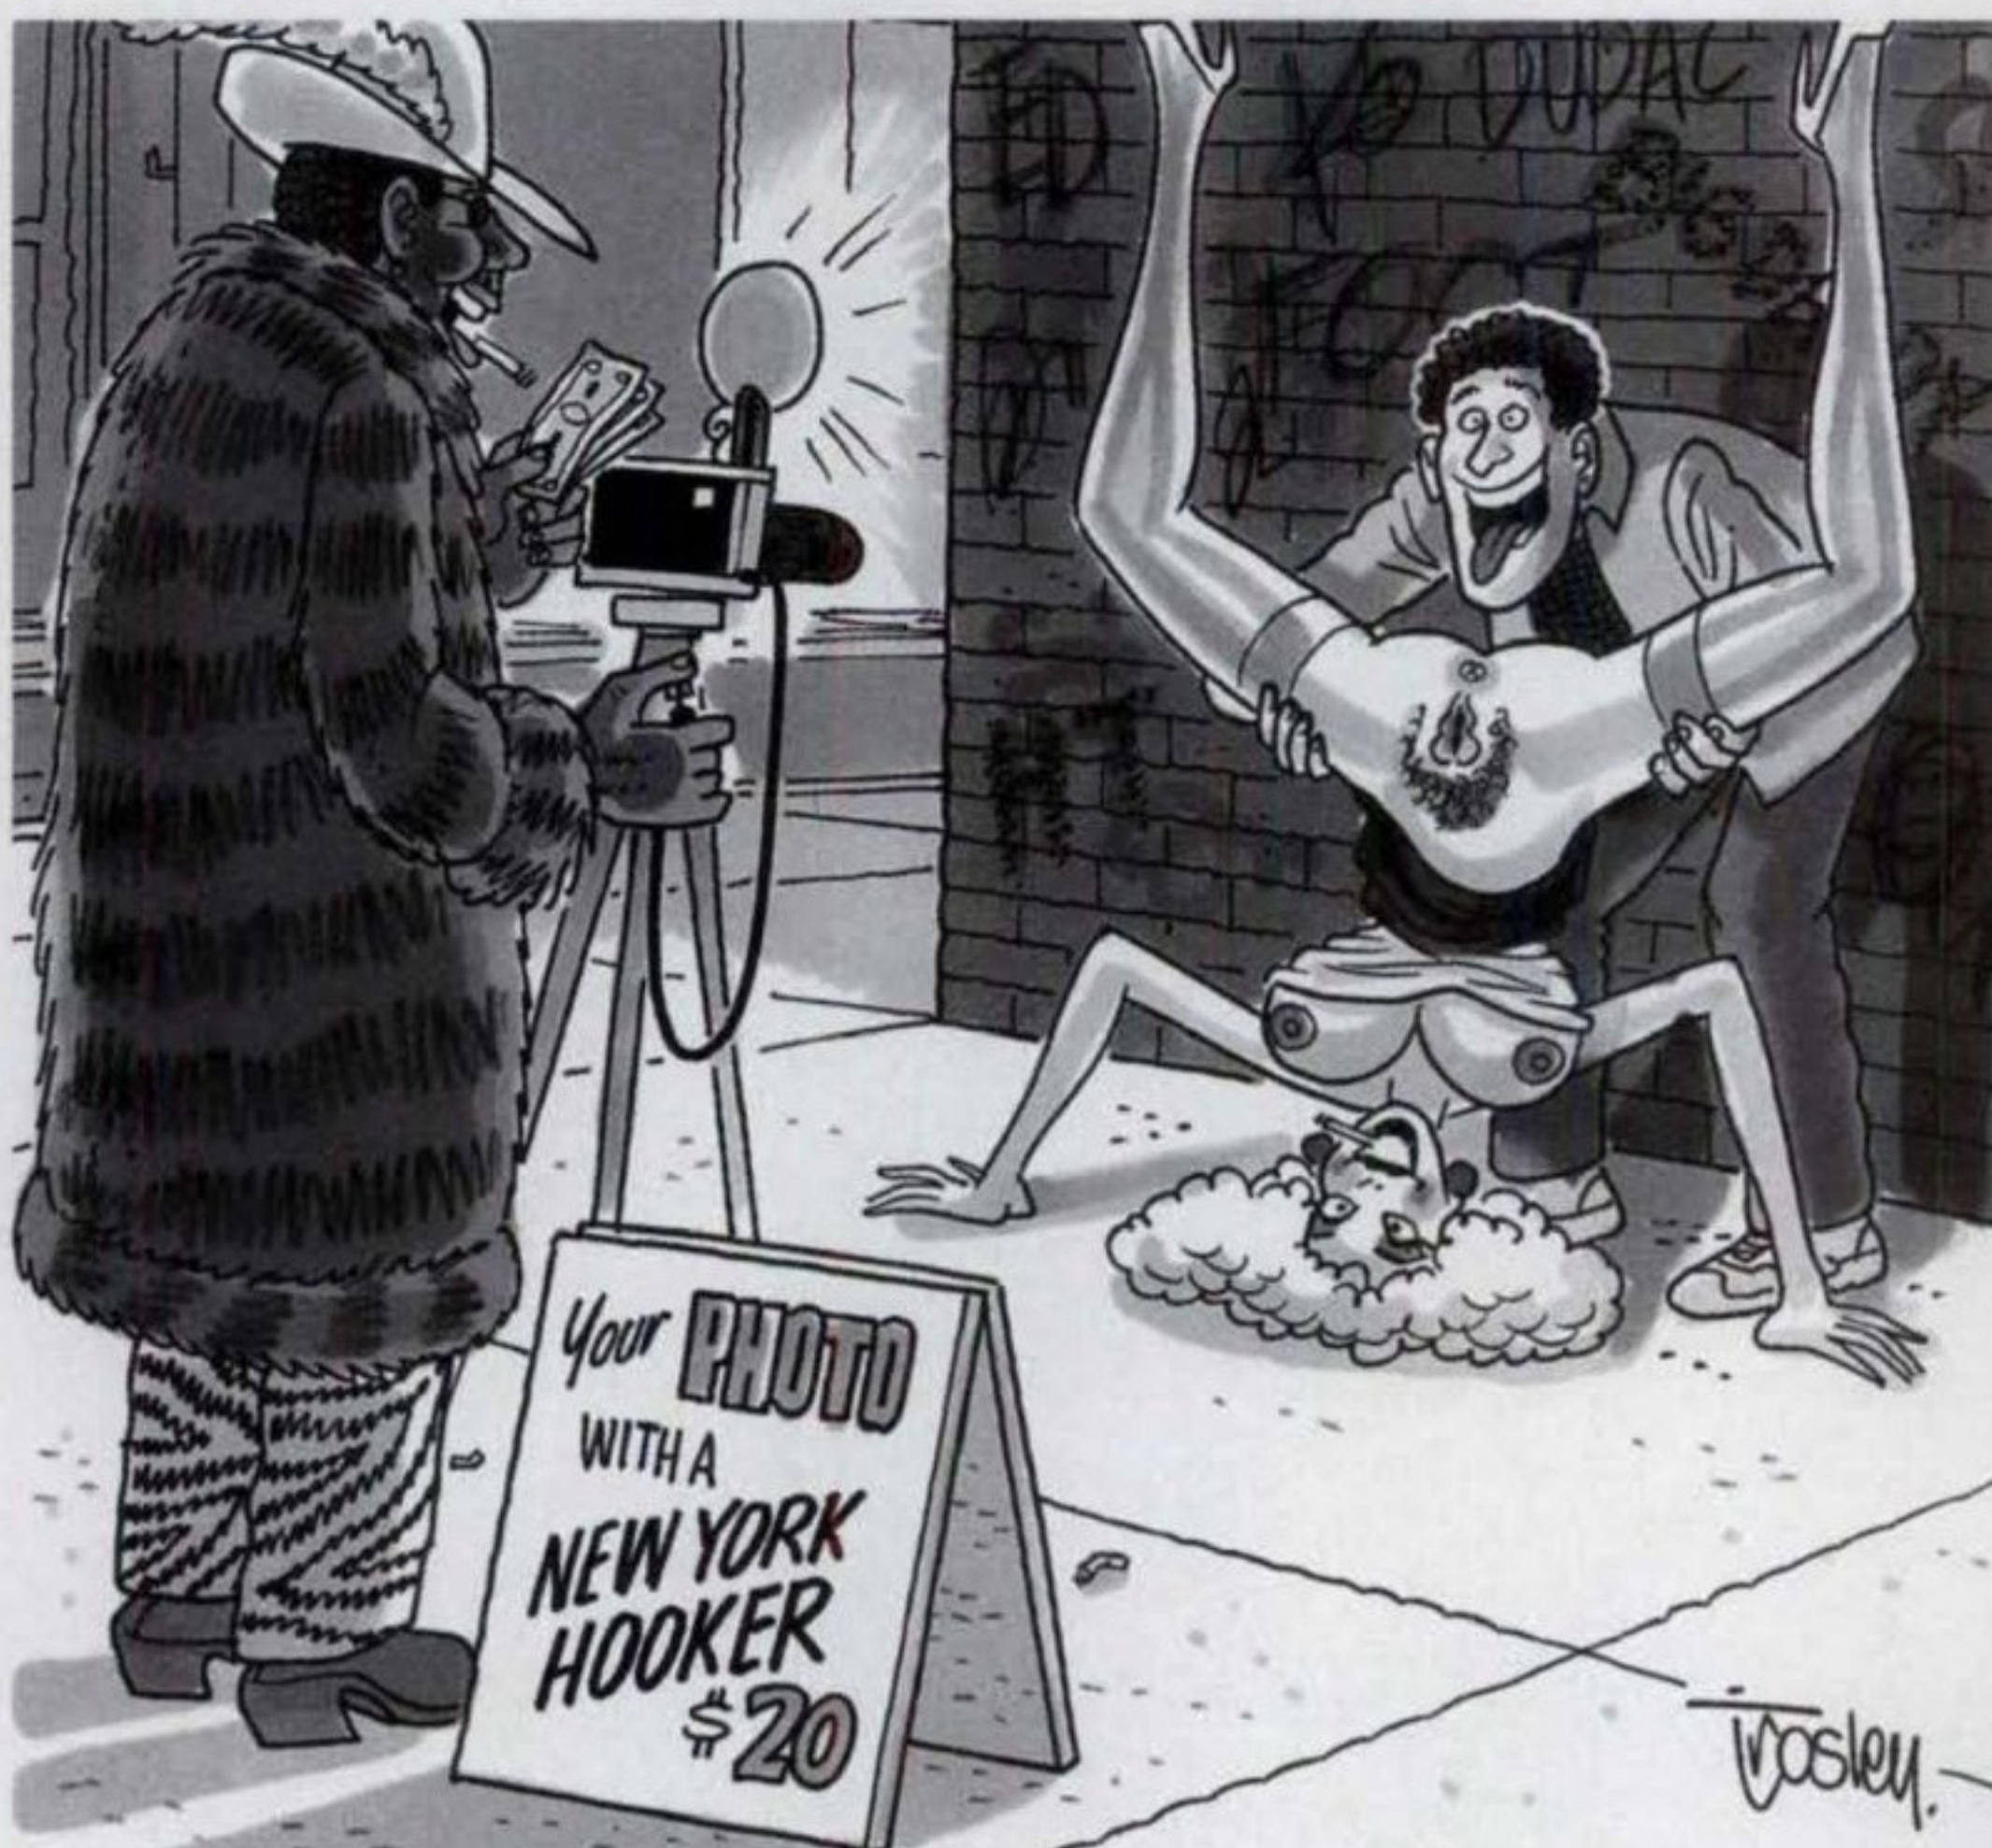

Julie, a 23-year-old student at the University of Massachusetts at Boston, recounts a student/escort's typical day:

"I wake up around 9 a.m., throw on my jeans and sweatshirt, and head to my first class, Western Civilization. I've got my backpack already stuffed with a dozen condoms, gels, and my stockings and lingerie; so I race from class to Back Bay on the Green Line for an 11:30 appointment with one of my regulars. I usually see about six clients during a shift. I get done around 3 p.m., go home and take a nice bubble bath. My roommates think I've been studying. My boyfriend doesn't suspect a thing when I meet him in film class around 7 p.m. It's too easy in a way."

A penchant for thrill-seeking is common among college girls who turn tricks. Julie, a well-racked redhead, says she turned to hooking in part because she thought prostitution would add spice to her sex life.

"I feel so constricted by a demanding, predictable academic schedule that this provides me the outlet for some sexual creativity," Julie says. "The guys I have dated at school have been sexually less than dazzling. Granted, there are plenty of unattractive older men I have had as clients, but there is something sexy about answering a door to a complete stranger who is paying you lots of

Fiery Fingerwork

"This is where I've come up with some of my best licks," muses Beth. She puts down her trusty six-string. Nestled in the tall grass, she lies back; her fingers finesse the soft fuzz of her split peach. The plucky beauty's agile handiwork coaxes glistening puddles of sugary juice from her nether-lips as if composing a concerto. "I've always needed to keep my hands busy," she groans. Her body twists with pleasure. Beth's guitar usually keeps her occupied, but when inspiration fades, she can always count on her fingers to tap into the groove.

Coed Whores

(continued from page 60)

"Professionals who call us want a beautiful coed with a killer body and a mind. These college girls fit well into our client's fantasy—the older man seducing the naive student."

money to entertain him in ways you know you do well."

Jennifer says she long repressed a need to act out sexually and has found a vent for her "deviant side" through whoring. Such reasoning is apparently not uncommon among collegiate doxies.

"I was a goddamn goody-two-shoes," says Alexandra, a 20-year-old junior at Boston College. "I dated the captain of the football team and had a bunch of preppy, one-dimensional friends. Boston was my escape, and I think I wanted to take it over the edge. Being an escort can be abysmal—sweaty, obnoxious pricks who are trying to do you up the ass when you don't do that for the umpteenth time—but then there's the good ones, the charming ones who make this job interesting. I go through periods of feeling a rush from the excitement, like a sky diver or race-car driver. Other times I feel a bit ashamed."

Boston's college-girl whores may enjoy the walk on the wild side, but their tendency to be on the broke side adds equal motivation for hooking. Annual expenses at both Harvard and MIT top \$30,000; a year at Northeastern or Emerson runs in the neighborhood of \$25,000.

Janet Hookailo, a spokesperson for Northeastern University, expresses "con-

cern" for students who hook their way through high-priced colleges, but stops short of outright sympathy.

"You have a million students graduating from schools all over the place each year. Ninety-nine percent graduate successfully without resorting to prostitution," Hookailo says.

An undergraduate education may be pricey, but school officials are not directly responsible for drawing coeds into prostitution; that distinction belongs to those who run the escort agencies themselves, which recruit heavily in the Boston area and specifically target students.

"There is an overwhelming demand for college girls," says Jim, a well-muscled Italian who runs an established escort agency in Boston. "Professionals who call us want a beautiful coed with a killer body and a mind. These college girls fit well into our client's fantasy—the older man seducing the naive student."

Diane is a street-smart Boston-area madam who deals exclusively with college students.

"My clients are wealthy men. They want to see a girl who has poise and intelligence, along with the obvious attractiveness and impeccable hygiene," Diane says. "The girls I hire carry an air of

class; they are educated and charming. We can afford to charge very high prices for our services. These college girls are worth every penny."

Escort professionals such as Diane and Jim do most of their campus recruiting by way of the *Boston Phoenix*, a local weekly newspaper that is one of the main sources of arts and entertainment listings in New England. College-aged readers use the *Phoenix* to find out which flavor-of-the-month band is playing where or what avant-garde film is being showcased at a quirky Cambridge theater. Starving students skim the classifieds for job opportunities; the attractive females among them always have a position waiting.

"We know there are going to be dozens of girls who want extra cash for stylish clothing and concerts," Diane says. "Our ads work."

HELP WANTED

I am Boston's most sought after dominatrix, and I am currently searching for an apprentice to train. You must be a reliable, attractive college student interested in male domination.

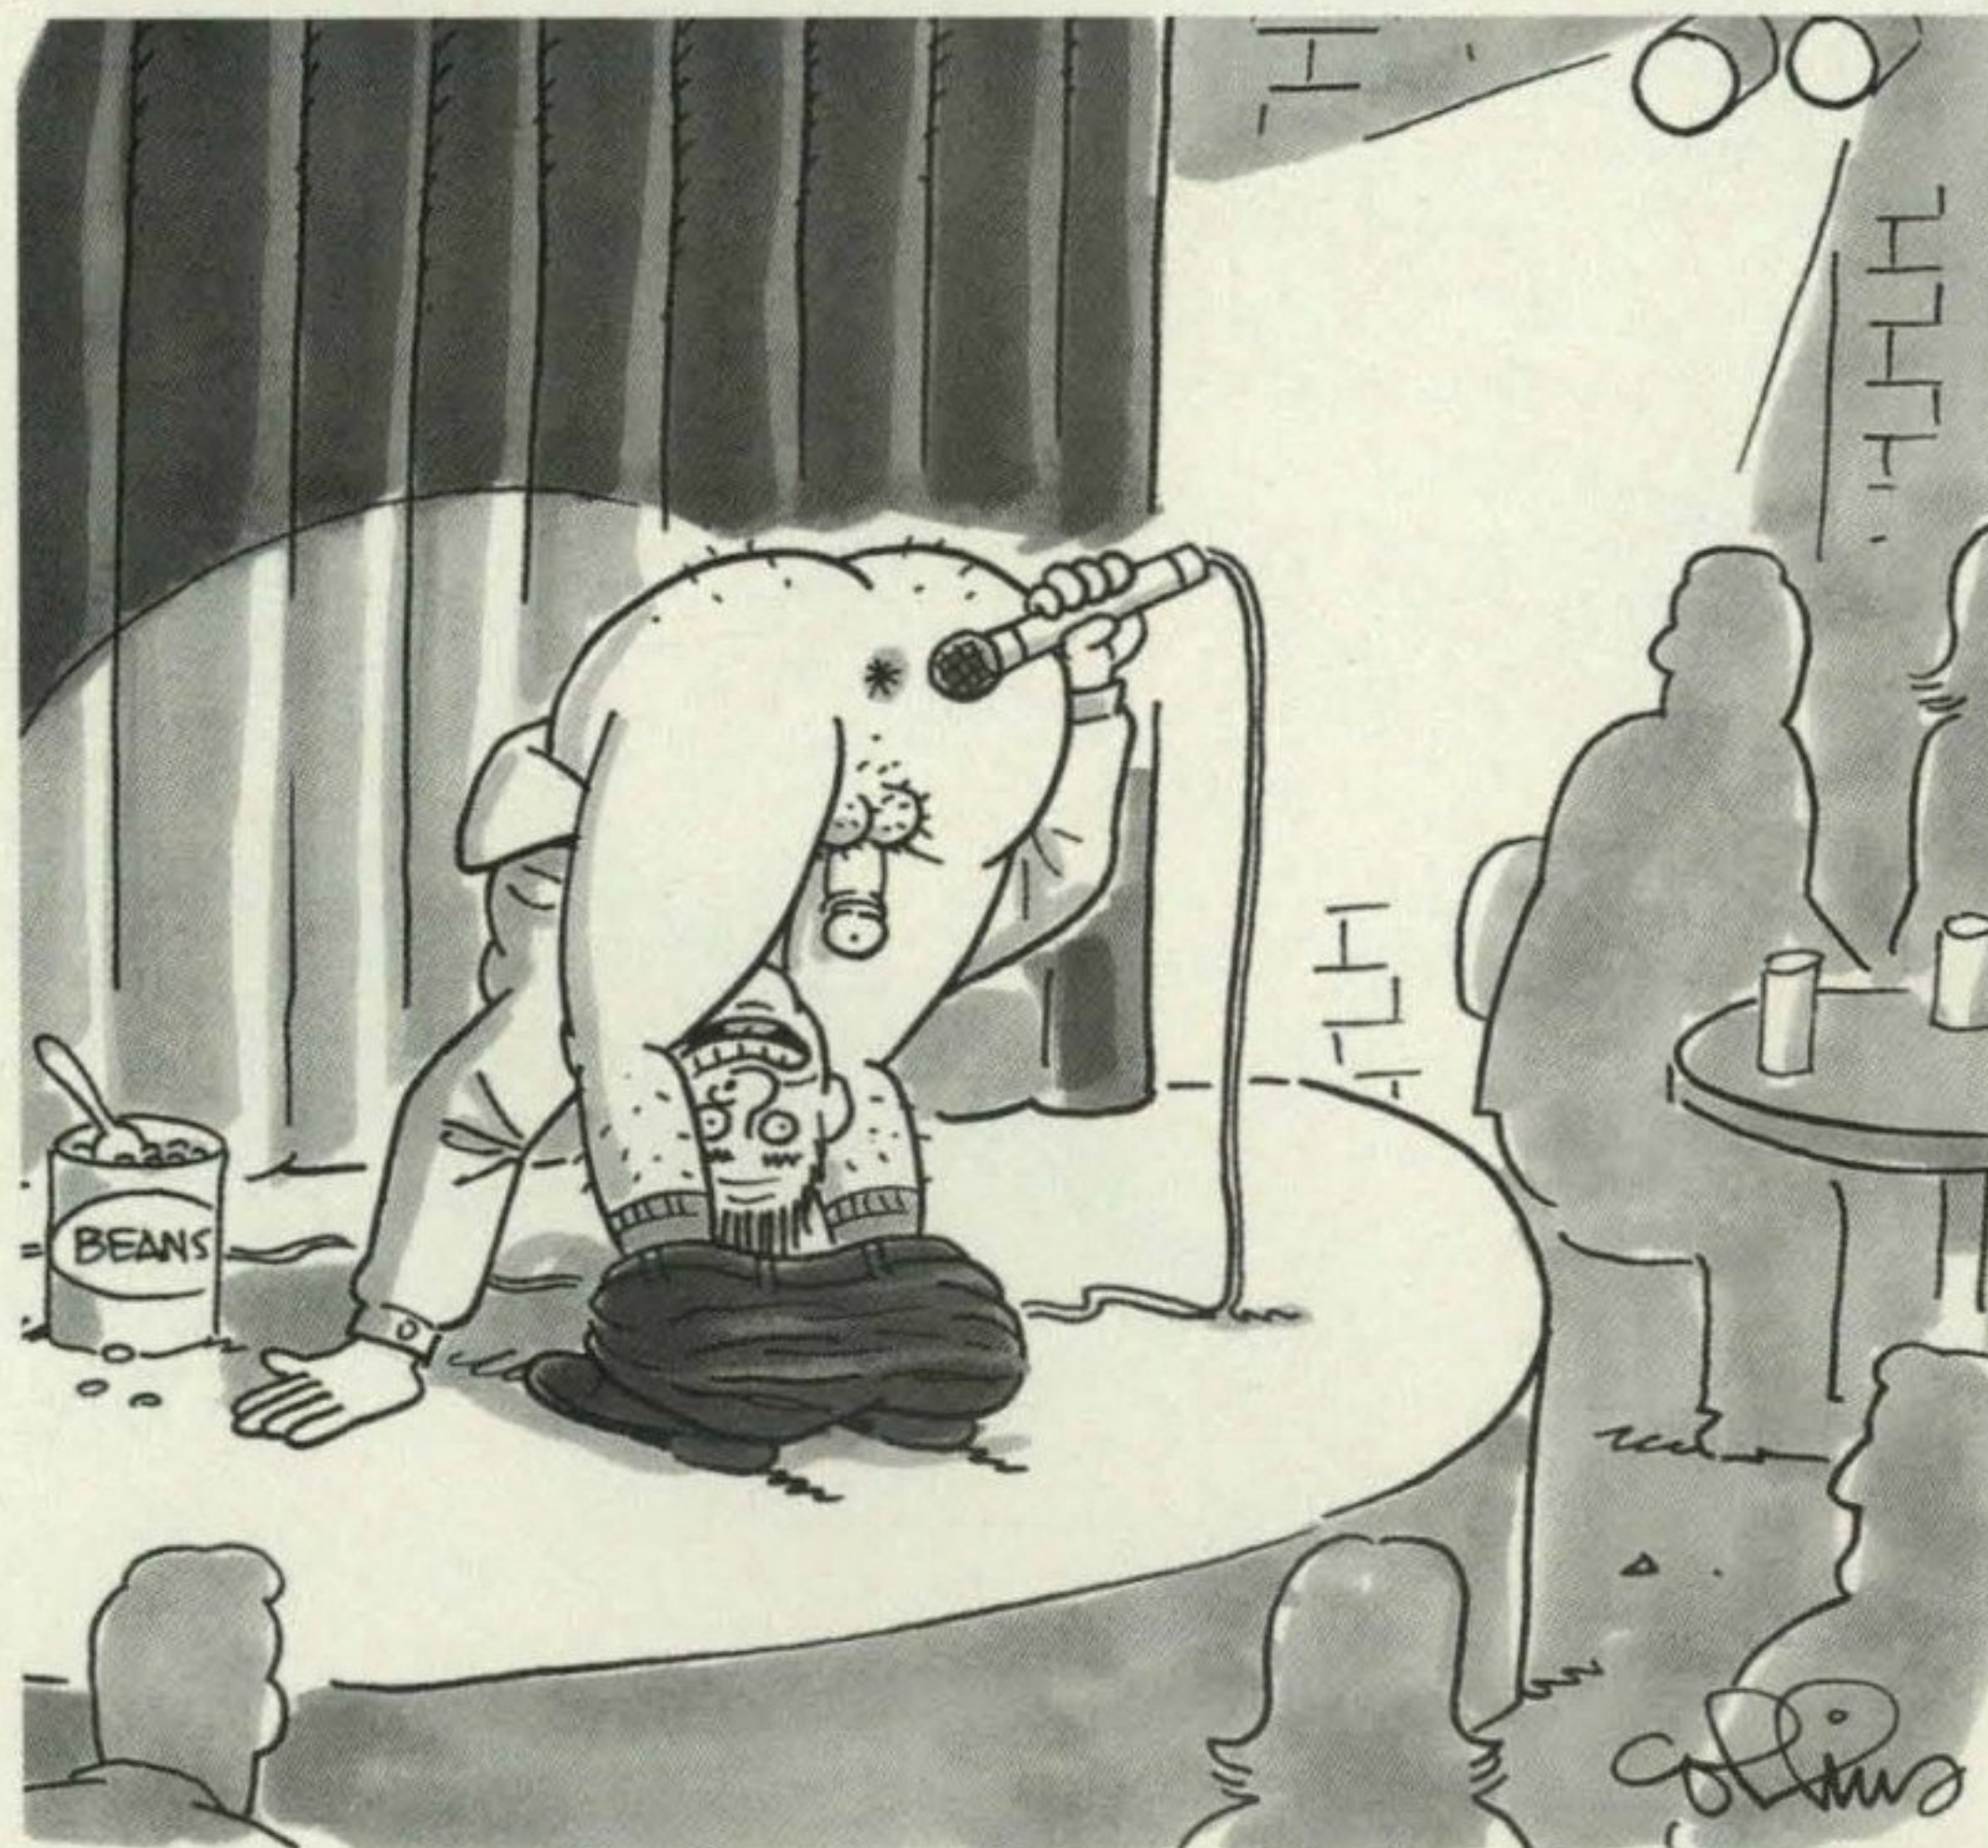

"Sometimes I feel like those ads are like strangers with candy tempting the eternally sweet-toothed," says Michelle, a dark-haired junior who attends Northeastern. "They know the easy money is going to appeal to college students, even when they are getting financial aid. Believe me, I had a feeling I was getting into prostitution when I answered the ad. Perhaps the greatest trap of this work is not so much the advertising but the deception. I grapple with the deception daily."

The conundrum Michelle and other college hookers struggle with results from leading a double life.

"It's very hard keeping a secret," Jennifer concurs. "Human nature is to reveal it. But I can never fully open up. I cannot be honest to most because I am fucking guys for money."

Against the frenetic backdrop of university living in a fast-paced metropolis such as Boston, college escorts can discreetly maneuver between their dual worlds. Lying becomes second nature. Even so, Sara often finds herself terrified by the prospect of being discovered.

"I have this fear that one day my luck is going to run out, and I'll open the door and it will be my boyfriend's best friend,"

"Stop me if you've heard this one!"

Dear Janet Reno,

Coed Whores

"A lot of college girls believe that since they are catering to an upscale, white-collar clientele, they are safe. That can be a deadly assumption."

Sara says. "If I was ever found out, I'd leave Boston for sure. It would be too humiliating to have to face my friends, especially my boyfriend. I don't think I could handle that; but at the same time, I don't stop doing it."

Kelly, a buxom blonde with blue eyes and full hips, feels no need to lie to the people in her life about the nature of her job. A student at Boston College's Graduate School of Social Work, Kelly has been up-front with friends and family from the beginning of her career in whoredom.

"I told my parents; they are not crazy about the idea, but they don't judge me either," says Kelly, who comes from an affluent Chicago family.

Kelly owns her own home in Newton, Massachusetts, and she uses her earnings from spreading her legs for strangers to finance both her education and her mortgage.

"I feel sorry for the women who have to hide; it's a horrible way to live," Kelly says. "Frankly, I don't think it's worth it, even with the money."

Michelle attempted to maintain the facade of a conventional life and was devastated when her lies collapsed around her.

"My then-boyfriend was in my back-

pack looking for a pen one night when we were studying and found a stash of condoms," Michelle recalls. "It was awful. He called me a fucking whore and stormed out. He assumed I was screwing some other guy; he probably didn't even think for a second that his girlfriend was a genuine-article whore."

Sara recalls a particularly awkward experience she had one summer while servicing a first-time customer after a string of three regulars. "A guy came into the apartment in Back Bay. He was heavysset but looked slightly familiar. It was in the middle of my giving him oral sex that he stared down at me and said, 'Hey. You used to live in the apartment next to me at college. I had the biggest crush on you.' He must have said my real name 20 times. I almost died. I kept insisting I was someone else, but he was convinced. Finally, I just surrendered and told him to shut up. We had sex. He gave me an immense tip, and then I went home that night and cried my eyes out."

For Sara, having her two worlds collide so unexpectedly rattled her deeply. She stopped working for a few months for fear of another run-in with an acquaintance.

Given the density of Boston's school-age population, coincidental meetings are a

very real danger for coed prostitutes. Embarrassment is certainly more likely than a vice bust; in Boston, college women are rarely arrested for prostitution.

"The major problem police address is the streetwalkers who are littering the neighborhoods," says Boston District Attorney's Office spokesman Jim Borghesani. "We don't have time to go after every escort agency."

Part of the reason college-girl escort rings do not appear on the radar screen of Boston police task forces, such as Project Squeeze, which performs street sting operations, is that escorts are shuttled around from apartment to apartment and never frequent hotels on successive nights. Students habitually dress down, so collegiate whores blend in with the general city populace. And they tend to entertain respectable-looking clients in fairly decent neighborhoods. A part-time student/part-time hooker commits, in essence, a perfect crime.

Sara points out that even if the police were intent on busting student whores, it would be difficult to penetrate the protective barriers that escort agencies surround themselves with.

"In order to see one of us, a potential client has to call the number in the ad, listen to a recorded message and then telephone a live operator," Sara says. "The guy has to give his full name and a number where he can be reached. No discussion of sex is ever had over the phone. If a guy asks specific questions about how much a blowjob is, he is suspected of being a cop."

The risk of being nabbed by the vice squad may be minimal, but escort work does involve on-the-job hazards.

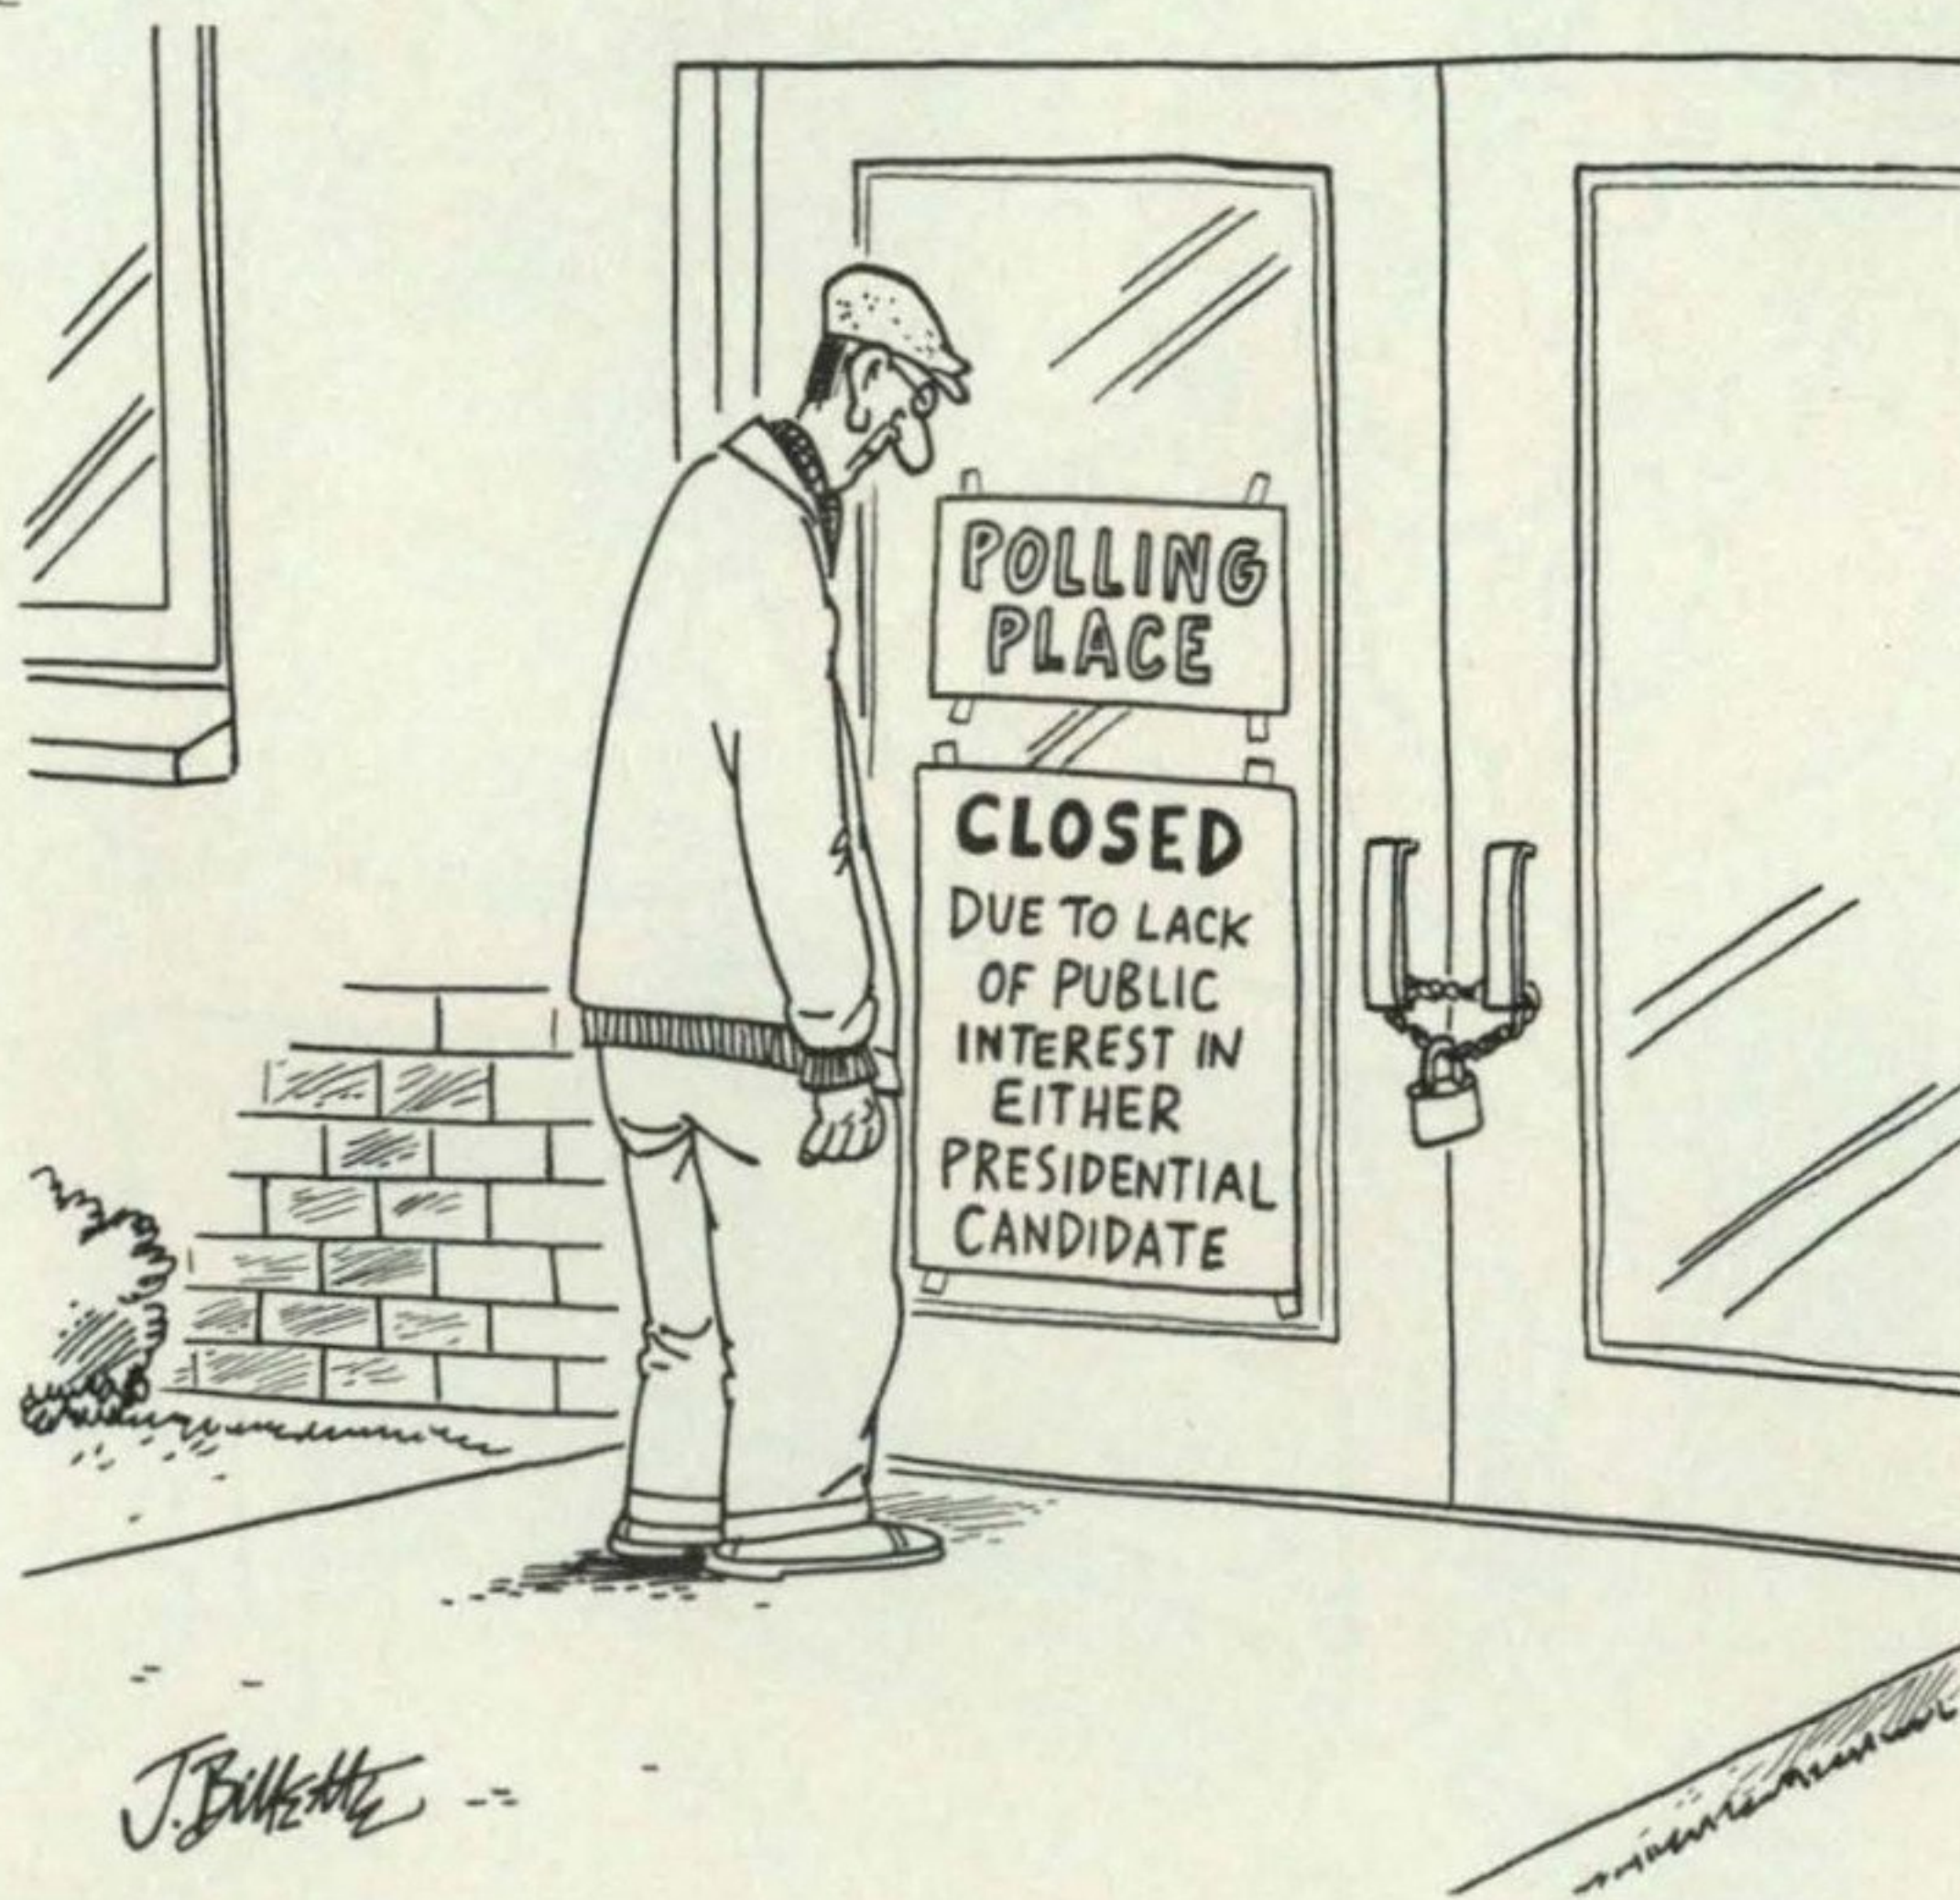

"A lot of college girls who try this work experience a rude awakening," says Julie. "They believe that since they are catering to an upscale, white-collar clientele, they are safe. That can be a deadly assumption. Just because you are academically with-it does not mean you have the sophistication or attitude for being an escort. So many things can go wrong."

"Prostitution, or whatever you want to call this, can be very risky," Sara admits. "I have had a few clients who have terrified me."

Sara's most traumatic experience occurred in the spring of '99 when she agreed to work in an apartment in a dodgy neighborhood.

"In walks this guy, super-muscular with glasses, said he was a graduate student at Harvard's Department of Archaeology," Sara remembers. "He proceeded to name

"I'm a hopeless club junkie," confesses glittery gamine Vera as she drops her red, sequined miniskirt to the floor and her hand to her damp labia. "As soon as the music starts, I can just taste the heat coming off other people dancing."

As Vera's orange top creeps up to expose her pert nipples, she reveals the source of her club obsession: "One of my first times out dancing, this guy started grinding up against my butt. The strobes were flashing, and I could barely see anything, but I could feel the rock-hard bulge in his pants. I was already glistening with sweat; within seconds, my pussy was dripping too. My amorous dance partner lifted my miniskirt and drilled my snizz to the pounding rhythm of the room. The song finished before he could. Now I'm looking for someone else who can keep the beat with me."

HUMOR

The first-grade class filed back in after lunch period. "Tell me, Wendy," said Miss Barnes. "What did you do during recess?"

"I played in the sandbox," Wendy replied.

"Good," the teacher cooed. "If you can write *sand* on the blackboard, I'll give you a fresh-baked cookie." The girl picked up the chalk and wrote SAND. Miss Barnes handed over a cookie and turned to Johnny. "Now, what did *you* do?"

"I played with Wendy in the sandbox."

"If you write *box* correctly on the blackboard," the teacher said, "I'll give you a cookie too." Johnny did as she asked and earned his treat. Miss Barnes focused on a little black kid.

"Tyrone, how did you spend recess?" she asked.

Tears welled in Tyrone's eyes. "I was gonna play with Wendy and Johnny, but they threw rocks at my head."

"Oh, my!" Miss Barnes clucked. "That sounds like blatant racial discrimination. If you can write *blatant racial discrimination* correctly, I'll give you a cookie."

Farmer Tom was munching on pistachios as he watched his rooster chase a hen around. Playfully, the farmer threw a nut onto the ground. The rooster broke off his carnal pursuit and ran over to gobble down the pistachio.

Tom shook his head slowly and muttered, "I hope to God I'm never that hungry."

The HUSTLER Dictionary defines *anilingus* as: kissing into the wind.

A pair of nuns were traveling through Transylvania in their car. As they waited for a light to change, Dracula swooped onto the hood of the car and bared his fangs.

"Dear Lord!" cried the driver. "Now what do we do?"

"Quick, quick!" shouted the nun in the passenger seat. "Show him your cross!"

The driver rolled down her window and hollered, "Get off my fucking hood!"

Marge was drying herself after a shower when she slipped, landing spread-eagled on the bathroom floor. The poor woman attempted to stand up, but her wet pussy acted as a suction cup on the tile, keeping her in place.

Marge's husband, Lou, answered her cries for help. Try as he might, Lou couldn't budge his wife either.

"Face it," Marge said. "You'll have to take a hammer to these tiles to break the seal."

"Okay," Lou conceded, "just let me rub your tits."

"Why?" asked the confused housewife.

"So I can slide you into the kitchen. The tiles are cheaper in there."

Question: What's 18 inches long, three inches wide and hangs in front of an asshole?

Answer: George W. Bush's tie.

A drunk staggered into a whorehouse and picked Bessie, the fattest girl in the bunch. The hefty hooker dragged her customer up the stairs. Bessie removed her tent-size negligee and flopped back onto the bed with her legs spread.

The bleary john saw the whore's upturned pit and wondered aloud, "What am I doing in this lane? I don't have exact change."

Three housewives, accompanied by their children, sat in the waiting room of a noted psychiatrist. The skilled headshrinker admitted the first lady and emerged 15 minutes later.

"Mrs. Grayson, your problem is simple," the doc proclaimed. "All you ever think of is food! Why, you even named your daughter Candy!" The grateful hausfrau took her child and left.

When the second woman came out of her 15-minute session, the doctor pronounced, "Mrs. Daniels, you're obsessed with the thought of money. Why else would you name your daughter Penny?" Mrs. Daniels thanked the man, picked up her daughter and went home.

The third housewife stood up. "You're a quack!" she blustered. "All this mumbo jumbo about names and obsessions—why, it's just a bunch of bullshit!"

The quarrelsome patient turned, herding her three little sons together. "Dick, Peter, Willie—come along now."

PRISONS FOR PROFIT

PRIVATE POKEYS CASH IN ON MISERY

REPORT BY JESSE OPPENHEIMER * ILLUSTRATION BY KENT BASH

WITH THE INJECTION OF THE PROFIT MOTIVE INTO THE BUSINESS OF INCARCERATION, DOING HARD TIME IN THE COOLER HAS BECOME A WINDFALL FOR PRISON OWNERS AND A NIGHTMARE FOR EVERYONE ELSE.

About 40 miles southeast of Albuquerque, amid vast expanses of barren pinto-bean fields, there lies Estancia, a small, impoverished hamlet. A historical marker on the outskirts of town indicates arrival in "the true heart of New Mexico" and "site of New Mexico's last hanging in 1922." Today, an air of strangulation still looms over Estancia, which shows just a few sputters of economic life—a gas station, a barbecue joint, the Blue Ribbon Bar. A few miles east of town, however, a massive cash cow grazes contentedly, one that milks megabucks from human misery—the Torrance County Detention Facility.

Owned and operated by the Corrections Corporation of America (CCA), Torrance County is no traditional jailhouse—it's a stripped-down "prison-for-profit." Recently expanded to 910 beds, the private pokey holds murderers caught and condemned in every corner of the country and then shipped here to the Land of Enchantment. It doesn't matter who's wearing the prison blues—they're all greenbacks to CCA. ➤

Prison for Profit

Estrada was alone in the gym guarding 30 inmates and monitoring 117 convicts in an adjacent yard when a riot broke out and prisoners attacked him with baseball bats.

Inside, white cinder-block walls are decorated with baby-blue Southwestern patterns and murals of mesa landscapes, Aztec calendar wheels and Indians on horseback. Jumpsuited prisoners work in groups mopping the floors; the men are blank-faced and eerily silent. Two gymnasiums, a basketball court, and a tidy library with turquoise carpeting and maroon plastic chairs are empty—nearly all inmates are cooped up in their “pods.” For the general prison population, a pod consists of stacks of two-man cells and a cramped dayroom. For the men who inhabit the segregated units, the whole world is reduced to a tiny box where cons are locked down 23 hours a day. In these sardine-packed cells, somber faces press up against small port-holes, their eyes cold and desperate.

The office of the prison’s warden, Don Dorsey, is a world apart from the nearby “seg” units—happy photos, wacky baseball caps and coffee mugs fill the bright space. The boyish-faced warden leans back in his chair and lights up a smoke. Behind his desk is an elevated window with a commanding view of the crystal-blue New Mexico sky framed by glinting ropes of platinum razor wire.

“I don’t like the term *prison-for-profit*,” Dorsey says. “But when you’re in business, it’s to make a profit. But that’s not the

guiding principle; the guiding principle is quality service at a lower cost. We ain’t no fly-by-night outfit. We’re the largest and best private corrections corporation in the United States.”

CCA opened America’s first modern private prison in 1984. Thanks to the country’s surging prisoner population and a backlash against government waste that took root in the Reagan era, the business of incarceration has exploded since then into a billion-dollar-a-year industry. Revenue for Wackenhut Corrections, CCA’s main competitor, has risen 40% in the past year alone. About a dozen private companies have locked up lucrative government contracts to lock down prisoners from coast to coast. These for-profit penal colonies now operate 163 prisons with 123,000 beds in 30 states, as well as Washington, D.C., and Puerto Rico. For investors and the beneficiaries of big-ticket contracts, private corrections is a free-market dream come true; for anyone falling short of the ruthless bottom line, it’s been a heinous nightmare.

Alberto Estrada took little comfort in being recognized as the Torrance County Detention Facility’s employee of the month after being nearly killed by inmates on the night of August 17, 1999. Estrada was alone in the gym guarding 30 inmates and monitoring 117 convicts in an adjacent

yard when a riot broke out and prisoners attacked him with baseball bats.

“I got six cracks on my head, both hands broken. I was almost dead,” says Estrada, who is still recovering at home on workman’s comp—65% of an \$8.50 hourly wage. “I was in a coma for five days. I can’t smell, and I can’t taste.”

Estrada’s ordeal could have been avoided if CCA had bothered to fix a broken gate connecting the gym to the yard.

“That gate was broken for five, six months,” Estrada says. “You gotta keep an eye on the inmates and keep an eye on that damn gate.”

“They said it was too expensive to fix,” Estrada adds. “After this shit happened, they fixed the damn thing the next day. They don’t care about you. They don’t give a shit. They just want to make money.”

In spite of the atrocious mishaps that have taken place under his watch, Warden Dorsey glows with pride when he talks about working conditions at CCA.

“The career opportunities are immense for employees here,” Dorsey says. “The corporation is very, very, very pro-employee.”

As bad as Estrada’s experience was, at least he escaped with his life—Ralph Garcia, a guard at Wackenhut’s Guadalupe County Correctional Facility in Santa Rosa, New Mexico, did not. After Garcia was stabbed to death by inmates during a jailhouse riot, it was discovered that he had not completed a short orientation course. Had he received proper training, Garcia probably never would have entered a pod of unlocked inmates alone.

“It was crazy, like when hyenas kill a deer or something,” says a staffer who was on duty that evening. “They just killed him because he was there. He was in the wrong place at the wrong time.”

One week prior to Ralph Garcia’s murder, Orlando Gabaldon, a prisoner, was beaten to death by a fellow convict with a rock-filled laundry bag. Gabaldon became the fourth inmate murdered at Wackenhut’s two New Mexico facilities in a nine-month period. New Mexico Governor Gary Johnson vowed to move state prisoners out of private prisons if more killings occurred, posting a written notice to that effect in Wackenhut’s facilities. Johnson’s missive was interpreted by Santa Rosa inmates as an invitation to do their worst.

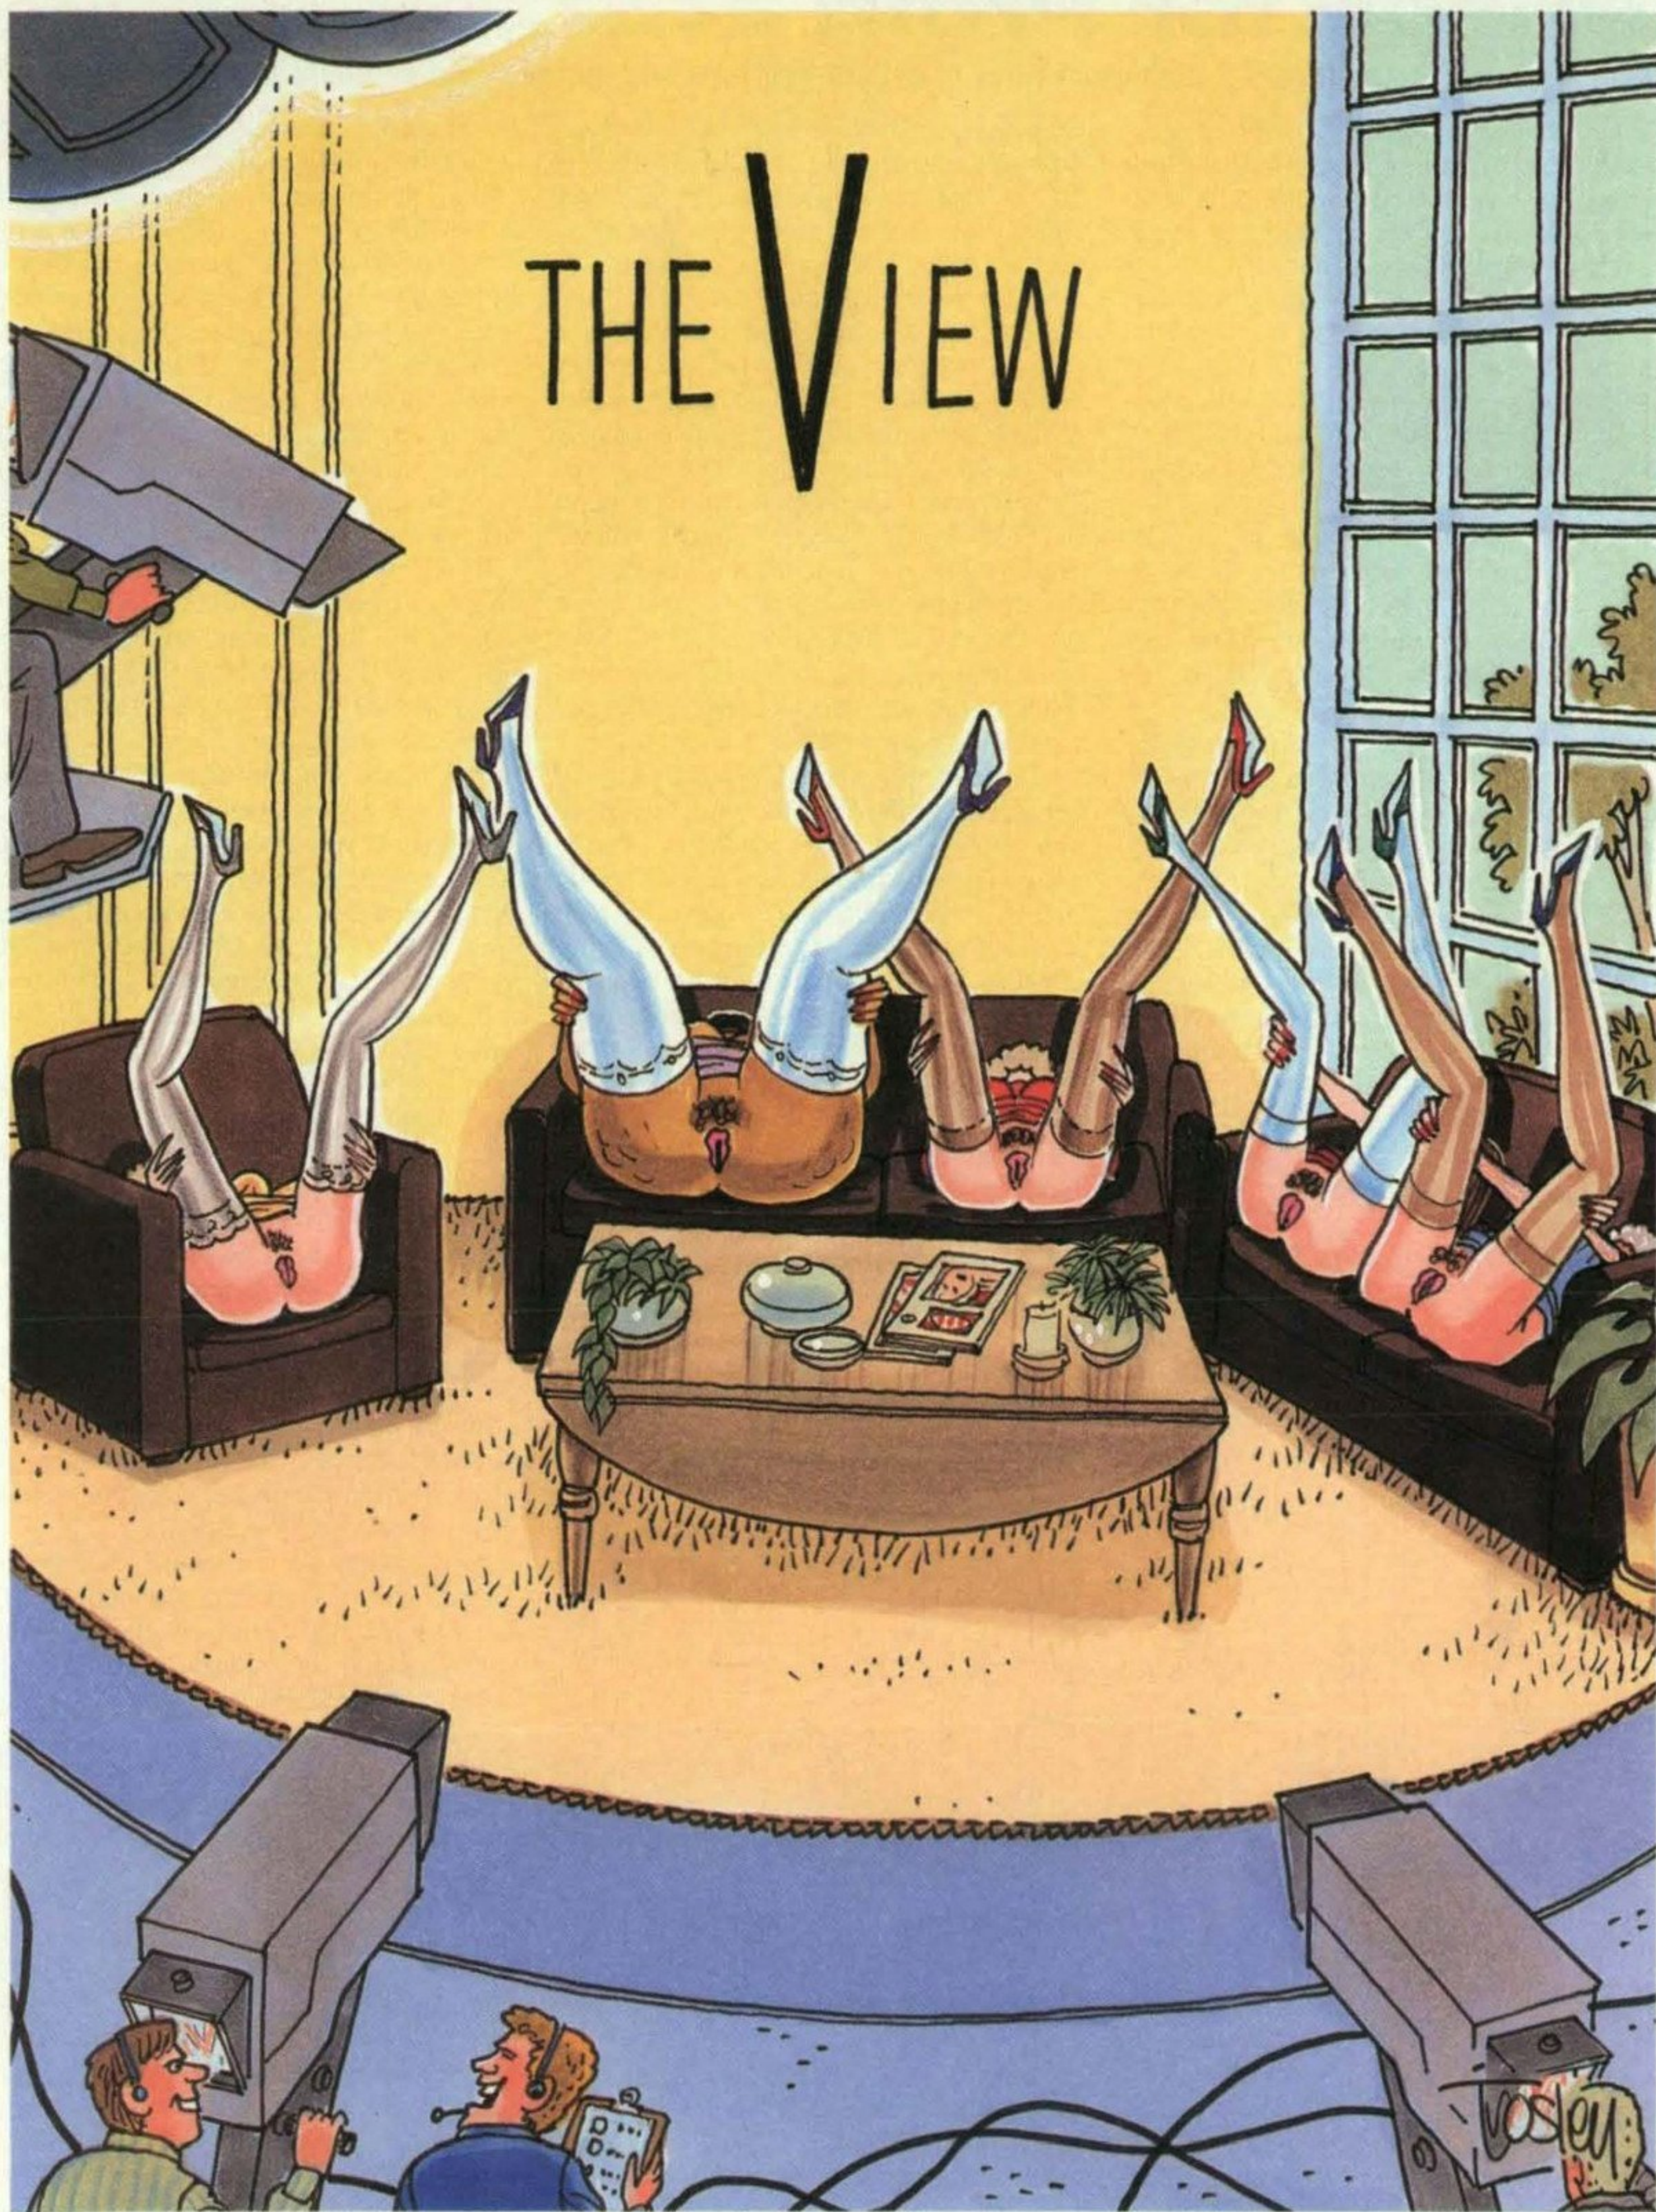

“All the inmates wanted to go to the state prisons, where they have benefits—TVs in the cells and all the goodies,” says a staffer at the facility. “They just wanted to get the hell out of there—so they killed someone.”

Terry Pelz served as a warden for ten years in the Texas correctional system

“I’ll take that to mean you’re a Democrat!”

THE VIEW

"What do you know—they finally got it right!"

Prison for Profit

Private prisons pay dirt wages and provide minimal or no training to employees—both great ways to ensure that riots and murders will continue to occur.

before leaving to become director of operations for the Bobby Ross Group, a privately owned prison corporation with facilities in Texas and Georgia. Going private is a decision Pelz deeply regrets.

"I don't sit here as a bleeding heart and say, 'I'm for inmates,' but we shouldn't profit off of misery," Pelz says.

"Initially, I supported privatization because I thought they could do it better," Pelz adds. "But they can't, and they don't. They just don't."

A gig guarding inmates at a state prison—which are often union shops—is relatively plush, offering comprehensive training, benefits and pension plans, plus annual salaries that can reach \$50,000 after a few years on the job.

By contrast, private concerns pay dirt wages and provide minimal or no training to employees—both great ways to ensure that riots and murders will continue to occur.

One scrimping strategy routinely used by prison companies is to deliberately under-staff, a profit-boosting maneuver that carries major risks: Minimum supervision means maximum danger for both cons and clock-punchers alike.

"If you could run your shifts successfully and safely with ten people, the next day you had nine," says a former supervisor

with a major private-corrections company, who speaks on the condition of anonymity. "If you still ran it successfully, you had eight. I was running shifts with one other person on the floor with 300 inmates. It made it an extremely unsafe environment."

Dangerous working conditions and poor pay are not known to attract high-caliber employees. While investigating allegations of rampant sexual abuse of female inmates by guards at the Wackenhut-operated Travis County Community Justice Center in East Austin, Texas, Sheriff Margo Frasier of Travis County, Texas, discovered that companies aren't too particular about who they hire. Twelve indictments have resulted so far at Travis County, and Wackenhut's contract for the 1,033-bed facility has been yanked.

"These facilities turn a profit by cutting benefits and salaries to the staff," a former supervisor says. "When you do that, you're not gonna have professional folks working in that environment; you're gonna have all kinds of problems—just the sort of problems we saw in this facility. As crazy as state corrections is, it was far saner and better than what was out here."

Inmate health care is a major money pit; in the interest of revenue growth, many private prisons strive for greater "efficiency" in this realm. Robert Trujillo, a prisoner at

the Torrance County Detention Facility who suffers from a seizure disorder, was a victim of this profit-motivated brand of streamlining.

"He'd rather be at the state-run prison in Santa Fe, a maximum-security prison, where he was getting the proper medical treatment," says Felix Candelaria, Trujillo's brother-in-law. "Every time he had a seizure, they would rush him to the infirmary. Now, where he's at, when he's having a seizure, they just leave him in the cell."

In Oklahoma, Cornell Corrections was recently fined \$168,750 by the state for failing to meet their medical-service obligation at the Great Plains Correctional Facility, an 812-bed prison operated by the company.

Psychiatric care is also slashed, often with tragic results. Recently, a lawsuit was filed against Wackenhut alleging abuse and neglect of mentally ill inmates at the company's facilities in Santa Rosa and Hobbs, New Mexico. Inmate Chris Hopson stands at the center of the pending litigation.

Hopson was a minimum-security inmate in a therapeutic community in the regular New Mexico system, "and he was doing well," says Alphonse Gerhardstein, an attorney who works on prisoner-rights cases.

"He then got transferred to Hobbs," Gerhardstein says. "His medication was terminated, he was placed in a lockdown unit, and he started deteriorating."

As Hopson's condition worsened, staffers responded with violence. In his lawsuit, Hopson claims that he was gassed so severely that he passed out. When he awoke, prison guards required him to walk down public corridors naked.

At a hearing on the case, New Mexico Department of Corrections Mental Health Director Dr. Don Davidson testified about the condition of mental health care at Wackenhut's Hobbs facility; Davidson concluded that such services didn't exist.

"It was my impression that they didn't have a mental health program in place," Dr. Davidson said following a visit to the facility.

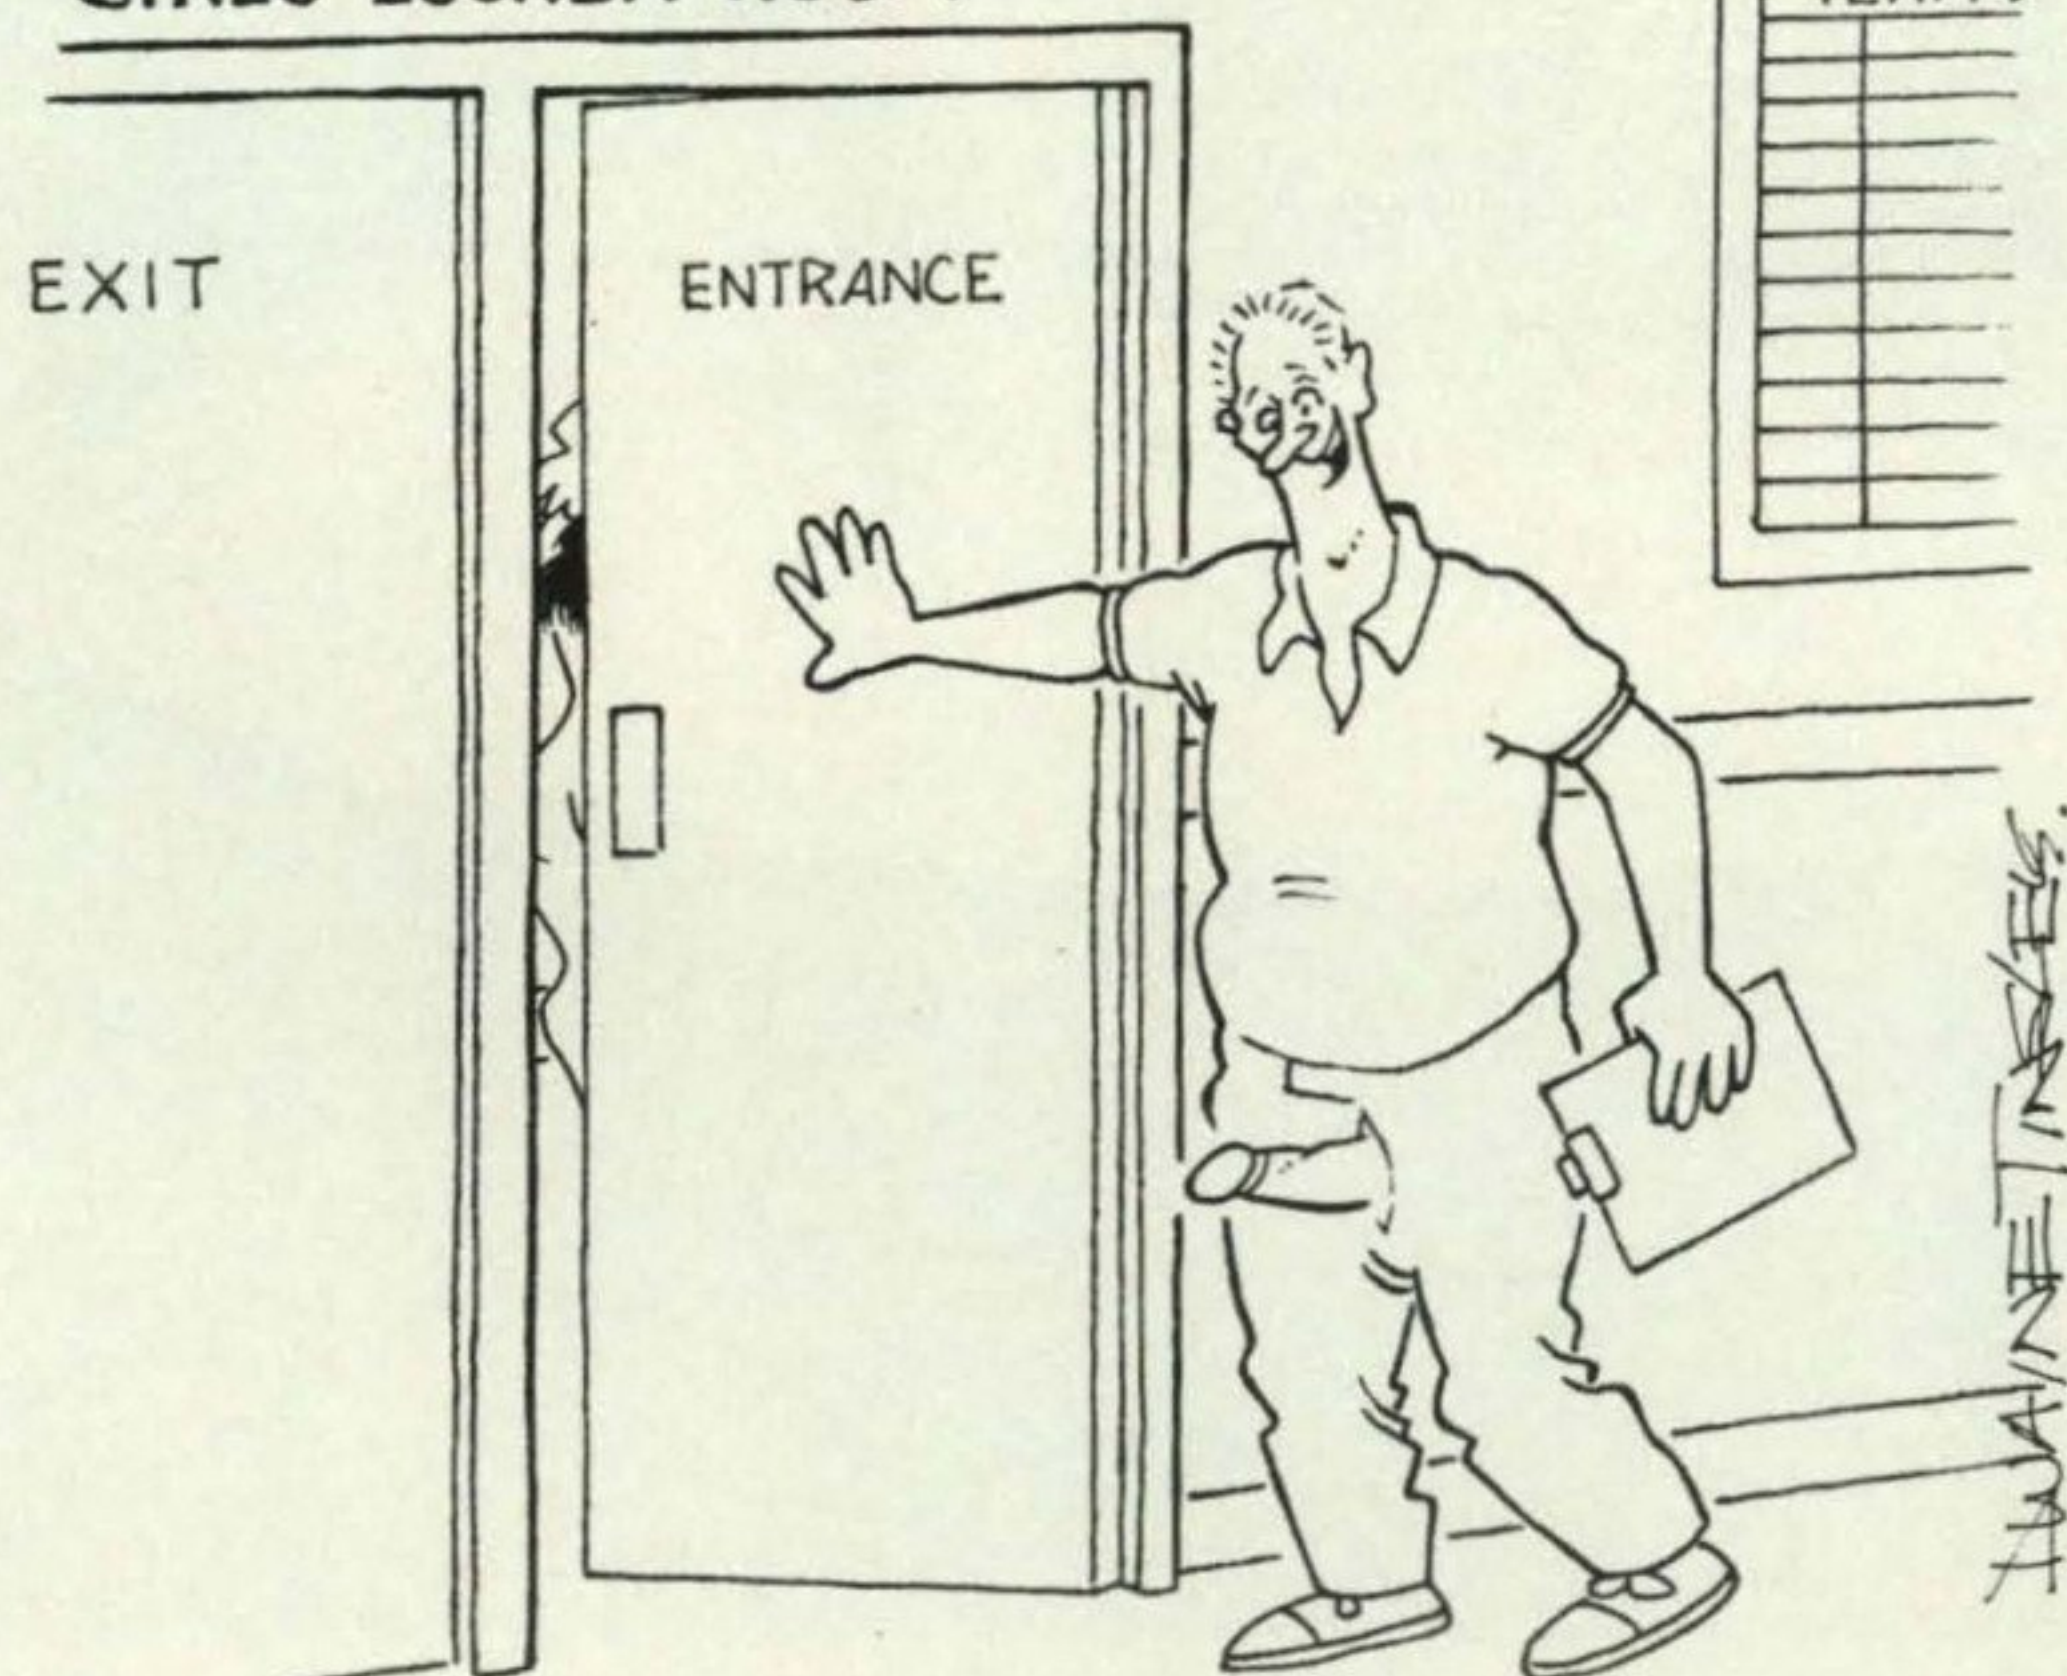

More insidious than cutting corners on inmate health care is the way the privates target isolated, economically depressed communities, where they ingratiate themselves with local officials and finagle sweetheart deals—such as in Youngstown, Ohio, where CCA bought land for its Northeast Ohio Correctional Center for just \$1.50.

According to Roberto Marquez, editor of the *Santa Rosa News*, the same thing happened in Santa Rosa, New Mexico.

A stream of urine is visible falling from her. The background is a wall with vertical wooden slats. The floor is made of light-colored tiles.

Victoria and Shay have never had to listen to anyone. "We always get what we want," growls Shay as she and Victoria shower the pristine patio of a hapless male admirer with golden streams.

"We're very protective of each other too," whispers Victoria. She snakes a double-ended dildo deep into Shay's slick twat.

"Yeah, you don't want to fuck with us," chimes in Shay, shuddering as the hot toy tickles her G spot.

"But I've never met anyone who hasn't wanted to fuck us," Victoria chuckles. The pair's laughter fades into ecstatic whimpers as they explore the possibilities of their new toy, now dripping with their pleasure.

Prison for Profit

When there's always room at the inn, psycho killers and nonviolent offenders end up crammed in together, leading to soaring rates of violence and assault.

(continued from page 90)

"As soon as Wackenhut smelled that these people wanted economic development in their community—man, they were in here like stink on shit," Marquez says. "They wine'd them, they dine'd them, they blew them, they screwed them—they did whatever they could to get them to do whatever. And they fixed themselves up."

People in impoverished areas where prisons-for-profit do business are often desperate for work and not likely to report corruption and human-rights violations.

"These people need these jobs," says former warden Terry Pelz. "You don't have any kind of employee organization, so you just kind of go with the flow. You don't raise hell, you look the other way when you see something passed under the table, or you cover up your buddy's excessive force and don't report it."

Filling prison beds with any and every convict is the main goal of private prison companies, regardless of whether the facility is designed to hold them or not.

"In essence, private corrections is dungeons for dollars," says Lance Corcoran, vice-president of the California Correctional Peace Officers Association. "As long as they're filling those beds, they really don't care what they're getting. And even though many of these facilities were not designed for higher-level custody, in that drive for the dollar, they'll take in higher-level custodies and risk it."

When there's always room at the inn, psycho killers and nonviolent offenders end up crammed in together, leading to soaring rates of violence and assault.

"Inappropriate mixing of violent and predatory inmates with more peaceful inmates—that's caused a lot of major disruption in various facilities," says Alphonse Gerhardstein. In 1998, Gerhardstein represented inmates at the CCA facility in Youngstown, Ohio, in a lawsuit concerning excessive force and improperly housed maximum-security prisoners.

In just 14 months of operation, CCA's Northeast Ohio Correctional Center, built for minimum- and medium-security inmates, racked up 47 assaults on inmates and guards, two fatal stabbings and six escapes. Gerhardstein's case resulted in the first ever settlement to date for private prisoners: \$1.65 million. Much of the trouble in Youngstown stemmed from the importation of more than 900 maximum-security prisoners from Washington, D.C.'s Lorton Correctional Complex.

A fierce debate over prisoner classification rages in New Mexico corrections circles. Defenders of private prison companies blame the state for misclassifying

hard-core offenders and then dumping them on private prisons.

"Wackenhut is a victim of a dysfunctional classification system," says Les Houston, chief lobbyist for Wackenhut Corrections in New Mexico and a former senator pro tem in the state legislature. "If Charles Manson came into New Mexico, he'd be classified as medium-security. A medium-security inmate is more hard-core in New Mexico, and Wackenhut was not made aware of this."

Terry Pelz finds Houston's position hard to swallow. "That is such a crock," Pelz says. "Wackenhut raises this red flag and says, 'Hey, you've been sending us misclassified inmates.' I say to myself, *Wackenhut, you are supposed to classify every inmate you get. You can reject an inmate you don't want.*"

Private prison companies don't just hire former legislators such as Les Houston to lobby on their behalf—they put current pols on the payroll as well. As Wackenhut built its New Mexico facilities in June of 1998, the company hired senate president pro tem Manny Aragon—a former critic of private prisons—as a consultant and lobbyist. The move was attacked as a blatant conflict of interest, but Aragon saw no reason to abstain from voting on legislative matters involving Wackenhut. Soon after

the riots at Santa Rosa in August though, Aragon decided to resign.

"I had no consultation agreements with Wackenhut in the state of New Mexico," says Aragon. He quit "because it became a divisive issue here in New Mexico; they thought it was a conflict of interest. Even though it wasn't, I didn't think it was worth the controversy."

A few months after Aragon quit, Wackenhut made another key hire—Michael Olguin, vice chairman of the state Democratic party and former state house majority leader. Olguin was once a harsher critic of Wackenhut than Aragon.

After the Santa Rosa riots, Olguin issued a press release that said in part, "Privatization is a dismal failure. New Mexicans were deceived by Wackenhut, by Governor Johnson and by the Republican party."

As soon as Olguin was on Wackenhut's payroll, he recanted his critical letter, saying, "maybe [that] wasn't a fair thing to do without actually observing firsthand what's going on."

When it's time to make friends with influential people, prison companies gleefully morph from Warden Scrooge to Santa Claus. Cultivating cozy personal relationships with political leaders and

Coed Whores

(continued from page 72)

names in the department and maniacally chat about research projects he was involved in. He was extremely forceful with me, thrusting viciously hard. I was in excruciating pain. I could really feel his hostility. Just when I thought it was over, he grabbed me again, bent me over and jammed into me again. I remember sobbing into the pillow. Afterward, he kissed me on the mouth and whispered, "See, that wasn't so bad."

Sara was literally unable to walk after that incident. Three days later, she was hospitalized for a double urinary tract/kidney infection, which she says was a direct result of the trauma.

Jennifer had her own frightening experience with a client who followed her from her Back Bay apartment. "After I finished my shift, I was briskly walking to class at BU," Jennifer says. "A trick I had earlier that day was behind me, trying to appear innocuous. I began to panic when I cut down an alley and he continued behind me. I was absolutely terrified. I ran to the fire station on the corner and waited. He seemed annoyed as he ended up walking past me. God knows what that guy had in mind. He probably has a wife and kids, and here he is stalking an escort in broad daylight."

Michelle had the misfortune of having a

professor from a prestigious university become infatuated with her. "He loved the fact that I was a student," Michelle says. "He said he could help me get into graduate school. I was always so disgusted by his excessively hairy body and body odor. He also enjoyed bringing brand-new white bobby socks. He loved the fantasy of big-bad-professor-fucks-innocent-schoolgirl. I'm very petite and youthful-looking, so he ate it up."

The randy professor particularly enjoyed braiding Michelle's thick, dark hair before spanking her brutally. "I would leave that job with red blotches on my ass that really fucking hurt. He was seeing me like three times a week sometimes, professing his deep caring for me and reading me literature passages. Finally, I refused to see him. He must have called the agency three times a day asking when I'd be back. I had to change locations because I feared he would try to track me down. What a freak!"

Most college-girl escorts claim they will not continue hooking after they graduate. Jennifer, dressed in jeans and a BU sweatshirt, twirls her schoolgirl locks. Smiling smugly, she says, "It's been an interesting ride, but after I graduate, I think I'll hang up the heels for something a tad more cerebral." 🐾

Prison

(continued from page 107)

making large donations are standard tactics within the private prison system.

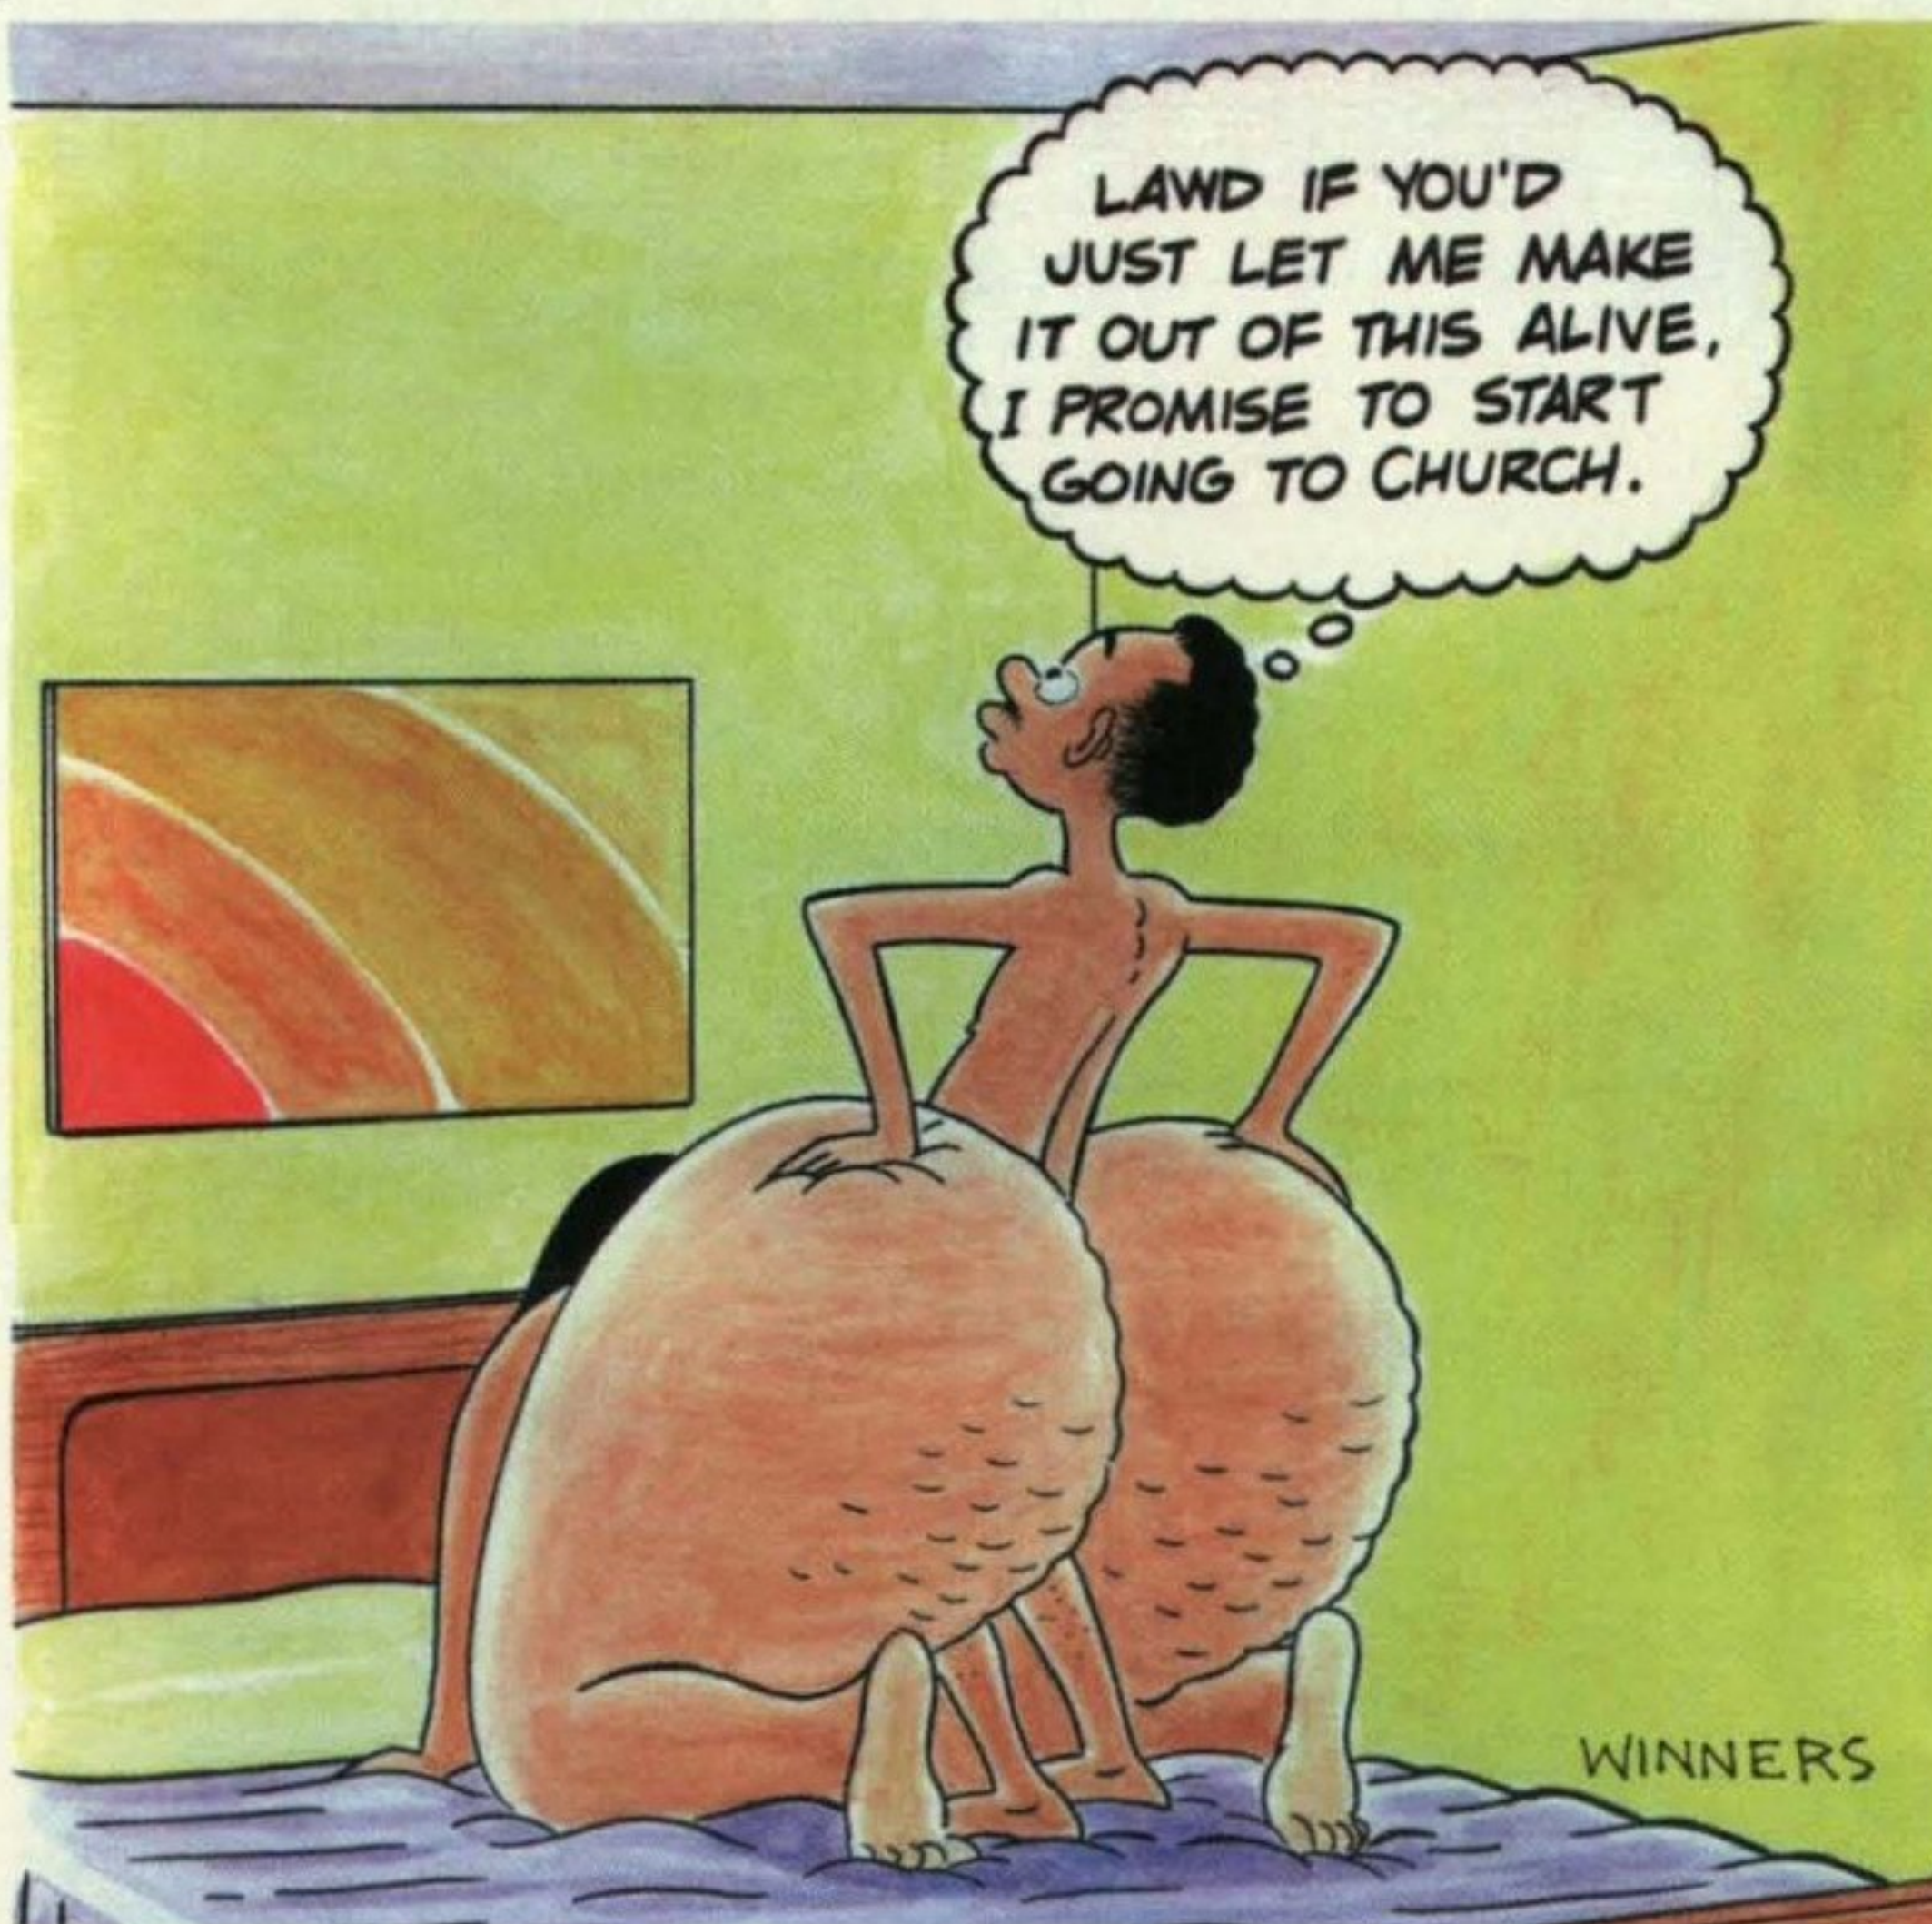

CCA cofounder Thomas Beasley—previously chairman of the Tennessee Republican party—is partners with current Governor Don Sundquist in the Red Hot and Blue barbecue chain. From 1993 to 1997, Beasley, his wife, CCA executives and company board members donated at least \$110,000 to Tennessee lawmakers and politicians, including \$38,000 to Sundquist's reelection campaign. Oklahoma Governor Frank Keating, a driving force in bringing private prisons to his state, has received at least \$29,000 from the industry over his last two campaigns. In New Mexico, Governor Johnson received a total of \$11,000 during and after his last reelection campaign—\$9,000 from Wackenhut and \$2,000 from CCA.

Private prison companies also pay off state inspectors who directly oversee their facilities. The Bobby Ross Group hired Robert Dearing, then-deputy director of the Texas Commission on Jail Standards, as a \$42,000-a-year consultant. The expense paid off handsomely when Dearing gave Bobby Ross a perfect inspection report for its Dickens County Detention Center in Spur, Texas; the corporation had recently lost its contract with Montana due to poor conditions.

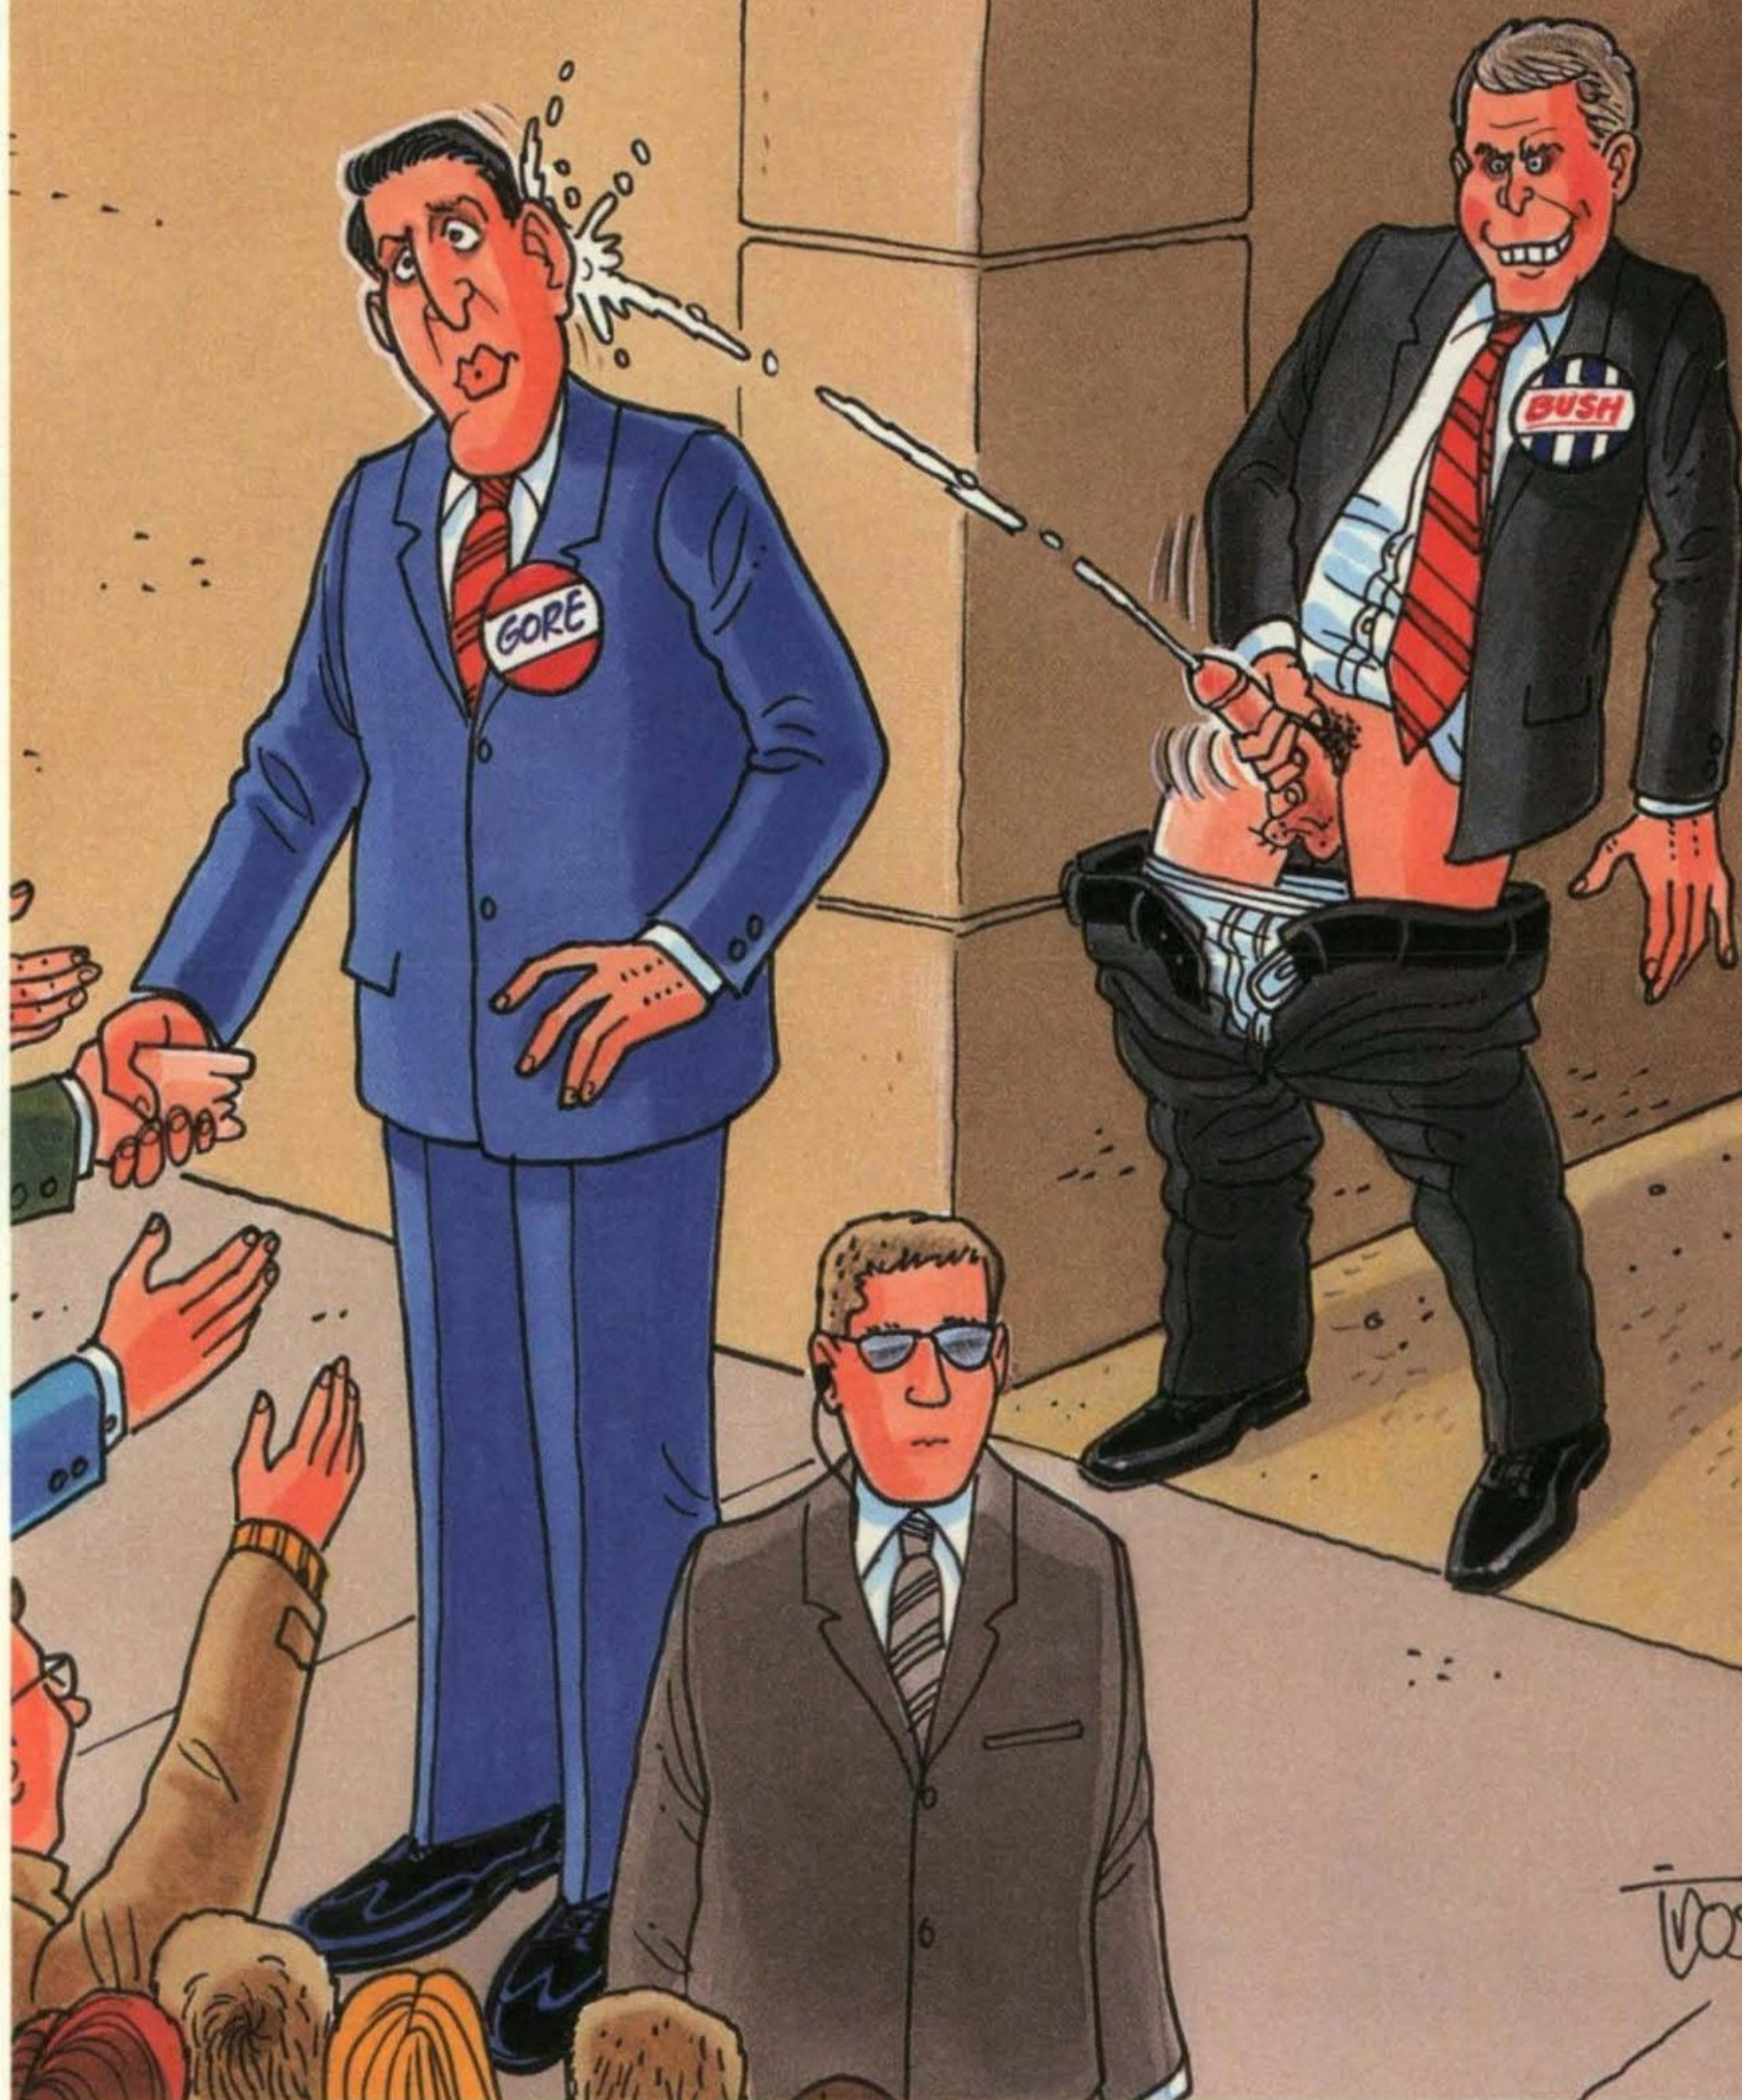

Even the ivory tower is not immune to private-prison payoffs. Professor Charles Thomas, former director of University of Florida's Private Corrections Project and a consultant for the state's Correctional Privatization Commission, was long cited in the press as an academic guru on prison privatization and a major producer of research lauding the industry. He was also found to be receiving a \$3 million consulting fee from CCA and to be holding about \$660,000 in industry stock. Following an investigation, the Florida ethics commission fined Thomas \$20,000, and he retired from the university.

Discounting research from the likes of Professor Thomas, there's never been conclusive proof that private prisons do what they're supposed to do—save taxpayer money. In fact, when taking into account such exploding off-budget expenses as riot control, recapturing escapees and massive lawsuits—frequently paid for by the state—private prisons often cost much more than state-run facilities.

"Private prisons aren't working. We're pouring more and more money into corrections—we're spending a million dollars more a month," says New Mexico Speaker of the House Raymond Sanchez. "Saving money did not happen. It was a shell game." 🐾

Young ripe virgins spread their gooey lil' pussies for the camera in *Cherries 1* and *Cherries 2*. These are naive innocents—not porn sluts—that eagerly suck a hard cock for new and exciting thrills. On each 90-minute tape wet cherries are popped, fresh smiles are doused with cum-explosions, slumber parties become lesbo orgies, and sweet showoffs tickle their clean cunts. Gosh, some curious gals giggle as they get their tight, perfect-pink poo-holes fucked for the first time ever!

YOUR PENIS IS SMALL

ALL PHOTOS ARE UNRETouched AND ARE OF THE SAME PENIS IN A 20 MINUTE TIME PERIOD.

BUT IT DOESN'T HAVE TO BE.

ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

With the new European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4 in. Acceptable for any age (18-74), penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News and World Report. (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers - too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock. I am very happy but I am going to try for 11 or 12 inches.
C. P., California

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7 1/2 inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you.
A. R., Texas

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement. As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr. Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder. Many of our customers also tell us that the Dr. Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection. You have air loss and so you do not have the correct vacuum needed for penis enlargement. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum". A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr. Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis. This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably. All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps. After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

jewel

tie me down & sex me up

PHOTOGRAPHY BY CLIVE McLEAN

"You could say I have a checkered past—and present," purrs velvet-voiced Jewel. Winking, she unfastens the last straps of a leather corset. "I wear soft sweaters and cute skirts when I go into the office during the day; underneath, I'm all black leather and polished steel."

Full of anticipation, Jewel arches her back and pries open her quivering clam with two hot, sticky fingers. "You might want to start with that," she says, nodding to a length of silky rope. "There's nothing I love more than taking dick from behind, but I'd better be properly strapped in—otherwise, I can't be held responsible for what happens to you."

OVER 16 MILLION SATISFIED MEN USE OUR PROFESSIONAL PENIS ENLARGEMENT Systems

**YOU TOO CAN GO FROM MINISCULE to MAMMOTH
& HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!**

SIZE DOES MATTER!

**EVERY DAY SINCE 1965 MEN
IN 68 COUNTRIES ARE USING
THE SUPRA-12 SYSTEMS!**

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION**. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be, too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... keeping it is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time**. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry **GIVES YOU COMPLETE CONTROL!**

SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve

HUSTLER

PARANORMAL PINK

HUSTLER's October enchantresses cast magic spells on mortal wands. An Asian temptress melts mountain slopes when she rides a lucky ski stud's stiff pole. This yellow snow bunny will warm the cockles of the living and the dead. Two golden-tressed lasses lick each other clean in a laundromat tryst. On a tropical island, a sun-kissed castaway craves a bamboo shoot for her milky coconuts. A classic beauty goes crazy from the heat and lets her fingers take a dip in her slit while she lounges at the pool. A comely coven of these and other wicked wenches haunts hog legs in the October HUSTLER.

GAS CHAMBER OF HORRORS

There's no preparation for being thrown in lockup with men serving life sentences or waiting for the gas chamber. The skills needed to survive are learned on the spot, and anyone who can't stand alone will fall. How does an inmate barely into adulthood cope with the threats of multiple-murderers, low-level mob thugs and forced shower-stall sodomy? Esteemed novelist Edward Bunker's gut-wrenching excerpt from his new memoir, *Education of a Felon* (St. Martin's Press), takes readers through life on the inside of the L.A. County Jail. See the view from behind the bars, and find out why hearing "Grab a hole!" is the least of a prisoner's fears.

TALES OF MUTILATION

Chastity belts and other barbaric strictures on female sexuality are usually associated with a more repressive past. Incredibly, practices such as female genital circumcision are thriving today. Under the banner of tradition, families proudly subject daughters who aren't old enough for grade school to clitoral snips. As many as 15% of the women who undergo female genital mutilation also have their labia stitched to prevent the possibility of sexual penetration. October's *Sex Play* sheds light on these shocking procedures that occur across the globe, from remote villages to America's backyard.

SPECTRAL SNIZZ

This Halloween will give strokers the willies when the ghosts of porn past are resurrected. Learn how smut peddlers are reviving vintage spank flicks to reanimate viewer meat. *Bits & Pieces* explains why Hef really depends on those Bentley twins to pamper him, and unveils the winners of the Sighted Stevie Contest. And don't forget to sample the neighbor's candy when *Beaver Hunt* sluts share their treats. The October HUSTLER will rattle blood bones everywhere.

October 2000 HUSTLER on sale July 26.
